Allama Iqbal's Presidential Address December 1930

- **Dr Allama Muhammad** Iqbal ranks amongst the Muslim intellectuals **(~~Danishwar~~)** who left a **deep impact on history**
- **Inspiration** of Muslims of the Sub-Continent and beyond
- **Infused (~~Andr dalna~~)** a moving **spirit and identity** in the Indian Muslims**.**
- **Presented a framework** of their **political future** and talked how that would help to achieve the **goal of Ummah.**
- Presented a vision and dream in his **Allahabad Address.**

1: Background:

- The Hindu-Muslim question had great importance and stood crucial **(~~Faisla kun~~)** to British Indian history after **1857,** especially in the **20th century.**
- They tried their level best to make the **rival nations** understand that the Muslims are a **separate nation.**
- The Two Nations theory could not fascinate **(~~Garveeda krna~~)** the Hindus and the British peoples because they believed in **'territorial nationalism.'**
- **By 1930,** Muslims had developed a sense **of identity and political demands.**
- Iqbal's stay in Europe**, 1905-08.**
- He returned to India in **1908** and started work on the roots of Muslim decline and the mechanism to uplift the Muslims.
- He reminded them to follow the teachings of the **Holy Prophet (PBUH)** practically as the ideal leader.
- He emphasized **(~~Zor dia~~)** on **the ideals, teachings and principles of Islam.**
- He was awarded with many prominent social positions**:**
  i) Title of Sir was conferred **(~~Ata Krna~~)** in **1922**
  ii) Member Punjab Legislative Council **(1927-1930)**
- He delivered lectures on Islam in Aligarh, Hyderabad and Madras **(1928-29).**

The Address, December 1930:

- **Iqbal presented** a review of the **political and social situation.**
- Evaluated the **importance of role of Islam** in the lives of Muslims**.**
- Rejecting the secularism **(~~Deen se Khali~~)** he said**, religion is not a totally personal affair.**
- He explained that Islam offers **an ethical order, socio-political structure, legal framework, code of life, culture and civilization.**
- It is a living**, dynamic force** that has a profound impact on the lives of Indian Muslims.
- With the force of Islam **the scattered and disoriented** people have been turned into an **organized force.**

M. Mughal

- The Muslims are **not willing to submerge** their **religious individuality.**
- They have **lack of trust, fear of domination** from Hindus**.**
- If **the British want** any sort of **internal harmony** it would be impossible unless the **communal question is settled.**
- It's historical reality that India is a continent inhabited ~~**(Abad)**~~ by diverse people.
- No political arrangement may be acceptable without recognizing this reality**.**
    - If the Muslims have an **opportunity to develop** in accordance with their **Islamic civilization and tradition**, they would be willing to sacrifice their lives for India**.**
    - **Federalism** ~~**(Wafaqiyat)**~~ **cannot succeed without** recognizing the **national identity of the Muslims.**
    - **Territorial redistribution of British** India on the **basis of religion** has become a need of time.
    - **Punjab, NWFP, Sind and Balochistan** be amalgamated ~~**(Milana)**~~ into a **state, self government** within the **British Empire or without it.** The formation of such a consolidated ~~**(Mazboot)**~~ North Western Muslim state appears to be the **final destiny of the Muslims,** at least of North West India. To India, it will **offer peace and security due to internal balance of power.**
    - **Islam is a people building force in India** that has given **moral consciousness** ~~**(Akhlaqi Sha'ur)**~~ and **political identity** to the people.

Importance:

- **Iqbal's address** is a **forceful** and **logical presentation.**
- Territorial adjustments will enable the Muslims to **develop themselves in accordance** with **their ideals and serve the cause of Ummah.**
- **Redistribution of territory** developed later on concept of Muslim homeland**.**
- He further expressed these ideas in **LETTERS TO JINNAH from May 1936 to November 1937.** He **talked of** a **separate federation** of Muslim provinces. The **North Western India and Bengal** can be considered as entitled to self-determination like other nations in India and outside. **Shariah's development** is impossible without a free Muslim state or states. He advised the Muslims **to be above self-interest** and **devote themselves to Islam.**
- In difficult times**, Islam has saved the Muslims.**
- **Faith, culture and historical** traditions are more important than patriotism**.**

  P Punjab

The 1937 Elections:

M. Mubrial

- The elections of **1937** were held with the **restricted franchise and separate electorate.**
- The **Congress** projected itself as an **all-India force representing all religions** and **factions of the society.** The **Muslim League** contested for the **Muslim seats.**

- In **July 1937, Congress formed** governments in **6 provinces.**
- **In NWFP, Khudai Khidmatgar** and Congress formed a coalition **~~(Ittehad)~~** government.
- In the Muslim majority provinces, the **Muslim League could not form the governments.**

M. Mughal

- **K. Fazl-ul-Haq** published a pamphlet **entitled Muslim Sufferings Under the Rule of Congress and made many alarming revelations** e.g. **forbidding of Azan, attacks in mosques, noisy processions of the Hindu scoundrels, forbidding of the cow-slaughter etc.**

The Lahore Resolution:

- The Muslim League held its annual session at **Lahore on 22-24 March 1940.**
- The **Lahore Resolution** was moved by **Maulvi Fazlul Haq** and **seconded by Ch. Khaliquzzaman** that finally approved on **March 24, 1940.**
- Jinnah rightly expressed his valuable remarks about the political circumstances of India and the Muslims stand. He said**:**
  "Indian problem is not communal but international. No Constitution can work without recognizing this reality. Muslims of India will not accept a constitution that establishes a government of the Hindu

M. Mughal

majority on them. If Hindus and Muslims are placed under one democratic system, this would mean Hindu Raj."

