

9. Principles: Content and Sequencing

1. The first group of principles deals with _____.
 - content and sequencing
 - format and presentation
 - monitoring and assessment
 - none
2. The second group of principles deals with _____.
 - content and sequencing
 - format and presentation
 - monitoring and assessment
 - none
3. The third group of principles deals with _____.
 - content and sequencing
 - format and presentation
 - monitoring and assessment
 - none
4. These principles are concerned with what goes into a language course and the order in which language items appear in the course.
 - content and sequencing
 - format and presentation
 - monitoring and assessment
 - none
5. These principles are concerned with what actually happens in the classroom and during the learning.
 - content and sequencing
 - format and presentation
 - monitoring and assessment
 - none
6. ESP stands for?
 - English as Second Perspective
 - English for Special Purposes
 - English for Second Purpose
 - English Special Perspective
7. The data on vocabulary guide us that knowing 10 items provides coverage of _____ of written text.
 - 25%
 - 50%
 - 70%
 - 80%
8. The data on vocabulary guide us that knowing 100 items provides coverage of _____ written text.
 - 25%
 - 50%
 - 70%
 - 80%
9. The data on vocabulary guide us that knowing 1000 items provides coverage of _____ written text.
 - 25%
 - 50%
 - 70%
 - 80%
10. The data on vocabulary guide us that knowing 2000 items provides coverage of _____ written text.

- 25%
- 50%
- 70%
- 80%

11. A small number of _____ frequency items will cover a large proportion of a text.

LOW

HIGH

ZERO

NONE

12. _____ frequency items should be dealt with only when the high frequency items have been sufficiently learned.

LOW

HIGH

ZERO

NONE

13. A language course should train learners how to learn a language so that they can become effective and _____ language learners.

- Dependent
- Independent
- Both a&b
- None

14. word part strategies are included in:

- Learning strategies
- Gaining input
- coping strategies
- All of the given

15. strategies for controlling the teacher are included in:

- Learning strategies
- Gaining input
- coping strategies
- All of the given

16. inferring vocabulary from context are included in:

- Learning strategies
- Gaining input
- coping strategies
- All of the given

17. The simplest and possibly the most useful way to check is to _____ frequently whether wanted items are learned.

- Test
- Listen
- Speak

- Assess
18. The language focus of a course needs to be on generalizable features of the language system.
- True
 - False
19. A language course should progressively cover useful _____
- language items
 - skills
 - strategies
 - all
20. _____ courses and many others assign particular structures, functions, or vocabulary to particular lessons.
- Aural-oral
 - Cambridge English courses
 - Both a&b
 - none
21. The _____ complexity of a structure depends on the amount of rearranging that is needed.
- Psychological
 - Philosophical
 - Cognitive
 - Biological
22. The more secure the learning of the _____ item, the less chance there is of interference when the second item is met.
- First
 - Second
 - Third
 - Fourth

10. Principles: Format and Presentation / Monitoring and Assessment

23. Motivation is a very important determinant of the amount of _____ that learners give to learning.
- Time
 - Involvement
 - Effect
 - None
24. Extrinsic motivation can develop as a result of intrinsic motivation.
- True
 - False
25. According to _____ use tasks that contain built-in challenges such as competition, time pressure, memory and hidden puzzle-like solutions.
- Cotterall
 - Crabbe
 - Nation
 - None of the given
26. _____ learners' efforts through publication in a class newsletter, through praise and through attention from the teacher.
- Reward
 - Autonomous
 - Attention-seeker
 - None of the given

