GDB QUESTION:

The sayings and actions of the Holy Prophet PBUH are called Hadith. Over the time, scholars have compiled collections of Hadith, known as Hadith books. Various scholars adopted different techniques for compilation of Ahadith in their books, resulting in the emergence of different types of Hadith collections. One type of Hadith books is called "Sunan", in which Ahadith are organized according to the chapters of Islamic jurisprudence (Fiqh).

Question: Students are required to write the names of **four Sunan Hadith books** along with the **names of their authors**.
