

# ENG505

**Quiz for Mid-Term**

## ABSTRACT

*This comprehensive collection of notes is accurately crafted to empower students to excel academically, ensuring they achieve a minimum of 80% marks in their examinations. The content is organized with clarity and precision, focusing on key concepts, critical analyses, and practical applications tailored to the syllabus. These notes serve as a reliable resource for both thorough preparation and last-minute revision. Designed to inspire confidence and mastery, this guide is an essential tool for students striving for academic excellence.*

**Maha Malik**

Language Learning Theories

ENG505\_Language Learning Theories  
Quiz for Mid-Term

# Quiz from Mid-Term Papers

1. 1. Acquisition process is considered effortless assimilation of \_\_\_\_\_ knowledge because of its sub-consciousness. (linguistic)
2. 2. The theory of Universal Grammar proposed by \_\_\_\_\_. (Noam Chomsky)
3. 3. According to Chomsky UG is also known as \_\_\_\_\_. (mental grammar)
4. 4. Researchers vary in terms of design, procedure and approach; Anthony's framework emphasized '\_\_\_\_\_. (Approach)
5. 5. Krashen's hypotheses only concerned with \_\_\_\_\_ process. (acquisition)
6. 6. The famous concept of Zone of Proximal Development (ZPD) introduced by \_\_\_\_\_. (Lev Vygotsky)
7. 7. Constructivism has two branches, Cognitive and \_\_\_\_\_. (Social)
8. Jean Piaget's Constructivism theory relies greatly on schemes, processes of assimilation, and \_\_\_\_\_. (accommodation)
9. 9. The key component of usage-based theory focuses on \_\_\_\_\_. (meaning in use for language learning)
10. proposed Theory of Scaffolding in 1976. (Jerome S. Bruner)
11. 11. Law of effect holds that behaviors are modified by their \_\_\_\_\_. (consequences)
12. 12. It is the \_\_\_\_\_ of human that is responsible for learning and developing a language. (innate ability)
13. 13. CLT is based on theory that is primarily function of language use is \_\_\_\_\_. (communication)
14. 14. Vygotsky theory focuses on the importance of \_\_\_\_\_ to shape and develop an individual. (society and culture)
15. Which of the following BLC domain is difficult to attain by late L2 learners? [a) Pronunciation. b) Vocabulary c) Grammar d) All of these]
16. Which of the following hypothesis refers to the idea of comprehensible input? [a) Natural-order. b) Acquisition learning c) input]
17. Which of the following feature is true about language acquisition? [a) Rule discovery b) Inductive coaching c) Learner centeredness d) All of these]
18. Which of the following factors highest level blocks the penetration of comprehensible input to LAD? [a) Anxiety. b) Motivation c) Self-confidence d) None of these]
19. 19. In linguistic terms, a \_\_\_\_\_ speaker is someone who has acquired BLC and who may have acquired some or many features of HLC. (native)

**ENG505\_Language Learning Theories**  
**Quiz for Mid-Term**

- 20.20. The \_\_\_\_\_ School of thought derived its concepts from the Generative Grammar. **(Generative)**
- 21.21. John Dewey, father of experiential education (1930) has been generally recognized as the most renowned and influential \_\_\_\_\_ philosopher of education. **(American)**
- 22.22. Albert Bandura is known as the \_\_\_\_\_ most influential psychologist in twentieth century. [Fourth; Fifth; **Second**; Sixth]
23. Which are the basic components of Piaget's cognitive Theory [a) Assimilation b) Accommodation c) Equilibrium **d) All of these**]
24. Robert Gagne (1916 – 2002), an educational psychologist, introduced nine levels of learning events, and is widely encouraged for language teachers to specifically design activities for developing the cognitive skills of their students. Which is not a level of learning by Robert Gagne? [a) Gain attention b) Inform of objectives c) Provide learning guideline **d) None of these**]
25. Which is not an example of behaviorism? [a) Establishing rules **b) Punishment** c) Drill/role work d) None of these]
26. Which is not an external factor? [a) Curriculum b) Instructions c) **Experience**. d) Motivation]

**Credit: ZAINEE**

1. Acquisition process is considered effortless assimilation of **linguistic** knowledge because of its sub-consciousness.
2. The theory of Universal Grammar proposed by **Noam Chomsky**.
3. According to Chomsky UG is also known as **mental grammar**.
4. Researchers vary in terms of design, procedure and approach; Anthony's framework emphasized **Approach**.
5. Krashen's hypotheses only concerned with **acquisition** process.
6. The famous concept of Zone of Proximal Development (ZPD) introduced by **Lev Vygotsky**.
7. Constructivism has two branches, Cognitive and **Social**.
8. Jean Piaget's Constructivism theory relies greatly on schemes, processes of assimilation, and **accommodation**.
9. The key component of usage-based theory focuses on **meaning in use for language learning**.
10. **Jerome S. Bruner** proposed Theory of Scaffolding in 1976.
11. Law of effect holds that behaviors are modified by their **consequences**.
12. It is the **innate ability** of human that is responsible for learning and developing a language.
13. CLT is based on theory that its primary function of language use is **communication**.
14. Vygotsky theory focuses on the importance of **society and culture** to shape and develop an individual.
15. Which of the following BLC domain is difficult to attain by late L2 learners? **(Pronunciation)**
16. Which of the following hypothesis refers to the idea of comprehensible input? **(Natural-order)**