27. There should be substantial quantities of interesting comprehensible receptive activity in both _____.
- Listening and speaking
 - listening and reading
 - speaking and writing
 - listening and writing
28. A language course should provide activities aimed at increasing the fluency with which the learners can use the language they already know, _____.
- receptively
 - productively
 - both a&b
 - none
29. _____ is often contrasted with accuracy.
- Accuracy
 - Fluency
 - Ineffectiveness
 - None
30. The learners should be pushed to produce the language in both _____ over a range of discourse types.
- Listening and speaking
 - listening and reading
 - speaking and writing
 - listening and writing
31. For Deliberate Learning the course should include language-focused learning in the _____ and discourse areas.
- sound system
 - vocabulary
 - grammar
 - all of the given
32. Which of the following is an example of language-focused learning?
- Dictation
 - Parsing
 - Stress
 - All of the given
33. As much time as possible should be spent on using and focusing on the _____ language.
- First
 - Second
 - Third
 - None
34. Learners should process the items to be learned as deeply and as thoughtfully as possible.
- True
 - False
35. Among the range of motivation factors, which of the following has received most attention from researchers?
- integrative
 - instrumental
 - both a&b
 - none
36. There should be opportunity for learners to work with the learning material in ways that most suit their individual learning style.

- True
 - False
37. Teachers should receive helpful feedback which will allow them to improve the quality of their language use.
- True
 - False
38. Feedback is a term from _____ theory.
- Communication
 - Contrast
 - Comparison
 - None

11. Planning Goals and Learning Outcomes – I

39. This justification for the aims of curriculum stresses the intrinsic value of the subject matter and its role in developing the learner's _____
- Intellect
 - humanistic values
 - rationality
 - all
40. _____ ideology stresses the economic needs of society as a justification for the teaching of English.
- Sociology
 - Socioeconomic
 - Social studies
 - None
41. Curriculum development is not seen as a _____ process.
- High
 - Low
 - Neutral
 - None
42. Cultural pluralism leads to the _____ education in some parts of the world.
- Monolingual
 - Bilingual
 - Multilingual
 - Trilingual
43. _____ (1983) argues that students in multicultural societies such as the United States need to develop cross-cultural competency or what is sometimes termed intercultural communication.
- Branks
 - Cotterall
 - Crabbe
 - Nation

12. Planning Goals and Learning Outcomes – II

44. An aim refers to a statement of a _____ change that a program seeks to bring about in learners.
- General
 - Specific
 - Important
 - None

ENG519 (Notes for {Grand Quiz})

45. The purposes of aim statements are to help provide a focus for instruction.
- True
 - False
46. Our _____ learn English in order to acquire skills to make critical and rational judgments.
- Teacher
 - Pupils
 - Parents
 - All of the given
47. These statements reflect several of the _____ discussed in the preceding sections.
- Psychologies
 - Philosophies
 - Both a&b
 - None
48. Students will learn how to write effective business letters for use in the hotel and tourism industries.
- True
 - False
49. "They provide a basis for the organization of teaching activities." Is a characteristic of
- Subjective
 - Objective
 - True-False
 - None
50. Objectives should be _____, and should describe outcomes that are attainable in the time available during a course.
- Worthless
 - Unreasonable
 - Feasible
 - Unprofitable
51. _____ turn teaching into a technology.
- Subjective
 - Objective
 - True-False
 - None
52. Objectives trivialize teaching and are _____ oriented.
- Product
 - Class
 - Object
 - None
53. Objectives are _____ to many aspects of language use.
- suited
 - unsuited
 - subject
 - class
54. CBLT first emerged in the _____ in the 1970s and was widely adopted in vocationally oriented education and in adult ESL programs.
- US
 - Russia
 - China
 - Canada
55. the process of developing a competency-based curriculum include _____

- interviews
 - observations
 - survey of employers
 - all of the given
56. _____(1986) argues that no valid procedures are available to develop competency specifications.
- Nation
 - Tollefson
 - Mrowicki
 - None
57. Jackson reports that a group of teachers of adult immigrants in Australia identified _____ broad categories.
- Five
 - Six
 - Seven
 - Eight
58. Objectives in these domains relate to the _____ and political needs and rights of learners.
- Personal
 - Social
 - Cultural
 - All

