

Q.1 Primary data is the specific information on market's research questions. Which of the following is a problem with international primary research?

- A. None of the given options
 - B. Less information is available
 - C. Reliability of data
 - D. Comparability of data**
-

Q.2 Which of the following is true description of secondary data?

- A. Unimportant data
 - B. Ordinal data
 - C. Existing data**
 - D. Ordinary data
-

Q.3 Which method of research can be used to obtain information if people are unwilling or unable to provide?

- A. Focus groups
 - B. Personal interviews
 - C. Questionnaires
 - D. Observation**
-

Q.4 Identify the term in which "royalties" is closely associated?

- A. Direct exporting
 - B. Contract manufacturing
 - C. Licensing**
 - D. Franchising
-

Q.5 Which type of counter trade that traditionally used by government around the world when they made major purchases for military goods but it becoming increasingly common in other sector?

- A. Compensation deal
 - B. Offset agreement**
 - C. Advance purchase
 - D. Buy-back agreement
-

Q.6 Which one of the following strategic alliance explains, it is an agreement by two or more parties to form a single entity to undertake a certain project?

- A. Joint venture**
 - B. Product Licensing
 - C. Distribution Relationships
 - D. Technology Licensing
-

Q.7 The centrally planned communist run nations belong to which one of the following world?

- A. Fourth world
 - B. First world
 - C. Third world
 - D. Second world**
-

Q.8 Which of the following method provide little or no control over the way the product or service is marketed in other countries?

- A. Exporting
 - B. Franchising
 - C. Specialized mode
 - D. Licensing**
-

Q.9 In strategic alliances trend of industry's credibility tends to:

- A. Deconstruct
 - B. No effect
 - C. Increase**
 - D. Decrease
-

Q.10 LG Phillips LDC" is joint venture established by LG group and Royal Phillips Electronic. Identify the year in which this joint venture was established?

- A. 2000
 - B. 2001**
 - C. 2002
 - D. 2003
-

Q.1 High income oil exporter and newly industrialized countries belongs to which economic status group?

- A. Third World
 - B. Second World**
 - C. Fourth World
 - D. Fifth World
-

Q.2 Which one of the following factors best indicates person's social class?

- A. Fashion
 - B. Occupation**
 - C. Money
 - D. Time
-

Q.3 Core strategy is defined as which of the following?
