Midterm important questions 2024

VU360

Here are some important questions from ENG505 Virtual University Midterm 2024:

Lecture 1-5:

1. What is the definition of research methods and their importance?
2. How do you explain the concept of research design and its types?
3. What are the different types of research methods (qualitative, quantitative, mixed)?
4. How do you explain the concept of data collection and its methods?
5. What is the concept of data analysis and its methods?

Lecture 6-10:

6. How do you explain the concept of research ethics and its importance?
7. What are the different types of research sampling methods?
8. How do you explain the concept of research validity and reliability?
9. What is the concept of research generalizability and its importance?
10. How do you explain the concept of research reporting and its guidelines?

Lecture 11-15:

11. How do you explain the concept of quantitative research methods (surveys, experiments, etc.)?
12. What are the different types of qualitative research methods (interviews, case studies, etc.)?
13. How do you explain the concept of mixed methods research and its applications?
14. What is the concept of research methodology and its importance?
15. How do you explain the concept of research limitations and delimitations?

Lecture 16-20:

16. How do you explain the concept of research hypotheses and their testing?
17. What are the different types of research statistical analysis (descriptive, inferential, etc.)?