13. Course Planning and Syllabus Design

59. A starting point in course development is a _____ of the course rationale.
- Conclusion
 - Description
 - Summary
 - None
60. Language programs and commercial materials typically distinguish between _____.
- Elementary
 - Intermediate
 - Advanced levels
 - All of the given
61. A writing course could potentially be planned around any of the following types of content
- Grammar
 - Functions
 - Topics
 - All of the given
62. a speaking course could be organized around _____
- Functions
 - Interaction skills
 - Topics
 - All of the given
63. The choice of a particular approach to content selection will depend on _____ matter knowledge.
- Function
 - Subject
 - Course
 - Grammar
64. _____ is concerned with the breadth and depth of coverage of items in the course.
- Sequence

- Scope
 - Planning
 - Coverage
65. A syllabus reflects ideas and beliefs about the nature of_____.
- Speaking
 - Reading
 - Writing
 - All of the given
66. _____words Intermediate level, an additional 2,000 words Upper Intermediate level, an additional 2,000 words Advanced level.
- 500
 - 1,000
 - 1,500
 - 2,000
67. A _____is a setting in which particular communicative acts typically occur.
- Setting
 - Situation
 - Organization
 - All of the given
68. Situational syllabus has the advantage of presenting text and teaching language of immediate practical use.
- True
 - False
69. Topical or content-based syllabus: It is organized around _____or other units of content.
- Themes
 - Topics
 - Both a&b
 - None
70. Competencies are a description of the _____required for effective performance of particular tasks and activities.
- essential skills
 - knowledge
 - attitudes
 - all
71. Competency-based syllabuses are widely used in social survival and work-oriented language programs.
- True
 - False
72. Which of the following is an example of competencies related to the topic of "telephoning"?
- Read and dial telephone numbers
 - Respond to request to hold
 - Request to speak to someone
 - All of the given
73. It is built around texts and samples of extended discourse.
- Text-Based
 - Integrated Syllabus
 - Both a&b
 - None
74. Decisions about a suitable syllabus framework for a course reflect different priorities in teaching rather than absolute choices.
- Text-Based

- Integrated Syllabus
 - Both a&b
 - None
75. A text-based syllabus is a type of _____ because it combines elements of different types of syllabuses.
- Text-Based
 - Integrated Syllabus
 - Both a&b
 - None
76. In practical terms, therefore, all syllabuses reflect some degree of _____.
- Text-Based
 - Integration
 - Both a&b
 - None
77. The examples of text types that can be used in planning a text-based syllabus include _____
- Exchange
 - Form
 - Procedure
 - All of the given
78. Narratives are an example of?
- Text-Based
 - Integrated Syllabus
 - Both a&b
 - None
79. _____ blocks represent the instructional focus of the course and may be very specific or more general.
- Industrial
 - Instructional
 - Planning
 - Developing
80. A course also needs to be mapped out in terms of instructional _____.
- Blocks
 - Sections
 - Both a&b
 - None
81. Commonly used instructional blocks are planning by _____
- modules
 - units
 - both a&b
 - none

14. Goals, Content and Sequencing

82. When we talk about _____ and its sequencing, we naturally look at them in the environment they take place.
- Goals
 - Content
 - Both a&b
 - None
83. The units of progression in a course are the items that are used to grade the progress of the course
- True

- False
84. the academic word list is presented in _____ sublists ranging from the most frequent to the least frequent.
- Five
 - Eight
 - Nine
 - Ten
85. Who call units of progression as “units of analysis”?
- Long
 - Coxhead
 - Crookes
 - Both a&c
86. The units of progression can be classified into _____ types.
- 2
 - 3
 - 5
 - 7
87. The units of progression can be classified into _____ types.
- 2
 - 3
 - 5
 - 7
88. George suggests that a reasonable basis for Stage 1 of a course (1,500 to 2,000 words over roughly two years of _____ periods of English per week)
- 2
 - 3
 - 5
 - 7
89. This group of items accounts for 575 of every 1,000 successive verb forms in written English.
- Present participle
 - Past participle
 - Past Perfect
 - Present perfect
90. There are _____ major ways of defining subskills
- 2
 - 3
 - 5
 - 7
91. Bloom divides cognitive activity into six levels of _____ complexity.
- Rigid
 - Decreasing
 - Increasing
 - All of the given
92. All four aspects of culture could contradict and threaten the _____ culture.
- National
 - Global
 - General
 - Local
93. Witte (2006) see for a description of _____ stages of “cultural progression”.