**ENG505\_Language Learning Theories**  
**Quiz for Mid-Term**

17. Which of the following feature is true about language acquisition? [a) Rule discovery b) Inductive coaching c) Learner centeredness d) All of these]
18. Which of the following factors highest level blocks the penetration of comprehensible input to LAD? (Anxiety)
19. In linguistic terms, a native speaker is someone who has acquired BLC and who may have acquired some or many features of HLC.
20. The Generative School of thought derived its concepts from the Generative Grammar.
21. John Dewey, father of experiential education (1930) has been generally recognized as the most renowned and influential American philosopher of education.
22. Albert Bandura is known as the----most influential psychologist in twentieth century. (Second)
23. Which are the basic components of Piaget's cognitive Theory [a) Assimilation b) Accommodation c) Equilibrium d) All of these]
24. Robert Gagne (1916 – 2002), an educational psychologist, introduced nine levels of learning events, and is widely encouraged for language teachers to specifically design activities for developing the cognitive skills of their students. Which is not a level of learning by Robert Gagne? [a) Gain attention b) Inform of objectives c) Provide learning guideline d) None of these.]
25. Which is not an example of behaviorism? [a) Establishing rules b) Punishment c) Drill/role work d) None of these]
26. Which is not an external factor? a) Curriculum b) Instructions c) Experience. d) Motivation

## Quizzes from Assessments

1. In Krashen's Monitor Theory, acquisition and learning develop \_\_\_\_\_ in language learning. (competence)
2. Cognitive process concentrates on \_\_\_\_\_. (mental process)
3. What type of symbols are present in a language system? (Arbitrary)
4. B.F. Skinner is a \_\_\_\_\_. (behaviourist)
5. Universal Grammar refers to the mentalist approach that supports \_\_\_\_\_ and \_\_\_\_\_. (nativism and cognitivism)

**ENG505\_Language Learning Theories**  
**Quiz for Mid-Term**

6. .... proposed a 'three-level framework' (1965) based on 'Approach, Methods, and Techniques.' (Edward Anthony)
7. ....of language deals with the understanding of the structurally related elements in a language. (Structural principal)
8. Silent Way emphasizes problem solving by involving the .....material. (target language)
9. Total Physical Response emphasizes instant understanding of the target language by responding to the .....given in the target language. (command)
- 10.The term "technique" is a broader term for specific ..... . (tasks)
- 11.What does LAD stand for? (Language Acquisition Device)
- 12.Learning belongs to behaviourist approach and deals with a mechanical process of .....formation. (habit)
- 13.Chomsky refers to competence as a system of rules mastered, and the ability to produce ..... number of sentences. (infinite)
- 14.Performance is 'the actual use of language in .....situations.' (concrete)
- 15.Inductive Learning begins with .....first and requires learners to determine rules relevant to the examples. (examples)
- 16.The behaviourist movement began with John Watson in ..... . (1913)
- 17.Russian ....., Ivan Pavlov, is the founder of 'Pavlovian Conditioning'. (physiologist)
- 18.Temporal Congruity occurs when two .....are experienced close together in time and, as a result, an association may be formed. (stimuli)
- 19.Classical Conditioning supports the habit formation and opposes the idea of ..... as responsible factors for learning. (consciousness)
- 20.Reinforcement or punishment determines the ..... . (behavior)
- 21.He introduced the theory of Verbal Behaviour in ..... . (1957)
- 22.Skinner identified following three types of responses that can follow behaviour: ....., ....., ..... . (neutral, reinforcer, punisher)
- 23.The 'Mediation Theory' was introduced by ..... . (Charles Osgood)
- 24.'Law of Effect' was introduced by ..... . (Edward Thorndike)
- 25.Law of Exercise: (a) the law of use and (b) the law of ..... . (disuse)
- 26.Immanuel Kant was a ..... philosopher. (German)
- 27.Rene Descartes, a French philosopher, mathematician and scientist, and father of .....philosophy. (modern)
- 28.Chomsky's (1965) idea of ..... has been a hallmark of language learning mechanism. (innateness)
- 29.The Lenneberg theory is known as ..... . (Critical Period Hypothesis)
- 30.Competence is a native speaker's ..... of his/her language, system of rules mastered, and the ability to understand and produce infinite number of sentences. (knowledge)

