Curriculum History – Topic 14
Curriculum History is a process of analyzing, describing and interpreting thoughts and practices of curriculum in the past

Primitive society - Topic 50
• Family influence upon conduct & modes of thinking
• Informal learning by interacting with adults in daily activities

Curriculum as intended learning outcomes - Topic 6
Curriculum should focus on the intended learning outcomes – which shifts emphasis form means to ends. Intended learning outcomes are a convenient way to specify purposes. Purposes no longer remain stated in such global rhetoric as, "an appreciation for our cultural heritage." Instead a structural series of outcomes is set forth; all activities, teaching, and environmental design serve the acquisition of specified end.

Curriculum as cultural reproduction - Topic 6
Curriculum in any society or culture is/ should be a reflection of that culture. Schooling is meant to reproduce salient knowledge and values for succeeding generation. The community, state, or nation takes the lead in identifying the skills, knowledge and appreciations to be taught. It is job of professional educators to see that they are transformed into curriculum that can be delivered to children and youth.

Methods for students learning - Topic 92
Observation by the teacher
Student interview
Parent interview
Questionnaire
Interest
Test
Community Records
Examination of school record
Teachers/ staff Participation
Student Participation

Functions in curriculum design - Topic 17
Two important functions performed in curriculum design are:
1. Analysis
2. Curriculum Creation

Ways of stating objectives - Topic 130
Objectives as Activities to be done by Teachers
Objectives as Topics, Concepts, Content or Generalizations
Objectives as Generalized Patterns of Behaviors
Objectives with Intended Behavior & Area of Application

Characteristic of humanism curriculum
According to humanism learning is a personal act to fulfill one's potential. It focuses on human dignity, freedom and potential. And fulfills cognitive affective needs (key to development). Humanism develops self-actualized people in a cooperative supportive environment.

Download File From
VU Solution Point

Humanistic curriculum:
Learner centered, Needs teacher to be a facilitator

What is community record? - Topic 92
- Child mortality,
- Frequency of occurrence of any disease with reference to health condition,
- Various types of social data by community etc.

Descriptive type of theories - Topic 13
Descriptive Theory focuses upon:
'Reality' that can be modeled so that we know its salient features as
Explain
Predict and
Control curricular activity &
Behavior

Role of objectives in curriculum development - Topic 79
These become criteria for the selection of the materials, identification of content, development of the methods of teaching and preparation of tests and exams. All these aspects of educational programs are means to achieve basic educational purposes

Names of Doll's classifications names? - Topic 45
William Doll (1993) defined following curricular paradigms:
• Pre-Modern
• Modern
• Postmodern

Common education curriculum - Topic 62
It is concerned with the problem of maintaining the society as a closely knit & well integrated unit

Characteristics of common education curriculum - Topic 61
Common Education will be/ is based on the:
• Universal elements of the culture
• Aspects of the specialties that are of general concern.

Explain curriculum as a subject matter - Topic 5
Curriculum as a Subject Matter or Content includes the following areas of focus:
• Program of Planned Activities
• Intended Learning Outcome
• Cultural Reproduction
• Experience
• Discrete Tasks and Concepts
• Agenda for Social Reconstruction
• "Carrere" – a Lived Experience

Reconstructionism - Topic 30
Reconstructionism is about:
• Change & reform
• Rebuilding of social & cultural infrastructures

Download File From
VU Solution Point

Modern definition of curriculum - Topic 2
Most modern definition of curriculum shared in 1920 says that
"Curriculum is a process not a product".

Laments of special pattern of culture - Topic 72
Each individual takes on elements of special pattern of culture characterizing his social class.

Difference b/w society and culture - Topic 53