- 2
- 3
- 5
- 7

94. In language courses, the language could be divided into _____ in several ways.

- Lesson
- Topic
- Modules
- Section

95. At _____ levels the sole focus is on a communicative, meaning-focused module.

- Beginner
- Elementary
- Secondary
- Intermediate

15. Format and Presentation

96. _____ must take account of the environment in which the course will be used.

- Format
- Presentation
- Both a&b
- None

97. Meaning-focused input involves having the opportunity to learn from _____.

- Reading and speaking
- listening and speaking
- listening and reading
- listening and writing

98. Meaning-focused _____ should involve the learners in conversation and also in monologue.

- listening
- speaking
- both a&b
- none

99. Language-focused learning involves a deliberate focus on language features _____

- Pronunciation
- Spelling
- word parts
- all of the give

100. Which of the following is condition for the fluency development strand?

- easy, familiar material
- a focus on communicating messages
- some pressure to perform at a faster speed
- all

101. _____ skills activities are very effective for fluency development in all of the skills.

- Learning
- Linked
- Interlinked
- All

102. A very common activity in courses which focus on reading involves the learners answering comprehension questions of various kinds.

- True
 - False
103. What is an important aid to learning and material should be recycled in a lesson?
- Repetition
 - Reading
 - Motivation
 - Reading aloud
104. According to Planning from Lesson to Lesson what are the ways of planning a lesson?
- Blocks
 - Threads
 - Both a&b
 - None
105. the task-based learning framework as consisting of _____ phases
- pre-task
 - task cycle
 - language focus
 - all

16. Providing for Effective Teaching- I

106. Some schools are committed to provide quality educational services.
- True
 - False
107. According to Morris an educational institution include the characteristic having ____ program?
- well-planned
 - balanced
 - organized program
 - all
108. Course descriptions including _____ and course organization, have been developed.
- Aims
 - Goals
 - Syllabuses
 - All
109. The curriculum is subject to ongoing _____.
- review
 - renewal
 - both a&b
 - none
110. Transparency of the system can be shown by _____
- Regular meetings
 - Regular communication
 - Informal gatherings
 - All of the given
111. In ESL domain, teachers need to have special _____
- skills
 - expertise
 - both a&b
 - none
112. Language teaching institutions vary greatly in the type of teachers they employ.

- True
- False

17. Providing for Effective Teaching-II

113. In describing teachers' skills, it is possible to compare teachers in terms of their _____
- Training
 - Experience
 - Both a&b
 - None
114. Language Teaching to Adults (CELTA) focuses on _____ areas of basic teaching skills.
- Two
 - Four
 - Six
 - Eight
115. Teachers need ongoing support. this may take a number of forms _____
- Orientation
 - Mentors
 - Feedback
 - All of the given
116. The focus of teaching is on authentic communication
- The communicative approach
 - The cooperative learning model
 - The process approach
 - None
117. Rewards systems are group-oriented rather than individual-oriented.
- The communicative approach
 - The cooperative learning model
 - The process approach
 - None
118. In writing classes, students take part in activities that develop their understanding of writing as a process.
- The communicative approach
 - The cooperative learning model
 - The process approach
 - None
119. Self-study involves a study of a program's practices and values as part of the process of selfevaluation and review.
- True
 - False
120. The _____ factor/s may affect how successfully a course is received by learners.
- Learning styles
 - Motivation
 - Support
 - All

18. Curriculum Design and Instructional Materials-I

121. _____ materials are a key component in most language programs
- Teaching

- Learning
- Learner
- All

122. Materials that are not designed for instructional use such as _____ may also play a role in the curriculum.

- Magazines
- Newspapers
- TV materials
- All

123. Using authentic materials is a burden for teachers.

- True
- False

124. Cunningsworth (1995) presents a checklist for textbook evaluation and selection organized under the _____ categories.

