MGMT623 GDB Fall 2024 Solution

Solution:

Ms. Anum appears to be employing a transformational leadership style. This style is characterized by inspiring and motivating team members to achieve organizational goals.

Argument 1: Ms. Anum actively fosters a positive work environment by encouraging skill development, recognizing individual contributions, and resolving conflicts peacefully. This creates a sense of trust and loyalty among team members.

Argument 2: Her strategic approach to resource allocation and performance management demonstrates a focus on long-term goals and a commitment to the overall success of the organization. This vision-oriented leadership inspires team members to work towards a shared purpose.
