

ENG510

Quiz for Mid-Term

ABSTRACT

This comprehensive collection of notes is accurately crafted to empower students to excel academically, ensuring they achieve a minimum of 80% marks in their examinations. The content is organized with clarity and precision, focusing on key concepts, critical analyses, and practical applications tailored to the syllabus. These notes serve as a reliable resource for both thorough preparation and last-minute revision. Designed to inspire confidence and mastery, this guide is an essential tool for students striving for academic excellence.

Maha Malik
Sociolinguistics

Quiz from Mid-Term Papers

1. Linguistics generally recognize..... Major language families in Papua new guinea. (2; 3; 4; 5)
2. Under the official language act, both English and..... Have official federal status throughout Canada. (French; Chinese; Japanese)
3. Fish man asserts that a typical case of language shift can happen over..... Generation. (3; 4; 5; 6)
4. Which of the following is used to refer to varieties according to use. (Mode; variety; tone; register)
5. Fill in the blank: Vygotsky was _? (Answer: Russian)
6. The British Isles dialects ____ of North America. (Answer: Australasia)
7. Outdated languages are known ----- Archic
8. Language ____ is general term for any distinct form of language on linguistic experience. (Variety)
9. .language used by specific area is called ____ (Dialect)

18. According to the Oxford Companion to the English Language (1992), there are two broad types of language variety
19. Groups and communities themselves are also ever changing, their boundaries are often porous, and internal relationships shift.

ENG510_Sociolinguistics
Quiz for Mid-Term

20. Sociolinguists call the creole the **BASILECT**.
21. **Multilingualism** is the use of more than one language by a single individual or community.
22. CAT stands for: **Communication Accommodation Theory**
23. Sociolinguistic is a **Descriptive** study.
24. **Mode** refers to the means by which communication takes place — notably, by speech or writing
25. 1969 language Act use languages English and **Urdu**
26. Language and social interaction have a **reciprocal** relationship
27. **Code Switching** is the switch or shift from one language to the other which involves longer stretches or units of language at the clause or sentence boundary.
28. There is an evidence that language attitudes influence **sound** change.
29. **English**, in various dialects, is the most widely spoken language of the United Kingdom
30. The first **social** dialect study was conducted in the summer of 1961 on Martha's Vineyard, an island off the coast of Massachusetts in the north-eastern United States.
31. Pidgin expands and develop into **Creole**.
32. Black English is A category of **decolonization**.
33. a typical standard language will pass through the **codification**, elaboration and selection.
34. Republic of Korea (ROK, or South Korea) has **42** million speakers.
35. life span is divided into **4** stages.
36. Urbanization is a great **eroder** of linguistic frontiers
37. Linguists speak of both standard and **non-standard varieties**.
38. the basic perspectives 'Anatomy of language deal with **Structure**
39. William Labov (1927) has been a prominent voice in American linguistics since the early **1960s**.

Quizzes from Assessments

1. Oxford Living Dictionaries define Sociolinguistics as the study of language in relation to social factors, including differences of _____ dialect, gender differences, and bilingualism. (**all of the given options**, class, occupational, regional)
2. Who asserted that the use of a language involves who speaks, what language, to whom, when and where? (**Fishman**)
3. According to whom language is a social value which researches social groups for phenomena like multilingualism and lingual conflict? (**Su Chiao Chen**)
4. Which of the following is a basic perspective on the study of language?