**ENG505\_Language Learning Theories**  
**Quiz for Mid-Term**

31. Robert Gagne (1916 – 2002), an educational psychologist, introduced \_\_\_\_\_ levels of learning events. (events)
32. Three-Stage Information Processing Model \_\_\_\_\_, short-term memory, long-term memory. (sensory register)
33. Vygotsky believed that language is one of the most important psychological tools that effects children's \_\_\_\_\_ development. (cognitive)
34. Green (2003) states that information processing approach involves three basic steps: encoding, storage, and \_\_\_\_\_. (retrieval)
35. Vygotsky's Socio Cultural Theory (1896-1934): is based on the \_\_\_\_\_ analysis, the role of language, and the social relation. (developmental)
36. Newell and Simon (1972) proposed \_\_\_\_\_ for problem solving. (Information Processing System)
37. Connectionist models, cover a wide range of domains, are related to language processing and cognitive \_\_\_\_\_. (control)
38. Connectionism suggests that cognitive phenomena can be explained with respect to a set of general information-processing principles, known as Parallel Distributed Processing. (True)
39. The Associative-Cognitive CREED Theory in SLA was introduced by \_\_\_\_\_. (Nick Ellis)
40. PDP models are neutrally inspired information processing models to explain the ways of information processing which actually takes place in the \_\_\_\_\_. (brain)
41. Sir Frederick Bartlett proposed the theory of \_\_\_\_\_. (Reconstructive Memory and Schema)
42. Assimilation and \_\_\_\_\_ also contribute in the thinking processes. (accommodation)
43. John Dewey, father of experiential education (1930) has not been generally recognized as the most renowned and influential American philosopher of education. (False)
44. Vygotsky has been the key figure who supported Constructivism and introduced his famous theory of \_\_\_\_\_. (Zone of Proximal Development)
45. According to Jonassen and Land (2002), context, construction and collaboration are the basis of the constructivist learning. (True)
46. Jerome Bruner emphasized the concepts of involving learners in the cognitive as well as the constructive processes for meaningful learning. (True)
47. Bruner explains that a learner must be encouraged to 'learn to make a leap,' and explore 'possibility.' Instead of being a \_\_\_\_\_ receiver. (passive)
48. Symbolic representation is the use of words and other symbols to describe \_\_\_\_\_. (experiences)
49. Piaget emphasized the stages of \_\_\_\_\_ development as foundation of acquisition of cognitive content. (intellectual)

**ENG505\_Language Learning Theories**  
**Quiz for Mid-Term**

50. According to Piaget, “What remains is construction as such, and one sees no ground why it should be unreasonable to think it is ultimate nature of reality to be in continual construction instead of consisting of an accumulation of ready-made structures”. (True)
51. Metacognition takes into account; thinking of \_\_\_\_\_ order by involving processes of learning task, monitoring comprehension, and evaluating progress of task completion. (higher)
52. David Ausubel (an American Psychologist) proposed \_\_\_\_\_. (Subsumption Theory)
53. Bandura’s \_\_\_\_\_ enables learners to develop the understanding of one’s capabilities and the factors responsible for it. (Self efficacy theory)
54. The role of the instructor is to bridge the gap between what’s already known and what is about to be learned. (True)
55. Albert Bandura did not introduce Social Cognitive Theory. (False)
56. The concept of Natural Approach was developed by one of Krashen’s associates, \_\_\_\_\_. (Tracy Terrell)
57. The teachers are never expected to provide learners with comprehensible input and stimulating activities for the meaningful learning. (False)
58. The \_\_\_\_\_ of the hypothesis are: Age, Personality, Motivation (intrinsic), Experience, Cognition, and Native Language. (internal factors)
59. The \_\_\_\_\_ include: Culture and status, Motivation (extrinsic), Access to native Speaker, Curriculum and Instructions. (external factors)
60. Stephen Krashen, a linguist and professor emeritus at University of Southern California, is known for his theories of language acquisition and development. (True)
61. The natural order hypothesis refers to the notion that there is a natural order of acquisition process. (True)
62. Krashen’s theory of Input Hypothesis advocates that the acquisition of second language is highly dependent on the learner’s comprehension of the \_\_\_\_\_. (input)
63. Language acquisition refers to \_\_\_\_\_ learning and involves intuition. (subconscious)
64. Krashen was the first one to establish the distinction between acquisition and \_\_\_\_\_. (learning)
65. McLaughlin (1987, p. 56) argued that Krashen’s term is full of precision and clarity. (True)
66. Krashen and Terrell’s Natural Approach paved the way for the emergence of \_\_\_\_\_ approach. (Communicative Language Teaching (CLT))
67. Communicative Language Teaching (CLT) focuses more on developing fluency while \_\_\_\_\_ is neglected. (accuracy)
68. Dell Hymes supported CLT by proposing that for effective development of communicative (True)
69. Krashen’s Monitor Hypothesis claims that the conscious language learning monitors the \_\_\_\_\_. (output)

