Q.1 Which component of VMware vSphere allows multiple virtual machines to run on a single physical server?

A. vCenter
B. vMotion
C. ESXi
D. Virtual Machine Monitor (VMM)

Q.2 Which statement is incorrect in case of Applications Virtualization?

A. Application are independent of underlying OS
B. Applications installed locally on client machine
C. Applications cost reduced
D. Run cross-platform applications

Q.3 Which type of organization offers data center services such as colocation, hosting, or cloud services?

A. Data Center Service Providers
B. Law Firms
C. Hospitals
D. Advertising Agencies

Q.4 Which of the following is a popular open-source virtualization tool?

A. VMware vSphere
B. Xen
C. VirtualBox
D. Hyper-V

Q.5 What is a virtual machine (VM)?

A. A software program that emulates a physical computer system
B. A physical server in a virtualized environment
C. A network device that connects virtual machines to the internet
D. A virtual storage device used for data backup.

Q.6 Which architectural component of a Virtual Data Center enables the migration of virtual machines between physical hosts without service interruption?

A. Live Migration Manager
B. Hypervisor
C. Virtual Switch
D. Load Balancer

Q.7 What is the benefit of using virtual hard disks in a virtual data center?

A. Enhanced data security and encryption capabilities
B. Reduced hardware costs and better resource utilization
C. Increased physical storage capacity and faster data access
D. Improved network connectivity and lower latency

Q.8 Which technology provides the solution of Application level virtualization?

A. Microsoft Azure
B. Microsoft App-v
C. Google Cloud Platform
D. Docker

Q.9 What is the fundamental building block of a Virtual Data Center (VDC)?

A. Network switches
B. Virtual machines
C. Storage arrays
D. Hypervisors

Q.10 The practice of hosting a desktop Operating system and applications together on remote host is called _____.

A. Desktop Virtualization
B. Data Virtualization
C. Application Virtualization
D. Storage Virtualization