ENG510_Sociolinguistics
Quiz for Mid-Term

5. Structuralist school of linguistics has dominated the which century linguistics? (twentieth)
6. The term sociolinguistics can be defined as the study of language in relation to _____. (society)
7. In its broad goal of describing language and its relationship to society, social behavior, and culture, Sociolinguistics overlaps with _____. (Psychology, Dialectology, Philosophy, All of the given options)
8. Which of the following is a social function of language? (Varieties within language, All of the given options, Dialects, Spontaneous speech)
9. Sociolinguistics is a main growth point in the study of language from the perspectives of _____. (None of the given options, Teaching, Both of the given options, Research)
10. What do we need to focus on to understand the sociolinguistic phenomenon in relation to the changing world? (None of the given options, Both of the given options, Dynamics of today's world, Sociolinguistic Phenomena and its nature)
11. Sociolinguistics is the study of the effect of any and all aspects of society, including _____. (cultural norms, cultural expectations, all of the given options, context)
12. Which of the following is the lingua-franca in the exotic world of the north-west Amazon? (Tukano, Tamil, Mandarin, Telugu)
13. Which of the following is a sociolinguistic phenomenon or construct? (Style and Argot, Diglossia and Accent, All of the given options, Variety and Repertoire)
14. Identify whether the given statement is true or false. "An exogamous phratry means a man must not marry a woman from the same phratry or tribe." (True)
15. Identify whether the given statement is true or false. "In an Imaginary World, when the Sociolinguistic Phenomena is concerned, everybody has exactly the same language." (True)
16. Identify whether the given statement is true or false. "Sociolinguists would agree that it is highly unlikely that a Little World either does or even could exist." (True)
17. Identify whether the given statement is true or false. "The relationship between Sociolinguistic Phenomena and a Real but Exotic World can be understood in isolation." (False)
18. What do we see when we look at the unique features of the changing world around us? (None of the given options, Multilingualism, Both of the given options, Super diversity)
19. What does the variety of a language include? (Linguistic items, All of the given options, Grammatical features, Human speech patterns)
20. According to the Oxford Companion to the English Language (1992), how many broad types of language variety are there? (2)
21. In non-technical terms, variety is also called _____. (all of the given options, dialect, style, language)
22. Identify whether the given statement is true or false. "It is reasonably hard to include social facts about lexical items along with the linguistic facts." (False)
23. Identify whether the given statement is true or false. "A variety may be much larger than a lay 'language', including a number of different languages." (True)
24. How many sub-varieties of Indian English are there? (2)

ENG510_Sociolinguistics
Quiz for Mid-Term

25. The feelings people have about their own language variety or the languages or language varieties of others are called _____. (Language attitudes)
26. Identify whether the given statement is true or false. "Slang and argot are examples of variation at the level of lexicon." (True)
27. Identify whether the given statement is true or false. "Lexical items are listed in a lexicon." (True)
28. The term speech community is derived from the _____ Sprachgemeinschaft. (German)
29. What do Eckert and Ginet define as 'an aggregate of people who come together around mutual engagements in some common endeavor?' (Community of practice)
30. Mostly our speech communities, whatever they are, exist in a _____ world. (real)
31. Identify whether the given statement is true or false. The concept of repertoire is more useful when applied to individuals rather than to groups. (True)
32. Platt and Platt propose a _____ between speech repertoire and verbal repertoire. (distinction)
33. Who defines a speech community as 'a group of people who interact by means of speech?' (Bloomfield)
34. Who defined a 'real' speech community as 'all the people who use a given language (or dialect)?' (Lyons)
35. Around how many languages are spoken London? (300)
36. According to _____, the kind of group that sociolinguists have generally attempted to study is called the speech community. (Patrick)
37. For purely _____ theoretical purposes, Chomsky and other linguists have hypothesized the existence of an 'ideal' speech community? (practical)
38. Who presented the Euler diagram of Wave Model of language Contact and Change? (Johannes Schmidt)
39. Identify whether the given statement is true or false. "The popularity of the Wave Model of language Contact and Change increases due to the shortcomings of the Tree model." (True)
40. Who introduced the Model of the diffusion of innovations to sociolinguistics? (Peter Trudgill)
41. Identify whether the given statement is true or false. "Related to Le Page's study, it has been noted that new vocabulary is easy to acquire but phonology may be harder to acquire even if the speaker has access to reliable models." (True)
42. Identify whether the given statement is true or false. "Gumperz and Wilson tell us that there are opportunities for linguistic features to transfer from one group to another as people often learn the other languages associated with higher or lower castes." (True)
43. Robert Le Page was a _____ sociolinguist. (British)
44. What do the constraints on the outcomes of language contact relate to? (Speaker's attitude, All of the given options, Social factors, Aspect of space)
45. Which languages have been spoken for centuries in Kupwar, India? (Marathi, All of the given options, Hindi, Kannada)