**ENG505\_Language Learning Theories**  
**Quiz for Mid-Term**

70. Monitor hypothesis is also divided into \_\_\_\_\_ types of ways. (3)
71. Elinor Ochs and Bambi Schieffelin proposed that language acquisition and \_\_\_\_\_.  
(culture acquisition)
72. Inspired by the works of Vygotsky and Dewey, Jean Lave and Etienne Wenger introduced the theory of Situated Learning as an instructional approach in the early \_\_\_\_\_s (1990)
73. Acculturation Model was introduced by \_\_\_\_\_. (John Schumann)
74. M.A.K. Halliday, a British linguist, developed the concept of Systemic Functional linguistics in 1950. (False)
75. The famous concept of Zone of Proximal Development (ZPD) introduced by Vygotsky forms the basis of socio-cultural \_\_\_\_\_. (theory)
76. Hulstijn explained that cognitive abilities and environmental factors can be viewed as distinguishing elements of language learners in HLC. (True)
77. Berman (2007) and Nippold (2006) did not find 'large increases in vocabulary (including metaphors, idioms and proverbs) and development at a more modest pace in syntax, pragmatics, and narrative skills during the years of primary and secondary education.' (False)
78. According to the definition, Native Speaker is the one who acquires the language as a young child and maintains it into adulthood. (True)
79. The term native speaker differs in the contexts of HLC and BLC. (True)
80. The core linguistic excludes cognition: phonetic-phonological, morphonological, morpho-syntactic, and lexical domains of linguistic knowledge. (False)
81. Generativists derive their concepts from the assumption that it was impossible for a child to acquire the rules of their grammar through behaviourism. (True)
82. In Universal Grammar approach, the role of input is not underdetermined because of 'poverty of the stimulus' with lack of negative evidence (ungrammatical sentences). In usage-based approach, all linguistic structures emerge from generalization of the input through induction. (False)
83. So, \_\_\_\_\_ is what children must do to determine the goals or intentions of mature speakers when they use linguistic conventions to achieve social ends. ('Intention-reading')
84. Generative Grammar theory of Chomsky focuses on the study of \_\_\_\_\_.  
(syntax)
85. 'Pattern- finding' is what children must do in order to extract \_\_\_\_\_  
linguistic schemas. (abstract)
86. \_\_\_\_\_ characteristics of communicative competence proposed by Savignon. (5)
87. John Munby's (1978, pp. 22-27) approach to Communicative Competence has the following points: a. Competence and Community; b. Contextual Appropriacy c. \_\_\_\_\_.  
(Communication Needs)
88. Strategic Competence is another aspect of Language Competence proposed by Bachman. (True)
89. Lado's (1961, pp. 25 – 29) model of language proficiency focuses on the intersections among five language 'elements'. (False)

**ENG505\_Language Learning Theories**  
**Quiz for Mid-Term**

90. Dell Hymes (1972) defined communicative competence as the ability to use grammatical competence in a variety of communicative situations based on \_\_\_\_\_ competence. (grammatical)
91. Kramsch and Whiteside (2008) defined Symbolic Competence as the ability to position oneself as a \_\_\_\_\_ subject, to understand the cultural memories evoked by symbolic systems. (multilingual)
92. Celce-Murcia et al. (1995, p. 4) \_\_\_\_\_ Bachman's model of CLA and advocated that a model to deal with CLT was needed. (criticized)
93. Celce-Murcia's revised model of communicative competence proposed \_\_\_\_\_ types of competencies. (6)
94. The initial Canale and Swain's model of Communicative Competence was developed in 1980. (True)
95. Kramsch believes that there are \_\_\_\_\_ dimensions of language. (3)

| <input type="radio"/>            | subjective     |
| <input type="radio"/>            | elaborated     |
| <input checked="" type="radio"/> | generalization |

According to Brown's taxonomy, which of the following techniques is a semi-controlled technique?

Select the correct option

|                                  |               |
|----------------------------------|---------------|
| <input checked="" type="radio"/> | Brainstorming |
| <input type="radio"/>            | Dictation     |
| <input type="radio"/>            | Role play     |
| <input type="radio"/>            | Games         |

Question # 7 of 10 ( Start time: 05:19:38 PM, 16 May 2019 )

Schollon (2004) defines language as a \_\_\_\_\_ phenomenon.

