Question No: 15 (Marks: 5)

Read the paragraph and identify the main idea.

When aging parents need help, it puts a tremendous weight on their adult children. The situation is particularly difficult if the parent does not live nearby. To handle such difficult situations, some health experts advise adult children to investigate community resources such as Meals on Wheels. Another suggestion is to rotate care among other family members. Sometimes the problem can be alleviated by having the parent move closer. It is also essential to assess the parent's actual needs.

Main idea:-There are solutions to a number of difficulties that adult children face when caring for aged parents

Question No: 16 (Marks: 5)

Read the passage carefully and identify the main idea.

Myths are stories, the products of fertile imagination, sometimes simple, often containing profound truths. They are not meant to be taken too literally. Details may sometimes appear childish, but most myths express a culture's most serious beliefs about human beings, eternity, and God.

Main idea:-Myths illustrate the values that are considered important to a society.

Question No: 17 (Marks: 5)

What is the difference between Skimming and Scanning?

Answer:-

Skimming and scanning are very important reading techniques. In short, skimming refers to looking through material quickly to gather a general sense of the ideas, information, or topic itself. When you skim, you read through an article three to four times faster than when you read each word. Scanning refers to reading through material to find specific information. When you scan, you run your eyes over text or information to pull out specific words, phrases, or data

**MIDTERM EXAMINATION
Spring 2010**

The short, simple conjunctions are called "coordinating conjunctions":

- and, but, or, nor, for, yet, so

A coordinating conjunction joins parts of a sentence (for example words or independent clauses) that are grammatically **equal** or similar. A coordinating conjunction shows that the elements it joins are similar in importance and structure:

Question No: 13 (Marks: 3)

Recall your memory about 'Making inferences' and identify the statements as True/False.

1. When the meaning of a word is not implied by the general sense of its context or by examples, it may be implied by an antonym or by a contrasting thought in a context. **True**
2. A paragraph without a topic sentence may have an implied main idea. **False**
3. A paragraph without a topic sentence does not have supporting details. **True**

Question No: 14 (Marks: 3)

Read the following text and state the main idea of the passage.

To many parents, the infant's crying may be mainly an irritation, especially if it continues for long periods. But crying serves important functions for the child as well as for the parents. For the child, crying helps improve lung capacity and the respiratory system. Perhaps more important, the cry serves as a signal of distress. When babies cry, they indicate that they are hungry or in pain, and this is important information for parents.

Question No: 15 (Marks: 5)

Write the correct prefix in the blanks to make negative forms of the adjectives.

1. I love high heels but they're rather **un**practical__.
2. It is an **il**logical__ statement, because if one part is true, then the other must be false.
3. It is **im**polite__ to point at people.
4. It was **im**possible__ to sleep because of the noise.
5. it's totally **irr**ational__, but I'm frightened of mice.

Question No: 16 (Marks: 5)

Read the following paragraph and write the sentence that best states the implied main idea.

Is there any one day of the year you dread? For some people, it is their birthday. After all, a birthday is a reminder that we are getting older. Others are anxious as April 15 approaches. This is the day that federal taxes are due. For others, the most feared day is Friday the 13th. On this day, wedding chapels are usually shut down. Toy stores sell out Ouija boards. Travel is down, especially on airplanes. And people have been known to stay in their house the entire day rather than risk anything happening to them.

Question No: 17 (Marks: 5)

Read this paragraph and identify the main idea.

Dogs are good for children because they teach children to be responsible. Children who have to feed the dog and perform other works related to dogs, learn to be responsible for the life of another being. Cats also teach children responsibility, and along with this, children who own a cat learn about independence since cats are quick to teach this. Rabbits teach children about having babies because as anyone who has owned more than

6. Mike has already --read-- that article. (read)

Question No: 15 (Marks: 5)

Read the paragraph and identify the main idea.

When aging parents need help, it puts a tremendous weight on their adult children. The situation is particularly difficult if the parent does not live nearby. To handle such difficult situations, some health experts advise adult children to investigate community resources such as Meals on Wheels. Another suggestion is to rotate care among other family members. Sometimes the problem can be alleviated by having the parent move closer. It is also essential to assess the parent's actual needs.

Main idea:-There are solutions to a number of difficulties that adult children face when caring for aged parents

Question No: 16 (Marks: 5)

Read the passage carefully and identify the main idea.

Myths are stories, the products of fertile imagination, sometimes simple, often containing profound truths. They are not meant to be taken too literally. Details may sometimes appear childish, but most myths express a culture's most serious beliefs about human beings, eternity, and God.

Main idea:-Myths illustrate the values that are considered important to a society.

Question No: 17 (Marks: 5)

What is the difference between Skimming and Scanning?

Answer:-

Skimming and scanning are very important reading techniques. In short, skimming refers to looking through material quickly to gather a general sense of the ideas, information, or topic itself. When you skim, you read through an article three to four times faster than when you read each word. Scanning refers to reading through material to find specific information. When you scan, you run your eyes over text or information to pull out specific words, phrases, or data
