Quiz Start Time: 05:55 PM, 29 December 2020

Question # 3 of 30 (Start time: 05:56:53 PM, 29 December 2020)

Total Marks: 1

Which of the following methods may be employed to improve the efficiency of pollutant degradation by a bacterium, without the use of genetic engineering?

Select the correct option

- Culture the bacterium in growth medium containing increasing concentrations of the pollutant.

Answer solved by Amaan Khan
Contact: 0305-4716616
Email: maniamaan2@gmail.com

- Culture the bacterium in growth medium that does not contain the pollutant.
- Culture the bacterium in growth medium with very low pH.
- Culture the bacterium at extremely high temperatures.