Select the correct option

|                       |                       |
|-----------------------|-----------------------|
| <input type="radio"/> | multiple              |
| <input type="radio"/> | complex               |
| <input type="radio"/> | kaleidoscopic         |
| <input type="radio"/> | all the given options |

correct answer

MC190200810: KASHIF RAZAQ

ENG505: Quiz No. 1

Question # 3 of 10 ( Start time: 05:15:26 PM, 16 May 2019 )

Which of the following theories focuses on the use of scaffolding, providing feedback, correcting errors and encouraging the language learners to speak?

Select the correct option

|                       |                |
|-----------------------|----------------|
| <input type="radio"/> | Behaviouristic |
| <input type="radio"/> | Cognitive      |
| <input type="radio"/> | Conversation   |
| <input type="radio"/> | Acculturation  |

correct answer

Question # 6 of 10 ( Start time: 06:15:22 PM, 16 May 2019 )

Which of the following approaches rests on the idea that knowledge and understanding are constructed by the individual?

Select the correct option

|                       |                |
|-----------------------|----------------|
| <input type="radio"/> | Behaviourism   |
| <input type="radio"/> | Cognitivism    |
| <input type="radio"/> | Constructivism |
| <input type="radio"/> | Nativism       |

correct answer

Question # 3 of 10 ( Start time: 06:14:08 PM, 16 May 2019 )

In SLA, there is a belief that children as L2 learners are \_\_\_\_\_ to adults.

Select the correct option

- |                       |          |
|-----------------------|----------|
| <input type="radio"/> | superior |
| <input type="radio"/> | inferior |
| <input type="radio"/> | equal    |
| <input type="radio"/> | closer   |
- correct answer

Question # 10 of 10 ( Start time: 05:49:24 PM, 16 May 2019 )

Q4. One of the threats to logical and illogical comparisons in SLA is \_\_\_\_\_

Select the correct option

|                       |                     |
|-----------------------|---------------------|
| <input type="radio"/> | overt manifestation |
| <input type="radio"/> | over simplification |
| <input type="radio"/> | covert learning     |
| <input type="radio"/> | age factor          |

correct answer

Which of the following theories focuses on the use of scaffolding, providing feedback, correcting errors and encouraging the language learners to speak?

Select the correct option

|                       |                |
|-----------------------|----------------|
| <input type="radio"/> | Behaviouristic |
| <input type="radio"/> | Cognitive      |
| <input type="radio"/> | Conversation   |
| <input type="radio"/> | Acculturation  |

correct answer

Which of the following approaches rests on the idea that knowledge and understanding are constructed by the individual?

Select the correct option

- |                       |                |
|-----------------------|----------------|
| <input type="radio"/> | Behaviourism   |
| <input type="radio"/> | Cognitivism    |
| <input type="radio"/> | Constructivism |
| <input type="radio"/> | Nativism       |

correct answer

Which of the following methods is based on behavioral psychology?

Select the correct option

Communicative Language Teaching

Grammar Translation

Audio-lingual

correct answer

Silent Way

Skinner's theory of verbal behavior is a/an \_\_\_\_\_ of his general theory of learning Operant Conditioning (1938).

Select the correct option

branch

extension

way

kind

correct answer

Question # 10 of 10 ( Start time: 03:52:45 PM, 16 May 2019 )

Law of Effect holds that behaviors are modified by their \_\_\_\_\_.

Select the correct option

|                                  |                           |
|----------------------------------|---------------------------|
| <input checked="" type="radio"/> | consequences              |
| <input type="radio"/>            | starting points           |
| <input type="radio"/>            | end points                |
| <input type="radio"/>            | none of the given options |

correct answer

The focus of Universal Grammar (UG) is usually on \_\_\_\_\_.

Select the correct option

|                       |                           |                |
|-----------------------|---------------------------|----------------|
| <input type="radio"/> | native language           | correct answer |
| <input type="radio"/> | L2                        |                |
| <input type="radio"/> | Both of the given options |                |
| <input type="radio"/> | None of the given options |                |

Acquisition process in language implies some type of subconscious and effortless assimilation of \_\_\_\_\_ knowledge.

Select the correct option

|                       |               |
|-----------------------|---------------|
| <input type="radio"/> | linguistic    |
| <input type="radio"/> | behavioristic |
| <input type="radio"/> | competence    |
| <input type="radio"/> | performance   |

correct answer

Question # 10 of 10 ( Start time: 05:34:57 PM, 16 May 2019 )

Reciprocal Determinism is based on Cognitive, Environmental and Behavioral factors which form the basis of Social \_\_\_\_\_ Theory.

▶ Select the correct option

|                       |             |
|-----------------------|-------------|
| <input type="radio"/> | learning    |
| <input type="radio"/> | acquisition |
| <input type="radio"/> | teaching    |
| <input type="radio"/> | response    |

correct answer

There are \_\_\_\_ types of responses or Operant identified by Skinner that can follow behavior.