ENG510_Sociolinguistics
Quiz for Mid-Term

46. Identify whether the given statement is true or false. "Language contact occurs when speakers of two or more languages or varieties interact and influence each other" (True)
47. Who was the sociolinguist who first saw the potential for applying the gravity model to the study of sound changes? (Peter Trudgill)
48. On what principles which drive linguistic change has Labov written? (all of the given, culture, Internal, Social)
49. Identify whether the given statement is true or false.
"Diachronic linguistics is the study of language through different periods in history." (False)
50. Diachronic linguistics provides insights into different kinds of language change that takes place at what linguistic level(s)? (Morphological, Syntactic and semantic, Phonetic and Phonemic, All of the given options)
51. Linguistic change is represented graphically as an exponential _____ growth curve. (S-shaped)
52. Keeping in view the worldwide spread of English, the synchronic study of English may involve _____. (spelling differences, vocabulary choices, pronunciation differences, all of the given options)
53. _____ linguistics is the study of a language at a given point in time. (synchronic)
54. A sociolinguistic variable can be defined as a _____ variable that is constrained by social or non-linguistic factors. (linguistic)
55. The term dialect was borrowed in the _____. (Renaissance)
56. The family tree model of language varieties was developed in the _____ century. (Nineteenth)
57. Academic linguistics is likely to arise only in a society with a standard language, such as _____. (The United States, France, All of the given options, Britain)
58. The distinction between 'language' and 'dialect' is an influence of _____ culture. (Greek)
59. What is/ are the more pronounced American regional dialect(s)? (Both of the given options, None of the given options, Southern, Northeastern)
60. A dialect is the language used by the people of a specific _____. (Area, Class, District, All of the given options)
61. What are the steps through which a language passes to become a standard language? (Codification, Selection, All of the given options, Elaboration of function)
62. A chain of adjacent varieties in which each pair of adjacent varieties are mutually intelligible, but pairs taken from opposite ends of the chain are not is called _____. (Dialect Continuum)
63. The unique and individual usage of speech habits encompasses _____. (All of the given options, Grammar, Vocabulary, Pronunciation)
64. A person's linguistic identity comprises of their _____. (Family and friends, Religion, All of the given options, Profession)

ENG510_Sociolinguistics
Quiz for Mid-Term

65. Identify whether the given statement is true or false. "A person's dialect and identity are closely related." (True)
66. Identify whether the given statement is true or false. "Linguistics is a prescriptive rather than a descriptive discipline." (False)
67. An idiolect is the speech habits peculiar to a particular _____. (person)
68. Identify whether the given statement is true or false. "According to the family tree model of language varieties, the isoglosses should intersect." (False)
69. Identify whether the given statement is true or false. "A speaker may be more similar in language to people from the same social group in a different area than to people from a different social group in the same area." (True)
70. A tree diagram of language varieties can show _____. (sub classification)
71. What major language family/ families is/ are recognized by linguists in Papua New Guinea? (None of the given options, Austronesian, Both of the given options, Non-Austronesian)
72. Which language(s) can be used in Scandinavia to communicate by a traveler? (Danish, All of the given options, Norwegian, Swedish)
73. Which of the following is counted as a physical setting? (noisy / quiet, family / formal, All of the given options, public / private)
74. Name the regional language(s) of Balochistan. (Baluchi, All of the given options, Brohi, Pashto)
75. Name the factor(s) which cause language variation. (Nature of participants, All of the given options, Role of participants, Function of speech event)
76. According to a study by Mansoor in 1993, almost how many languages are spoken in Pakistan? (24)
77. The greatest concentration of diversity of languages is found in _____. (Melanesia)
78. Identify whether the given statement is true or false. "Biber's framework of multi-feature analysis of register and genre variation uses a qualitative approach." (False)
79. From what perspective(s) does Biber's framework of multi-feature analysis explore register and genre variation? (Diachronic, Contrastive, Synchronic, All of the given options)
80. What academic discipline(s) was/ were included by Hyland in the comparison of features of genres of meta-discourse in introductory course books and research articles? (Marketing, Applied linguistics, All of the given options, Microbiology)
81. The identification and mapping of boundaries among different varieties on the basis of features in particular regions, towns or villages is called _____ Dialectology. (regional)
82. To what descent(s) did the people in Martha's Vineyard belong whom Labov interviewed? (Native American, Portuguese, All of the given options, Anglo-British)
83. Identify whether the given statement is true or false. "Regional dialectology is by no means a historical exercise." (True)
84. The field of "variationist sociolinguistics" was developed by _____. (William Labov)

