CS101 Digital Literacy Hands-on Exercise No. 1

Task 1: Create a Simple Document (4 Marks)

1. **Open MS Word:** Create a new blank document.
2. **Type Content:** Type your **Name**, **Age**, and a **short introduction** about yourself.
    - *Example:* My name is Ahmad. I am 22 years old. I am a student interested in learning digital tools to start my own business.
3. **Save the File:** Save this file on your computer with the specific name **"MyFirstDoc"**.
4. **Screenshot:** Press the PrtSc button or use the Snipping Tool to take a screenshot of the saved file (where the filename is visible at the top) and paste it into your solution document.

Task 2: Format the Text (3 Marks)

Perform the following formatting actions on the text you just typed:

1. **Bold Name:** Select your name and click the **B** icon (Bold).
2. **Change Age Color:** Select your age and change the **Font Color** (e.g., to Red or Blue).
3. **Italicize Intro:** Select your introduction paragraph and click the *I* icon (Italic).
4. **Screenshot:** Take a screenshot of this formatted text and paste it into your solution document.

Task 3: Practice Safe Online Browsing (3 Marks)

1. **Search:** Open your web browser and search for the phrase: **"Digital Literacy tips for beginners"**.
2. **Safe Browsing:** Do not click on any advertisements or suspicious links.
3. **Copy a Tip:** Find one useful tip from the search results and type it into your Word document.
    - *Example Tip:* "Always use strong passwords and enable two-factor authentication."
4. **Screenshot:** Take a screenshot of the search engine results page and paste it into your solution document.

Submission Checklist

- **Final File:** Ensure all three screenshots are pasted into a single MS Word file.
- **Format:** Save the final file as a **.doc or .docx**.
- **Deadline:** Submit the file through the DigiSkills LMS before **January 8, 2026**.