Select the correct option

- |                                  |       |
|----------------------------------|-------|
| <input type="radio"/>            | two   |
| <input checked="" type="radio"/> | three |
| <input type="radio"/>            | four  |
| <input type="radio"/>            | six   |
- correct answer

Question # 3 of 10 ( Start timer: 10:00:00 PM, 10:00:00 PM )

According to Chomsky \_\_\_\_\_ is the actual use of language in concrete situations.

Select the correct option

- |                                  |             |                |
|----------------------------------|-------------|----------------|
| <input checked="" type="radio"/> | performance | correct answer |
| <input type="radio"/>            | competence  |                |
| <input type="radio"/>            | motivation  |                |
| <input type="radio"/>            | learning    |                |

There are \_\_\_\_\_ basic types of reinforcements in Behaviorism.

Select the correct option

|                                  |       |
|----------------------------------|-------|
| <input type="radio"/>            | two   |
| <input checked="" type="radio"/> | four  |
| <input type="radio"/>            | five  |
| <input type="radio"/>            | seven |

correct answer

Question # 7 of 10 ( Start time: 06:16:46 PM, 16 May 2019 )

Immanuel Kant was a \_\_\_\_\_ philosopher.

Select the correct option

|                       |                           |
|-----------------------|---------------------------|
| <input type="radio"/> | German                    |
| <input type="radio"/> | Greek                     |
| <input type="radio"/> | French                    |
| <input type="radio"/> | None of the given options |

correct answer

Question # 7 of 10 ( Start time: 08:20:28 PM, 16 May 2019 )

Behaviorism refers to a psychological approach which emphasizes scientific and objective \_\_\_\_\_

Select the correct option

|                       |            |
|-----------------------|------------|
| <input type="radio"/> | teachings  |
| <input type="radio"/> | methods    |
| <input type="radio"/> | analysis   |
| <input type="radio"/> | techniques |

correct answer

Question # 2 of 10 ( Start time: 10:56:35 PM, 16 May 2019 )

The principles of UG are \_\_\_\_\_ and apply to all human languages.

Select the correct option

|                       |                |
|-----------------------|----------------|
| <input type="radio"/> | local          |
| <input type="radio"/> | universal      |
| <input type="radio"/> | in-depth       |
| <input type="radio"/> | to the surface |

correct answer

Question # 9 of 10 ( Start time: 10:59:00 PM, 16 May 2019 )

Which of the following views of language perceives it as a tool to accomplish a certain function?

Select the correct option

|                                  |             |
|----------------------------------|-------------|
| <input type="radio"/>            | Structural  |
| <input checked="" type="radio"/> | Functional  |
| <input type="radio"/>            | Interactive |
| <input type="radio"/>            | All of them |

correct answer

Question # 1 of 10 ( Start time: 10:50:11 PM, 16 May 2019 )

There are \_\_\_\_\_ meditational processes proposed by Bandura

Select the correct option

three

four

five

beyond

correct answer

Question # 4 of 10 ( Start time: 08:36:59 PM, 13 November 2018 )

Bandura suggests most of the human behavior is learned by\_\_\_\_\_.

Select the correct option

|                       |             |
|-----------------------|-------------|
| <input type="radio"/> | analysis    |
| <input type="radio"/> | seeking     |
| <input type="radio"/> | observation |
| <input type="radio"/> | acquisition |

correct answer

Question # 3 of 10 ( Start time: 08:36:29 PM, 13 November 2018 )

Process of language acquisition is common in all languages as it involves \_\_\_\_\_ and behavior.

Select the correct option

|                       |                       |
|-----------------------|-----------------------|
| <input type="radio"/> | emotion               |
| <input type="radio"/> | cognition             |
| <input type="radio"/> | information           |
| <input type="radio"/> | all the given options |

correct answer not sure

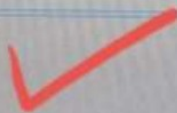

ENG505: Quiz No. 2

Question # 4 of 10 ( **Start time: 10:17:18 AM, 29 May 2019** )

Language acquisition means.

Select the correct option

- |                       |                             |
|-----------------------|-----------------------------|
| <input type="radio"/> | Subconscious learning       |
| <input type="radio"/> | Intuitive learning          |
| <input type="radio"/> | Learner is an active player |
| <input type="radio"/> | All of the given options    |

ENG505:Quiz No. 2

Question # 7 of 10 ( Start time: 10:34:40 AM, 29 May 2019 )

Systemic linguists claim that the language use is \_\_\_\_\_.