- Skills
- Topic
- Methodology
- All

125. Questions relating to concerns of the program is a _____ factor

- program
- teacher
- learner
- content

126. Questions relating to relating to teacher concerns is a _____ factor

- program
- teacher
- learner
- content

127. Questions relating to relating to learner concerns is a _____ factor

- program
- teacher
- learner
- content

128. Questions relating to the content and organization of the material in the book is a _____ factor

- program
- teacher
- learner
- content

129. _____ Content may need to be changed because it does not suit the target learners.

- Modifying
- Adding or deleting
- Reorganizing
- All of the given

130. The book may contain too much or too little for the program.

- Modifying
- Adding or deleting
- Reorganizing
- All of the given

131. A teacher may decide to reorganize the syllabus of the book, and arrange the units in what she considers a more suitable order.

- Modifying
- Adding or deleting
- Reorganizing
- All of the given

132. The use of instructional material in a classroom defines the relationship between _____ for designing and developing instructional materials

- course book
- learners
- teachers
- all of the given

133. Allwright (1981) agrees to Prabhu's view that books _____ students to engage in the negotiation process.

- Allow
- Do not allow
- May allow
- Something else

19. Curriculum Design and Instructional Materials-II

134. Advantages of building a material-development-component in a program include ____

- Relevance
- Reputation
- Flexibility
- All of the given

135. Disadvantages of building a material-development-component in a program include ____

- Cost
- Quality
- Training
- All of the given

136. In order to design material, the designer has to consider the _____.

- Developing aims
- Organizing the course into units
- Sequencing units
- All

137. When the process of writing begins, further decisions need to be made about choosing _____ sources.

- Output
- Input
- Both a&b
- None

138. The management of a team-based writing project involves addressing the _____ issues.

- Writer
- Illustrator
- Designer
- All

20. Curriculum Design and Instructional Materials:-III

139. Monitoring may take the _____ forms.

- Observation
- Reviews
- Feedback
- All

140. The language should be _____

- realistic
- authentic
- both a&b
- none

141. The teacher adds exercises to give extra practice to items that are frequently used in the language or which require extra time to learn.

- Add or omit content
- Add or omit monitoring
- Add or omit assessment
- None

142. The teacher encourages the learners to make tests to check each other's learning of what is in the lesson.

- Add or omit content
- Add or omit monitoring
- Add or omit assessment
- None

143. The teacher introduces weekly tests to encourage learners to do homework or to let them see their progress.

- Add or omit content
- Add or omit monitoring
- Add or omit assessment
- None

144. The teacher introduces some items earlier in the course because they are needed at that stage.

- Change the sequencing of the content
- Change the format
- Change the presentation
- None

145. Instead of beginning the lesson with a dialogue, the teacher puts it towards the end of the lesson and uses the other exercises in the lesson to prepare for it.

- Change the sequencing of the content
- Change the format
- Change the presentation
- None

146. The teacher uses different techniques than those used in the book.

- Change the sequencing of the content
- Change the format
- Change the presentation
- None

147. A systematic approach to teacher evaluation can be based on the parts of the curriculum design process.

- True
- False

148. The book should be at the right _____ level for the learners.

- vocabulary
- grammar
- both a&b
- none

149. An evaluation form that seemed adequate twenty or forty years ago now seems_____.

- Appropriate
- Inappropriate
- Both a&b
- None

Answer key

- 1) content and sequencing
- 2) format and presentation
- 3) monitoring and assessment
- 4) content and sequencing
- 5) format and presentation
- 6) English for Special Purposes
- 7) 25%
- 8) 50%
- 9) 70%
- 10) 80%
- 11) HIGH
- 12) LOW
