Long Questions (5 Marks)

Sir Zahid

1. Differentiate between cover letters and traditional letters.

- **Cover letters** are written specifically to accompany job applications, introducing the applicant and highlighting relevant skills and qualifications for the job. It is tailored to a specific position and employer.
- **Traditional letters** can serve various purposes (e.g., personal, business, formal), and their content and tone depend on the context of the communication. Traditional letters are not specific to job applications and may not focus on qualifications or skills.

2. Five uses of memo reports.

- Communicate organizational changes.

- Provide updates on project progress.
- Convey policy changes or reminders.
- Request information or action from staff.
- Summarize meeting minutes or discussions.

3. Steps of an oral presentation.

- Introduction: Greet the audience, introduce the topic.
- Body: Present the main points, supported by evidence.
- Conclusion: Summarize key points, provide a closing statement, and invite questions.

4. Explain five characteristics of a thesis.

- **Clear focus:** The thesis should address a specific problem or question.
- **Originality:** It should present a new perspective or research findings.
- **Well-structured:** Organized logically with a clear introduction, body, and conclusion.
- **Detailed analysis:** Includes thorough research, analysis, and discussion.
- **Cohesive argument:** All sections of the thesis should contribute to supporting the central argument.