Select the correct option

- |                                  |            |
|----------------------------------|------------|
| <input type="radio"/>            | cognitive  |
| <input checked="" type="radio"/> | functional |
| <input type="radio"/>            | social     |
| <input type="radio"/>            | cultural   |

ENG504:Quiz No. 2

Question # 1 of 10 ( Start time: 10:17:35 PM, 28 May 2019 )

When second language learner seems unable to get rid of non-native-like structure despite abundant linguistic input over many years, it is called \_\_\_\_\_

Select the correct option

- |                                  |                           |
|----------------------------------|---------------------------|
| <input type="radio"/>            | aphasia                   |
| <input checked="" type="radio"/> | fossilization             |
| <input type="radio"/>            | dyslexia                  |
| <input type="radio"/>            | none of the given options |

ENG505: Quiz No. 2

Question # 5 of 10 ( Start time: 10:18:38 AM, 29 May 2019 )

According to Krashen, language acquisition does NOT require \_\_\_\_\_.

Select the correct option

☐ low anxiety situations

☒ drills of grammatical rules

☐ comprehensible input

☐ meaningful interaction

ENG504:Quiz No. 2

Question # 2 of 10 ( Start time: 10:17:59 PM, 28 May 2019 )

Some functional studies adopted a 'patch' approach, studying \_\_\_\_\_ of forms or development of SL within 'time' or 'space' domain.

Select the correct option

- |                                  |            |
|----------------------------------|------------|
| <input checked="" type="radio"/> | evolution  |
| <input type="radio"/>            | evocation  |
| <input type="radio"/>            | revolution |
| <input type="radio"/>            | solution   |

ENG505: Quiz No. 2

Question # 1 of 10 ( Start time: 10:13:36 AM, 29 May 2019 )

Acculturation model proposes \_\_\_\_\_ with the L2 community as the prime requisite of L2 acquisition.

▶ Select the correct option

|                                  |                |
|----------------------------------|----------------|
| <input checked="" type="radio"/> | identification |
| <input type="radio"/>            | insignificance |
| <input type="radio"/>            | isolation      |
| <input type="radio"/>            | defiance       |

ENG505: Quiz No. 2

Question # 6 of 10 ( Start time: 10:19:45 AM, 29 May 2019 )

Who introduced acculturation model?

Select the correct option

- |                       |                  |
|-----------------------|------------------|
| <input type="radio"/> | Jerome Bruner    |
| <input type="radio"/> | Lev Vygotsky     |
| <input type="radio"/> | M.A.K Halliday   |
| <input type="radio"/> | John H. Schumann |
- 

ENG505: Quiz No. 2

Question # 8 of 10 ( Start time: 10:35:15 AM, 29 May 2019 )

CLT is based on the theory that the primary function of language use is \_\_\_\_\_.

Select the correct option

|                                  |               |
|----------------------------------|---------------|
| <input checked="" type="radio"/> | communication |
| <input type="radio"/>            | comprehension |
| <input type="radio"/>            | semiotic      |
| <input type="radio"/>            | semogenic     |

4G505: Quiz No. 2

Question # 10 of 10 ( Start time: 10:24:15 AM, 29 May 2019 )

Which model claims that the successful SLA depends on how much contact the L2 learner has with L2 speaker?

Select the correct option

- |                       |                     |
|-----------------------|---------------------|
| <input type="radio"/> | Dell's Model        |
| <input type="radio"/> | Levitt's Model      |
| <input type="radio"/> | Garrett's Model     |
| <input type="radio"/> | Acculturation Model |

ENG505: Quiz No. 2

Question # 3 of 10 ( Start time: 10:29:58 AM, 29 May 2019 )

Stem (1992) points out that CLT has become more successful in \_\_\_\_\_ settings.

Select the correct option

- ☐ EFL
- ☒ ESL
- ☐ EIL
- ☐ ELF

ENG505: Quiz No. 2

Question # 5 of 10 ( Start time: 10:31:55 AM, 29 May 2019 )

What is the role of conscious language learning monitor on the output?

Select the correct option

- |                       |                                    |
|-----------------------|------------------------------------|
| <input type="radio"/> | Increases number of errors         |
| <input type="radio"/> | Improves output with lesser errors |
| <input type="radio"/> | Improves comprehensible input      |
| <input type="radio"/> | All of the given options           |
- 

ENG505:Quiz No. 2

Question # 5 of 10 ( Start time: 10:10:48 AM, 29 May 2019 )

Which of the following factors' highest level blocks the penetration of comprehensible input to LAD?

Select the correct option

|                       |                          |
|-----------------------|--------------------------|
| <input type="radio"/> | Anxiety                  |
| <input type="radio"/> | Motivation               |
| <input type="radio"/> | Self-confidence          |
| <input type="radio"/> | All of the given options |

Question # 6 of 10 ( Start time: 10:11:25 AM, 29 May 2019 )

Which of the following features is TRUE for language acquisition process?

