

# MGT502

**Mid-Term (Solved)**

## ABSTRACT

*This comprehensive collection of notes is accurately crafted to empower students to excel academically, ensuring they achieve a minimum of 80% marks in their examinations. The content is organized with clarity and precision, focusing on key concepts, critical analyses, and practical applications tailored to the syllabus. These notes serve as a reliable resource for both thorough preparation and last-minute revision. Designed to inspire confidence and mastery, this guide is an essential tool for students striving for academic excellence.*

**Maha Malik**

Organizational Behavior

**Q. When should a company or manager use teams? (Lesson 18)**

Teams are useful when tasks are complex, require diverse skills, or need creativity. For innovation, problem-solving, and adaptability in dynamic environments, teams outperform individuals.

**Q. How can an organization build effective teams for different tasks? (Lesson 18)**

Select members with complementary skills, set clear goals, build trust, encourage open communication, and ensure strong leadership.

**Q. Why are teams popular nowadays? Give five reasons. (Lesson 18)**

1. Better problem solving
2. Enhanced collaboration
3. Higher flexibility
4. Improved morale
5. Shared responsibility for outcomes

**Q. Factors affecting teams? (Lesson 17–18)**

Trust, leadership, communication, roles clarity, norms, diversity, and conflict management

**Q. What is a group and characteristics of a group? (Lesson 17)**

A group is two or more individuals interacting to achieve a goal. Characteristics: roles, norms, status, size, cohesiveness.

**Q. Difference between cross-functional team and self-managed team (Lesson 18)**

- ✚ **Cross-functional:** composed of members from different departments working toward a common goal.
- ✚ **Self-managed:** a team that operates without a manager, controls its own work and decision-making.

**Q. Three potential problems of groups? (Lesson 19)**

1. Groupthink
2. Social loafing
3. Conflict or poor coordination

**Q. How do cultural differences affect decision-making of managers?**

Culture influences whether decisions are centralized or participative, risk-tolerant or risk-averse, and how feedback is given.

**Q. Steps of Rational Decision Making Model (Lesson 12)**

1. Define the problem
2. Identify the criteria
3. Allocate weights
4. Develop alternatives
5. Evaluate alternatives
6. Select the best option

**Q. What is the reason behind managers not making right decisions? (Lesson 12)**

Biases, lack of data, overconfidence, bounded rationality, emotional interference.

**Q. Decision-making managers (Lesson 12)**

Managers must use rational, bounded rational, or intuitive models depending on context.

**Q. Felt vs. Displayed Emotions (Lesson 9)**

- ✚ Felt: true emotions.
- ✚ Displayed: emotions shown as per workplace norms.

**Q. How individuals control their emotions at work? (Lesson 9)**

Emotion regulation, mindfulness, surface/deep acting, emotional intelligence.

**Q. Causes of stress (Lesson 40)**

Job insecurity, workload, role ambiguity, interpersonal conflict.

**Q. Frustration in senior employee due to salary gap—why motivation drops? (Lesson 13)**

Perceived inequity, unfair treatment, lack of recognition. Ties to Equity Theory.

**Q. Positive and negative emotions (Lesson 9)**

- ✚ Positive: joy, satisfaction, enthusiasm.
- ✚ Negative: anger, fear, frustration. They affect decision-making and performance.

**Q. Define terminal and instrumental values (Lesson 6)**

- ✚ Terminal: desired end-states (e.g., freedom, happiness).
- ✚ Instrumental: preferred means to achieve those ends (e.g., honesty, discipline).

**Q. Norms and values' effect on teams (Lesson 17)**

They guide behavior, improve cohesion, and influence commitment.

**Q. Five personality traits (Lesson 8)**

1. Openness
2. Conscientiousness
3. Extraversion
4. Agreeableness
5. Neuroticism

**Q. Briefly explain Type A and Type B personality (Lesson 8)**

- ✚ Type A: aggressive, impatient, high-stress.
- ✚ Type B: relaxed, patient, easy-going.

**Q. Describe skill triangle (Lesson 2)**

- ✚ Conceptual skills

- ✚ Human/interpersonal skills
- ✚ Technical skills

**Q. Enlist unique features of an organization (Lesson 3)**

- ✚ Social entity
- ✚ Goal-oriented
- ✚ Structured and coordinated
- ✚ Linked to environment

**Q. TQM and continuous improvement importance? (Lesson 2, 38)**

To increase efficiency, customer satisfaction, and quality. TQM involves employee involvement and process improvement.

**Q. Why performance of the organization depends on environment? (Lesson 3)**

- ✚ Environmental uncertainty,
- ✚ resources availability,
- ✚ competition, and
- ✚ technology affect operations.

**Q. Dysfunctional behavior (Lesson 26)**

Any behavior that hinders organizational goals—e.g., absenteeism, conflict.

**Q. Environmental dimensions (Lesson 3)**

Technological, economic, sociocultural, legal, global.

**Q. Motivational goal? (Lesson 13)**

To align employee behavior with organizational goals using incentives, recognition, etc.

**Q. What aspects should be considered in describing individual behavior? (Lesson 4)**

**MGT502\_Organizational Behavior**  
**Mid-Term (Solved)**

Personality, values, perception, motivation, attitude, emotions, environment.

**Q. Write down characteristics of the person when allocating jobs (Lesson 5)**

Abilities, experience, interests, personality type, emotional intelligence.

**Q. Explain the model of individual motivational work (Lesson 14)**

Based on needs, effort, performance, rewards, and satisfaction.

**Q. Scenario about expert power (Lesson 24)**

Power from special skills or knowledge—e.g., IT expert being consulted for all system issues.

**Q. Conflict management / Avoiding conflict / Causes of conflict (Lesson 26)**

Conflict arises due to communication gaps, incompatible goals, personality clashes.

Management includes collaboration, compromise, avoidance, competition.

**Q. Demographic characteristics (Lesson 4)**

Age, gender, education, ethnicity—affect behavior and performance.

**Q. Are different ages of employees affecting performance? (Lesson 4)**

Not necessarily. Older employees bring experience; younger ones bring innovation. Performance depends on ability and job fit.

**Q. Individual behavior influenced by environment—Agree or disagree? (Lesson 4)**

Agree. Personality + Environment = Behavior (Interactionist Perspective)

**Q. How are voice and loyalty constructive behaviors? (Lesson 7)**

- + Voice: actively suggesting improvements.
- + Loyalty: supporting the organization during difficulties. Both contribute positively.

**Q. Some people think money is the only motive—what are other motives? (Lesson 13)**

Recognition, achievement, growth, autonomy, purpose, work-life balance.

**Q. Analysis of OB? (Lesson 2)**

OB analyzes behavior at individual, group, and organizational levels to improve effectiveness.

**Q. Group task**

Any collaborative activity requiring teamwork to achieve shared goals—e.g., problem-solving or presentations.

**Q. Suppose your manager taunts you—what should you do?**

Stay calm, respond professionally, document behavior, and if needed, seek HR support or mediation.
