13. aims of contrastive rhetoric 5 marks

Paper No 6

Mcqs handouts se Thay aur 7 ya 8 files se thay.

Short question

1. deep processing
2. Fossilization
3. communication

Long question

1. self efficacy
2. Second language ke 5 variables ke name
3. Ethnographers, Ye hi tha paper

Paper No 7

Objective form handouts 4 to 5 just files

Subjective Questions

1. Activity theory, Private speech scaffolding note
2. Distinguishing feature
3. Socio cultural theory

- 4 language awareness
- 5 Social domain
- 6 factors play important role 10 name lesson 38 ma
- 7 less explicit processing instructions options
- 8 CALP basic components

Paper No 8

- 1. Sociolinguistics perspective
- 2. Deep processing
- 3. Age as an internal factor
- 4. Personality as an internal factor
- 5. True false

Paper No 9

Objective:

Objective from handouts mostly some from files about 3 or 4 mcqs only □

Subjective:

- ✧ From a linguistic perspective where continuous application had led to SLA researchers

- 8) Give Explanation in 5-6 lines of socio-cultural perspective in process of meaning making activity in collaborative activity
- 9) Write a note on processing instructions

2 question Bhool Gai 1 long or 1 short lakin tha woh b second language learning k hwala sa

Mcqs bht conceptual tha lakin Thora SA tricky tha is Lia handouts ko bhntttt acha sa prepare kren fir ho ga solve

Question to bht ii tricky or conceptual tha is k lia handouts ko bht bht zyada acha treeqa sa prepare kren

Paper No 13

- Objective was from files
- Subjective
- What is negative evidence
- What is UG approach
- What is connectionivists
- Difference between function and form
- Define fossilization in your own wording

Paper No 14

MCQs From Maha Files mostly +handouts

Questions are very easy

Short questions

Cognitive theories KY name Just

fossilization Wala koi short tha sociolinguistics ki bala bala

Negative evidence briefly note

Long questions

UG approach note

Congitive and affective m difference

MCQs mostly from files, a few were conceptual

Questions

Q. Five orientations of second language learner by Clement Clément

Q. Variables that effects SLA:

Q. Motivational Strategies in SLL classrooms.

Q. Deep processing

Q. Ethnographers study about second language

Q. What is Productive Skills? Explain in one or two lines.

Q. Three processes of language input

Paper No 14

Mcqs maximum from notes

Short questions:

1. Fossilization
2. Internal factors influencing SLA
3. Three types of private speeches by Ohta

Long questions

1. Benefits of SLL in classroom
 2. Informal names of BICS and CLAP
- paper from file and handouts

Paper No 15

Short

1. Languages awareness

Long

Note on Dec and Brut...?

MCQs mostly from files, a few were conceptual

Questions

- Q. Five orientations of second language learner by Clement Clément
- Q. Variables that affect SLA:
- Q. Motivational Strategies in SLL classrooms.
- Q. Deep processing
- Q. Ethnographers study about second language
- Q. What is Productive Skills? Explain in one or two lines.
- Q. Three processes of language input

Best Of Luck