Select the correct option

- |                       |                          |
|-----------------------|--------------------------|
| <input type="radio"/> | Inductive coaching       |
| <input type="radio"/> | Rule discovery           |
| <input type="radio"/> | Learner centeredness     |
| <input type="radio"/> | All of the given options |
- 

Question # 7 of 10 ( Start time: 10:12:45 AM, 29 May 2019 )

Schumann's model does not provide insights to the \_\_\_\_\_ processes responsible for language acquisition.

Select the correct option

- |                       |               |
|-----------------------|---------------|
| <input type="radio"/> | internal      |
| <input type="radio"/> | external      |
| <input type="radio"/> | social        |
| <input type="radio"/> | psychological |

Question # 10 of 10 ( Start time: 10:15:47 AM, 29 May 2019 )

Which of the following features is NOT true for language acquisition as per Krashen's hypothesis?

Select the correct option

- |                                  |                                     |
|----------------------------------|-------------------------------------|
| <input type="radio"/>            | Meaningful interaction              |
| <input checked="" type="radio"/> | Focus on form                       |
| <input type="radio"/>            | Priority to the spoken language     |
| <input type="radio"/>            | Produces the ability to communicate |

22 AM, 29 May 2019)

Vygotsky's theory focuses on the importance of \_\_\_\_\_ to shape and develop an individual.

Select the correct option

- |                       |                           |
|-----------------------|---------------------------|
| <input type="radio"/> | individual attention      |
| <input type="radio"/> | psychological development |
| <input type="radio"/> | intellectual adaptation   |
| <input type="radio"/> | society and culture       |

(Exam time: 11:56:55 AM, 29 May 2019 )  
Comprehensible input is \_\_\_\_\_ the current level of competence of the language learner.

▶ Select the correct option

|                                  |                    |
|----------------------------------|--------------------|
| <input type="radio"/>            | equivalent to      |
| <input type="radio"/>            | slightly less than |
| <input checked="" type="radio"/> | slightly beyond    |
| <input type="radio"/>            | much advanced than |

Question # 1 of 10 ( Start time: 04:28:56 PM, 29 May 2019 )

Natural Approach of second language acquisition was developed by \_\_\_\_\_.

Select the correct option

- |                                  |               |
|----------------------------------|---------------|
| <input type="radio"/>            | Chomsky       |
| <input type="radio"/>            | B. F. Skinner |
| <input checked="" type="radio"/> | Terrell       |
| <input type="radio"/>            | David Ausubel |

Select the correct option

☐ Meaningful interaction

☐ Comprehensible input

correct answer

☐ Low anxiety situations

☐ All of the given options

Question # 2 of 10 ( Start time: 12:00:51 PM, 30 May 2019 )

Which of the following techniques helps to explore and develop the learner's zone of proximal development?

Select the correct option

|                                  |                          |
|----------------------------------|--------------------------|
| <input type="radio"/>            | Scaffolding              |
| <input type="radio"/>            | Modeling                 |
| <input type="radio"/>            | Collaborative learning   |
| <input checked="" type="radio"/> | All of the given options |

correct answer

Acculturation model proposes \_\_\_\_\_ with the L2 community as the prime requisite of L2 acquisition.

Select the correct option

|                                  |                |                |
|----------------------------------|----------------|----------------|
| <input checked="" type="radio"/> | identification | correct answer |
| <input type="radio"/>            | insignificance |                |
| <input type="radio"/>            | isolation      |                |
| <input type="radio"/>            | defiance       |                |

Which of the following options truly presents criticism on CLT?

Select the correct option

|                                  |                                                                        |
|----------------------------------|------------------------------------------------------------------------|
| <input type="radio"/>            | Cultural differences can obstruct the CLT practices.                   |
| <input type="radio"/>            | Functional/notional syllabus of CLT is very demanding on learners.     |
| <input type="radio"/>            | Teachers feel overburdened to satisfy the needs/interests of learners. |
| <input checked="" type="radio"/> | All of the given options                                               |

correct answer

Language acquisition means:

Select the correct option

|                       |                             |
|-----------------------|-----------------------------|
| <input type="radio"/> | Subconscious learning       |
| <input type="radio"/> | Intuitive learning          |
| <input type="radio"/> | Learner is an active player |
| <input type="radio"/> | All of the given options    |

correct answer

Schumann's model does not provide insights to the \_\_\_\_\_ processes responsible for language acquisition.

Select the correct option

|                       |               |                |
|-----------------------|---------------|----------------|
| <input type="radio"/> | internal      | correct answer |
| <input type="radio"/> | external      |                |
| <input type="radio"/> | social        |                |
| <input type="radio"/> | psychological |                |
