

SEMESTER FALL 2024

(MGT111) Assignment No. 01

Solution Vu360

Maslow's Hierarchy of Needs Analysis for Civil Servant's Scenario:

Maslow's Hierarchy Classification

Level of Need	Description	Relevant Case Instances
Physiological Needs	Basic necessities for survival.	• Harsh living conditions. • Restricted access to clean water. • Compromised physical health.
Safety Needs	Security, stability and protection.	• Isolation from family and friends. • Lack of adequate healthcare. • Unfavorable environment.
Belongingness Needs	Social connections, relationships.	• Absence of social connections in the new place. • Emotional toll from isolation.
Esteem Needs	Recognition, appreciation, self-respect.	• Desire for appreciation and recognition. • Willingness to put in extra effort for career advancement.
Self-Actualization Needs	Personal growth, fulfillment, purpose.	• Questioning future career aspirations. • Professional development plan reassessment. • Desire to serve community.

Group 2: <https://chat.whatsapp.com/HJYBCFqTTPx3QYAHhOLSa2>

1. **Physiological Needs:** Unmet due to harsh living conditions, limited access to clean water and healthcare.
2. **Safety Needs:** Unfulfilled because of isolation, unfavorable environment and inadequate healthcare.
3. **Belongingness Needs:** Unaddressed, affecting emotional well-being due to lack of social connections.
4. **Esteem Needs:** Partially met through desire for recognition but hindered by feeling inadequate.
5. **Self-Actualization Needs:** Challenged by questioning career aspirations and professional development.