ENG510_Sociolinguistics
Quiz for Mid-Term

85. Which of the following is written by Labov? (Sociolinguistic Patterns, The Study of Nonstandard English, **All of the given options**, Principles of Linguistic Change)
86. What academic discipline(s) was/ were included by Hyland in the comparison of features of genres of meta-discourse in introductory course books and research articles? (Marketing, **All of the given options**, Applied linguistics, Microbiology)
87. What regional variety/ varieties of English were used by Kachru to explore the uses of reference across regional varieties of English? (**All of the given options**, Indian, Nigerian, Singaporean)
88. Weinreich was interested in _____. (**All of the given options**, Variation as a linguistic phenomenon, The local social order, Relationship between different linguistic variants)
89. Identify whether the given statement is true or false. "Register is a variety of a language used for a particular purpose or in a particular social setting." (**True**)
90. Identify whether the given statement is true or false. "Register is social variation, contrasted to a dialect that is a functional variation." (**False**)
91. A variety of a language used for a particular purpose or in a particular social setting is called a _____. (**register**)
92. Who criticized the term register as indiscriminately applied to every possible variety of language? (**David Crystal**)
93. Identify whether the given statement is true or false. "Jargon is needed for the precision and efficiency of communication." (**True**)
94. a posteriori, a priori and a quo are examples of _____ jargon. (**none of the given**, legal corporate, computing) [**legal is** the right answer but none of the given is saved in the system]
95. Corporate Jargon is also known as _____. (Workplace jargon, Commercialese, **All of the given options**, Management speak)
96. Identify whether the given statement is true or false. "The dimension of formality is totally independent of the dimension of technicality." (**True**)
97. According to Halliday, how many types of dimensions are there? (**three**)
98. Identify whether the given statement is true or false. "Roughly speaking, your dialect shows who (or what) you are and your register shows what you are doing." (**true**)
99. Identify whether the given statement is true or false. "According to the critical period theory, if learning takes place after puberty, an individual is unlikely to acquire a native-like accent." (**True**)
100. Identify whether the given statement is true or false. "Talking about the weather is a stereotype often associated with speakers of American rather than British English." (**False**)
101. A dialect varies from other dialects of the same language on what level(s) of organization? (Grammar; Vocabulary; Pronunciation; **All of the given options**)
102. In what way a linguistic variation can occur? (**All of the given options**; Phonologically; Syntactically; Lexically)
103. Choose another name for RP - the Standard English pronunciation in England. (Oxford English; **All of the given options**; BBC English; The King's English)

