- 3 times ✓
- 2 times
- 4 times

Question # 2 of 10 (Start time: 08:40:09 PM, 08 December 2022)

OR operator is also represented by _____ sign.

Select the correct option

- ○ }
- ○ @
- ○ •
- ○ | ✓

Team VU Global

Due to the volatility and limited size of a computer's main memory, most computers have additional memory

Select the correct option

- ○ Mass storage ✓
- ○ RRAM
- ○ DRAM
- PRAM

Team VU Global

Type here to search

Third generation language attributes refer to

Select the correct option

- Particular machine
- For all machine
- For only required machine
- None of these

Team VU Global

Which of the following is not true about pseudo code?

Select the correct option

○	Pseudo code is an algorithms representation
●	Pseudo code is an ambiguous representation
○	Pseudo code is an informal representation
○	Pseudo code is an unambiguous representation

Team VU Global

The TCP/IP protocol suite is a collection of:

Select the correct option

○	TCP and IP protocols only
●	HTTP, TCP/UDP, IP and Link layer protocols

Team VU Global

_____ operator will give us only those web pages in which the searched term appears in the title of the web pages.

Team VU Global

Select the correct option

- ○ Upper case title
- ○ Intitle
- ● Boolean operators

correct

Computer does not understand any language except:

Select the correct option

○	Assembly language
○	High level language
○	Binary language
◉	Human language

Team VU Global

Which of the following is one of the major drawbacks of Skype?

Select the correct option

- It takes a huge space on local drive
- Free version is not easily available
- Call quality is not good
- It uses computer resources without owner's awareness

Team VU Global

To control access to the printer, the _____ must keep track of whether the printer has been allocated or not.

Select the correct option

O	Process
O	Operating system
O	Booting process
	Control unit