Text of the Resolution:

- They decided that the **Federal system** under was **not acceptable for the Muslims.**
- **No revised constitutional plan would be acceptable** unless it was framed with their approval and consent.
- **Adjacent units where Muslims** are in a majority, as in **Northwest and East, should be constituted as Independent States** where the constituent units will be **autonomous and sovereign.**
- **Protection of minorities** would be given priority.

Significance:

- This **Resolution did not specify any demarcation of the territory** but it defined the future plan of struggle for the establishment of the Muslims states **(later the word 'states' was replaced by 'state' in 1946)** in the **Northwestern and Eastern areas where the Muslims were in overwhelming majority.**
- It also intended to give **importance to the autonomy of the states.**
- There was **no use of the word Pakistan** but **Pakistan was kernel of the Resolution**.

***Later Developments*:**

- The **World War II started in 1939** that required heavily men powered battlefield.
- The British who always believe in bargaining announced an offer in **August 1940:**
  1. Expansion of the **Viceroy's Executive Coucil** and the setting up of **National Defence Council**

  3. Power could not be transferred under a system that will not be acceptable to large and powerful minorities in India.
  4. Dominion Status**: the ultimate goal**
  5. Cooperation of Indians for the war
  Congress rejected it and started **Non-Cooperation movement 1940-41. Lahore Resolution** remained the ultimate goal for the **Muslim Leagues.**

- **MK Gandhi** did **not accept** the Hindus and Muslims as **Two Nations** and **emphasized** on the **freedom of united India.**

M. Mughal

- **Jinnah and Abul Kalam Azad** represented the **Muslim League (ML)** and the **Congress.**
- **respectively. Maulana Azad claimed Congress** as sole representative party of all the peoples living in India.
- **Jinnah considered the ML** the only **political party of the Indian Muslims** and on this the **ML had right to appoint Muslim members to the Council.**
- **This issue could not be dissolved** and the **differences between the ML and Congress increased.**

The Elections, 1945-46

Lord Wavell announced elections in **August 1945.** He **visited England** and **after consultations** he **presented new political steps:**

1. **Self government** with the cooperation of **Indian leaders.**
2. **New Elections** in the winter.
3. **Provincial governments** in the provinces
4. **Constitutional Assembly** to be convened. The **basis of constitution making** was to be **settled.**
5. **Executive Council** to be **set up.** It will have representation of major parties.

Elections:

- The **ML's stand was very clear** i.e. the ML is a **sole representative of Muslims**
- The ML launched the **massive campaign for these destinations.**
- The **Islamic slogans** became massively **popular.** In this way, the **struggle** for the establishment of Pakistan was **motivated on the basis of Islam.**
- The **role of students** was also **prominent during the political drive.**
- On the other hand, the **Congress put the slogan of independence** from British in the shape of undivided India before the Hindu nation.
- **They proclaimed** that their **stand was for all the Indian communities.**

A: Hindu majority provinces e.g. UP, CP, Madras, Bombay, Bihar, Orissa.
B: Muslim majority provinces in NW e.g. Punjab, NWFP, Baluchistan and Sindh.
C: Bengal and Assam.

- Each group could decide what to be **managed jointly** and what should be managed **by provinces themselves.** They could decide if the group **desired to frame constitution.**

7. **After ten years,** a province by a **vote of its legislature** could ask for review of relationship with the Union.
8. **CA to be elected** by the elected members of the **provincial assemblies.** Seats to be divided into three categories: **General, Muslim, and Sikh** on the basis of population in provinces.

Separate Electorate.

9. **Interim Government to be set up.**

Muslim League Reaction:

- The **ML reiterated its demand** for Pakistan.

Congress Reaction:

- The Congress right to ask for review of **constitutional relationship.**
- It **agreed to contest elections** for the **CA but declined** to be bound by the proposals of **the Cabinet Plan.**
- The **nonsensical stand of the Congress** was that they were **'free to make any change in the proposal.'**

Interim Government:

- Representation in the **Interim Government.**
- Pressure on the government, **Congress refused to join** Interim Government and the **British postponed it.**

- The **ML** demanded two **constituent assemblies** and showed its firmness on the demand for Pakistan.
- By the **end of 1946**, it had become clear that a constitution for united India could not be forced.

The **Cabinet Mission Plan** offered a possibility of a loose federation with an option to the Muslims to separate after ten years**.**

- The **Indian government** tried its level best to **block** these **funds to suffocate the newly born Muslim state.**
- They **did not release** the **remaining funds** until **Gandhi's threat of *marn bert* (fast until death).**
- Under this pressure, more funds were sent in early **1948** but **no installment was later paid.**