ENG510_Sociolinguistics
Quiz for Mid-Term

104. The association of a language accent with the elite in a society increases that language's _____. (Prestige)
105. From which language(s) has Yule cited examples gradation of style of speech? (All of the given options; Spanish; German; French)
106. Identify whether the given statement is true or false. "According to Yule, the concept of register is typically concerned with variation in language conditioned by users rather than uses." (False)
107. The conventions that are shared by the members of a speech community about their speech variety can be called _____. (Communicative competence)
108. According to whom Spolsky a register is a language variety that is used "in a specific situation" and "particular roles?" (Spolsky)
109. In what way a linguistic variation can occur? (All of the given options; Phonologically; Syntactically; Lexically)
110. When you open your mouth, you must choose a particular language, dialect, style, register, or variety, that is a particular _____. (Code)
111. What biblical story suggests a much older distrust of multilingualism in the Western tradition? (Babel)
112. Identify whether the given statement is true or false. "The neutral term code, taken from information theory, can be used to refer to any kind of system that people employ for communication." (True)
113. If a person may not be able to produce complete or meaningful utterances in another language but can understand as they are produced by others, s/he has _____ bilingualism. (Passive; All of the given options; Incipient; Receptive)
114. What dimension(s) need to be kept in mind relevant to Bilinguality vs Bilingualism include? (Exogeneity; All of the given options; Age of acquisition; Cultural identity)
115. What measuring point is used by Kachru to refer to the continuum of bilingualism? (A zero point; An upper point; A central point; All of the given options)
116. Identify whether the given statement is true or false. "It can be said that the bilingual is more than the sum of two monolinguals." (True)
117. According to whom "If the frequency of an event can be cited as an indication of its normalcy then societal bilingualism is obviously a normal phenomenon"? (Fishman)
118. Who illustrates that a person's bilingualism may be the result of the fact that his/her father and mother speak two different languages? (Yule)
119. In the 1960s, in Kupwar town in India (30,000 population) what language(s) was/ were spoken? (Kannada; Urdu; All of the given options; Marathi)
120. What measuring point is used by Kachru to refer to the continuum of bilingualism? (A zero point; An upper point; A central point; All of the given options)
121. According to Yua within a single communicative exchange the use of more than one language is called code-switching? (Code switching)
122. According to Wardhaugh, how many two types of code-switching are there? (two)

ENG510_Sociolinguistics
Quiz for Mid-Term

123. Who claims that during hybridization, the boundaries of two languages blur but the individual who uses them takes it as a natural single unit? (Thirumalai)
124. Code mixing is a frequent phenomenon in most parts of the world, particularly in _____ countries. (South Asian)
125. Identify whether the given statement is true or false. "Tags may be inserted at a number of points in a monolingual utterance without violating syntactic rules." (True)
126. Identify whether the given statement is true or false. "Tag mixing of Urdu and English in Pakistan is comparatively less frequent than their mixing." (True)
127. For which of the following reason(s) do people mix one language in the other? (Discourse functions; All of the given options; Setting; Speaker)
128. According to Gal, code-switching is a _____ strategy that is used to establish group boundaries and to create interpersonal relationships among individuals. (Conversational)
129. According to Yua within a single communicative exchange the use of more than one language is called code-switching? (Code switching)
130. Who asserts that language mixing is the merging of characteristics of two or more languages in any verbal communication? (Odlin)
131. Identify whether the given statement is true or false. "Language alternation and hybridization can lead to some other related processes such as language desertion." (True)
132. Which of the following is a differing approach to language and gender? (Deficit approach; All of the given options; Dominance approach; Social constructionist approach)
133. In terms of age, human lifespan is commonly divided into how many stages? (Four)
134. Which one of the following is the most researched life stage? (Adolescence)
135. Who asserted that if speech communities are defined solely upon the basis of linguistic criteria, then such a definition is guilty of circularity? (Wardhaugh)
136. Who asserted that most members of our society have some kind of idea, intuitive or otherwise, of what social class is? (Trudgill)
137. The speech community concept has been used within qualitative, ethnographic sociolinguistic studies, influenced by the work of _____. (Hymes)
138. Who criticized Labov's work for excluding non-natives of New York from his sample of speech community? (Matsumoto; Both of the given options; None of the given options; Britain)
139. Who believed that the person who speaks a language cannot be understood apart from larger networks of social relationships? (Bordieu)
140. Who stated that it is through language that a person gains or is denied access to social networks that give learners the opportunity to speak? (Weedon)
141. Identify whether the given statement is true or false. "Wassink and Dyer examined how phonological features in Kingston and Corby were being used as symbols of local pride by the younger generations." (True)
142. Identify whether the given statement is true or false. "According to Labov, style is treated as a result of the amount of attention that speakers pay to their speech." (True)

