What do you know about advertising?

Answer (Please [click here](#) to Add Answer)

MADE BY HADI

Email:hadirajputofficial@gmail.com WhatsApp:03087122922 (Bitout Software House)

Advertising is a paid, non personal and public communication that is delivered through selected media outlets in which the sponsor is known and the message is controlled. Advertising is a method of mass promotion of messages which can reach a large number of people to promote causes, goods, services, ideas and organizations. The medium used are television, radio, newspapers, internet, bill boards, buses. You will even see advertisements on shopping carts in shopping malls, baggage trolleys and side walks at airports, bridges, taxis etc. Main objective of the advertiser is to change the thinking pattern of the target audience, so he/she is persuaded and take action. When advertising aired on radio or television, it is called a commercial. TV commercials are the most effective and seen advertisements. It cost a lot but in return mass public see message and help to boost the sales of products and services.