ENG510_Sociolinguistics
Quiz for Mid-Term

143. Which sociolinguist presented an account of stylistic variation of language based on 'Audience Design framework?' (Bell)
144. What does FTA stand for? (Face Threatening Act)
145. Which of the following is a dimension of power in Sociolinguistics? (Cultural power; Economic power; All of the given options; Political power)
146. Identify whether the given statement is true or false. "Power can either be individual or collective." (False)
147. What kind(s) of dialects relate to the idea of identity in various ways? (None of the given options; Both of the given options; Regional; Social)
148. Who presented the 'Face Theory' which deals with the desire to be liked and not to be imposed? (Brown; Levinson; None of the given options; Both of the given options)
149. What does CLS stand for? (Critical Language Study)
150. Which of the following is a type of power according to Fairclough? (Consent; Both of the given options; Coercion; All of the given options)
151. Which of the following factors influences language choice? (Ethnic identities; Regional identities; Political perspectives; All of the given options)
152. Identify whether the given statement is true or false. "Monolingualism is as much a norm as multilingualism." (False)
153. What does IRF stand for? (Initiation Response Feedback)
154. Which of the following is a characteristic of the standard variety of a language? (Relevance of prestige; Idea of legitimacy; Notion of correctness; All of the given options)
155. Basil Bernstein suggested that so many working-class children were failing in the British educational system because they grew up learning a _____ code. (Restricted)
156. Which of the following languages possesses a standard variety? (French; All of the given options; English; Spanish)
157. What does LPLP stand for? (Language Policy and Language Planning)
158. Which of the following is a sub-division of LPLP? (All of the given options; Status Planning; Corpus Planning; Acquisition Planning)
159. Almost how many languages are spoken in Cameroon? (280)
160. Identify whether the given statement is true or false. "After the division of Korea into North and South Korea in 1945, each nation developed its own language policy." (True)
161. What percentage of the population of the United Kingdom speaks English? (98)
162. Which of the following are common languages spoken in London? (Cantonese and Mandarin; Polish and Punjabi; All of the given options; Bengali and Gujarati)
163. Which King of Korea commissioned the development of a phonetically based script for Korean in the fifteenth century? (Sejong)
164. Almost how many languages are spoken by the U.S. population? (500)
165. Into how many groups the languages of Galim are divided? (Three)
166. Out of 50 states of USA how many have established English as the only official language? (30)

ENG510_Sociolinguistics
Quiz for Mid-Term

167. Identify whether the given statement is true or false. "The relationship between the English and French languages is the central or defining aspect of the Canadian experience." (True)
168. Identify whether the given statement is true or false. "Under the Official Languages Act of 1969, both English and German have official federal status throughout Canada." (False)
169. When new words enter in a language, it is called _____ change. (Lexical)
170. Which of the following is used as an alternative term for language shift? (Language assimilation; Languageeplacement; Language transfer; all of the given options)
171. What brings a speaker to choose variety X of a language A rather than variety Y, or even language A rather than language B? (Choice of topic; Solidarity; All of the given options; Accommodation to listeners)
172. Which of the following factors affect language shift? (Settlement patterns; Extent of exogamous marriage; All of the given options; Ties with the homeland)
173. Identify whether the given statement is true or false. "Maintenance and desertion can be considered as two opposite extremes on the continuum of language change." (True)
174. Identify whether the given statement is true or false. "Today, population death is a bigger cause of language death than language shift." (False)
175. When members of a community attempt to keep the language they have always used it is called language _____. (Maintenance)
176. Identify whether the given statement is true or false. "The more is the number of the total functional roles a language has, the little is the power of the language." (False)
177. Who uses accommodation theory to explain differences in some language choices? (Johnson-Weiner)
178. How many types of language death are there? (three)
179. Identify whether the given statement is true or false. "A pidgin may be what is called a trade language, but not all pidgins are restricted to being used as trade languages." (True)
180. Identify whether the given statement is true or false. "An X based pidgin is only a bad X." (False)
181. The process whereby a pidgin turns into a creole is called _____. (Creolization)
182. Which country's national language is forbidden in its schools? (Vanuatu)
183. Which form of English in the United States is a variety in the late stages of decreolization? (Black)
184. Identify whether the given statement is true or false. "Creolization and decreolization cannot be coexistent." (False)
185. The idea that pidgins and creoles are to be derived from a single common ancestor is called _____ hypothesis. (Monogenetic)
186. This happens when a creole is spoken in a country where other people speak the creole's lexical source-language it is called _____. (Decreolization)
187. Who is called the father of creole studies? (Schuchardt)
188. The 1983 constitution declared both Haitian Creole and _____ to be Haiti's national languages. (French)
