

EDU401 FINAL TERM PREPERATION FILE BY NATASHA STUDY ZONE

MOST REPEATED CURRENTLY QUESTION SOLVED

Chapter 23

Short Questions

1. What is Free and Accessible Education?
2. Why is teacher participation important?

Long Questions

1. Explain the benefits of Free and Accessible Education.
2. Discuss the role of teachers in Inclusive Education.

Chapter 24

Short Questions

1. Why is education called an investment?
2. Define cost-effective education.

Long Questions

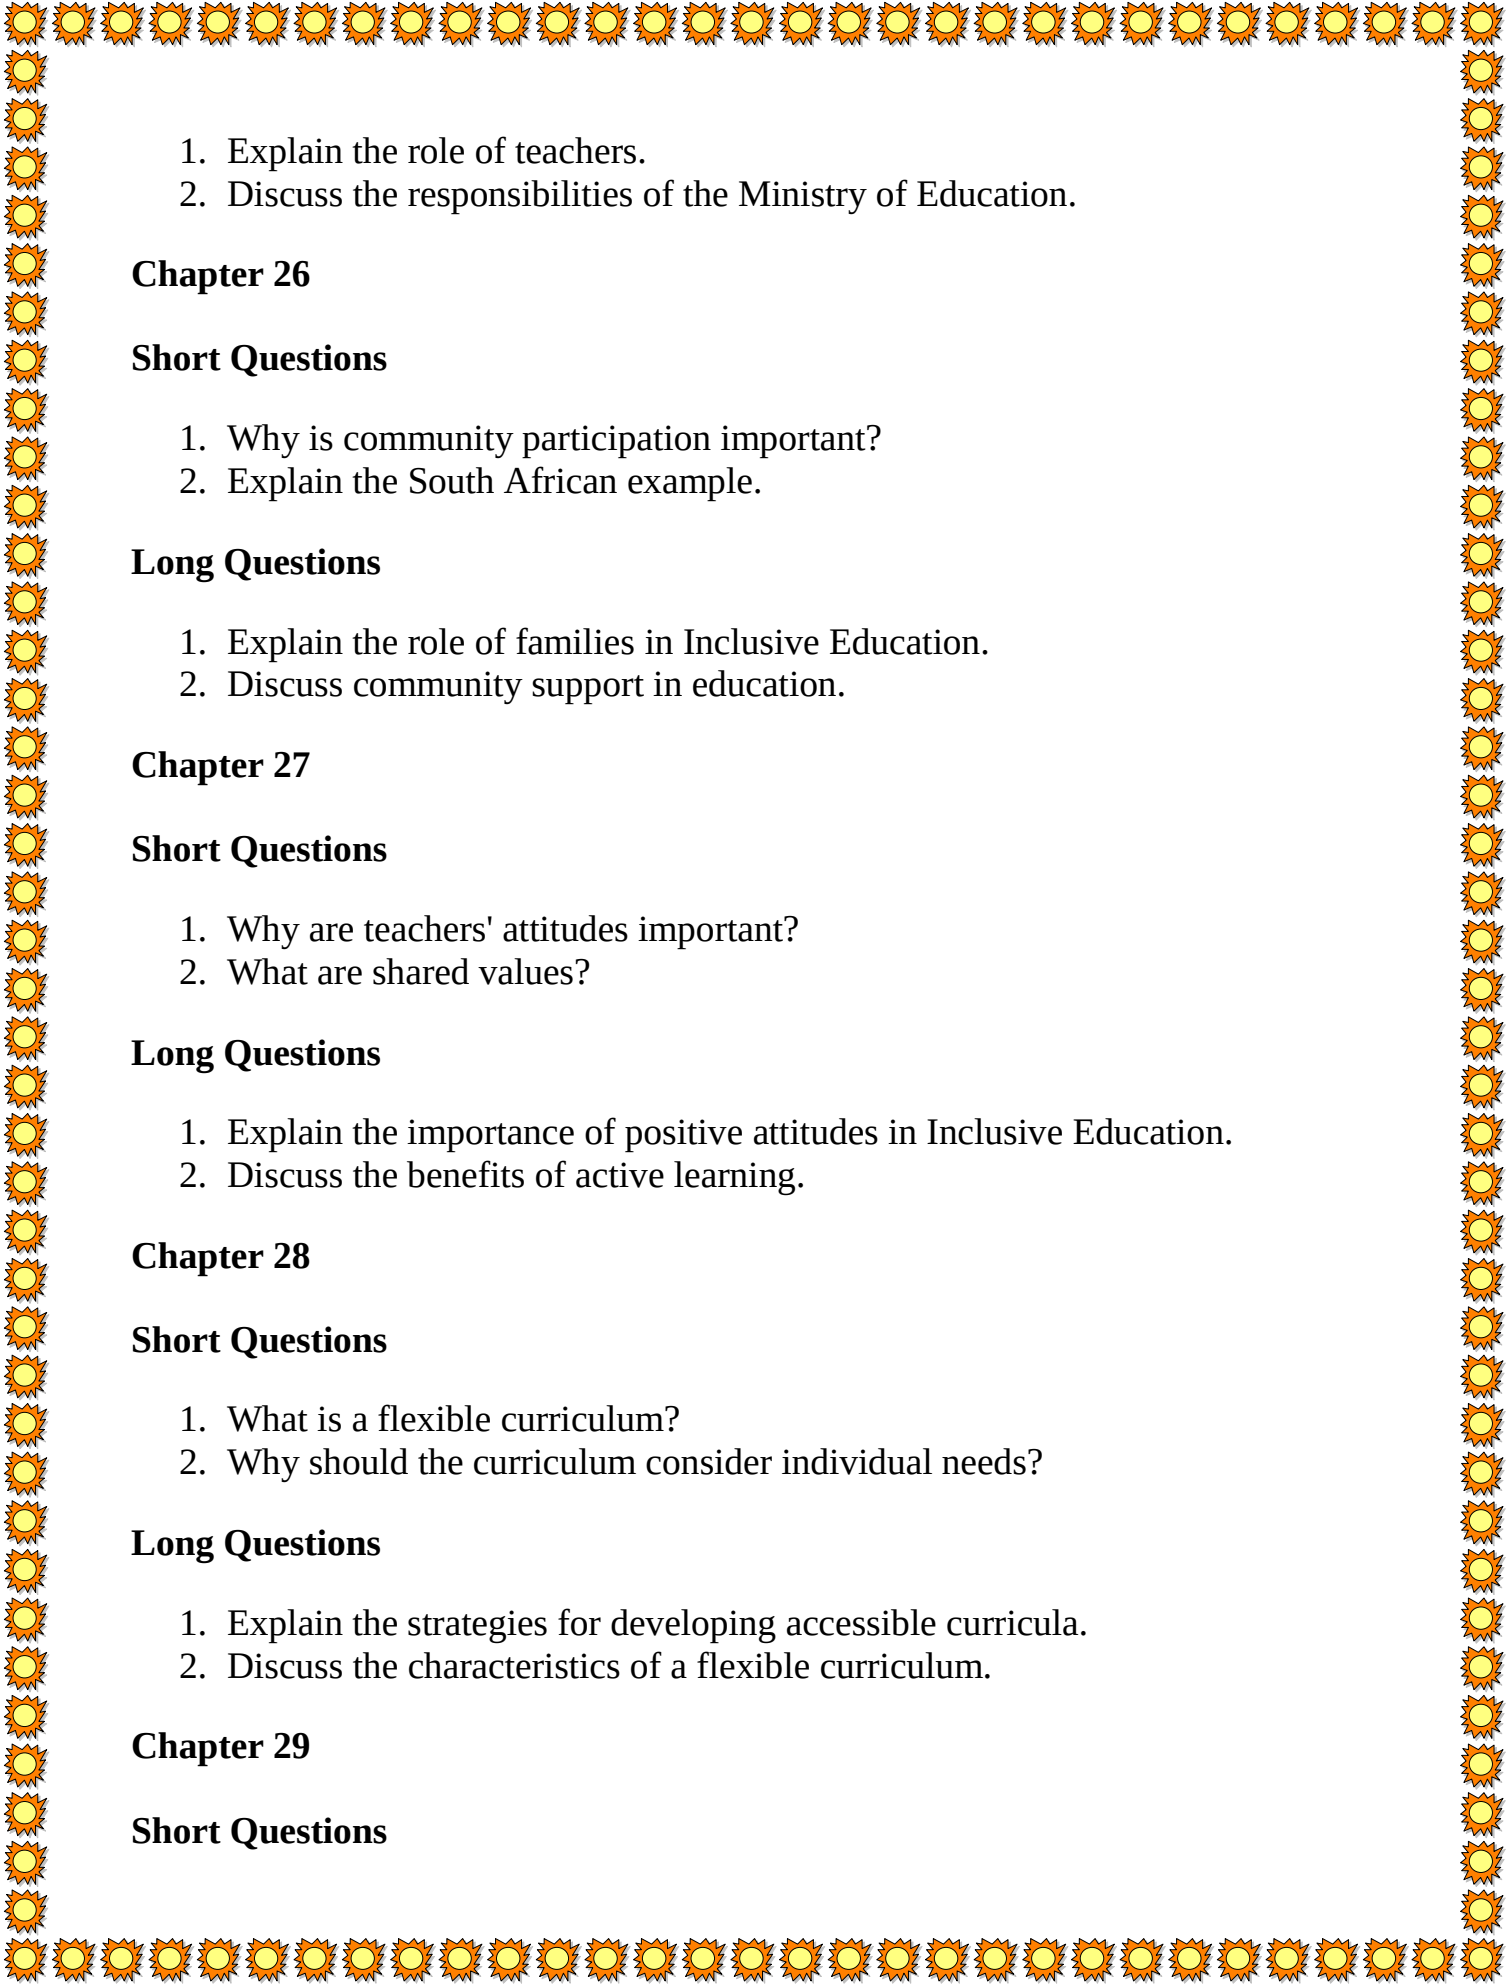

1. Explain the cost effectiveness of Inclusive Education.
2. Discuss the World Bank's opinion about Inclusive Education.

Chapter 25

Short Questions

1. Who are the key players in Inclusive Education?
2. What are the challenges of Inclusive Education?

Long Questions

- 
1. Explain the role of teachers.
 2. Discuss the responsibilities of the Ministry of Education.

Chapter 26

Short Questions

1. Why is community participation important?
2. Explain the South African example.

Long Questions

1. Explain the role of families in Inclusive Education.
2. Discuss community support in education.

Chapter 27

Short Questions

1. Why are teachers' attitudes important?
2. What are shared values?

Long Questions

1. Explain the importance of positive attitudes in Inclusive Education.
2. Discuss the benefits of active learning.

Chapter 28

Short Questions

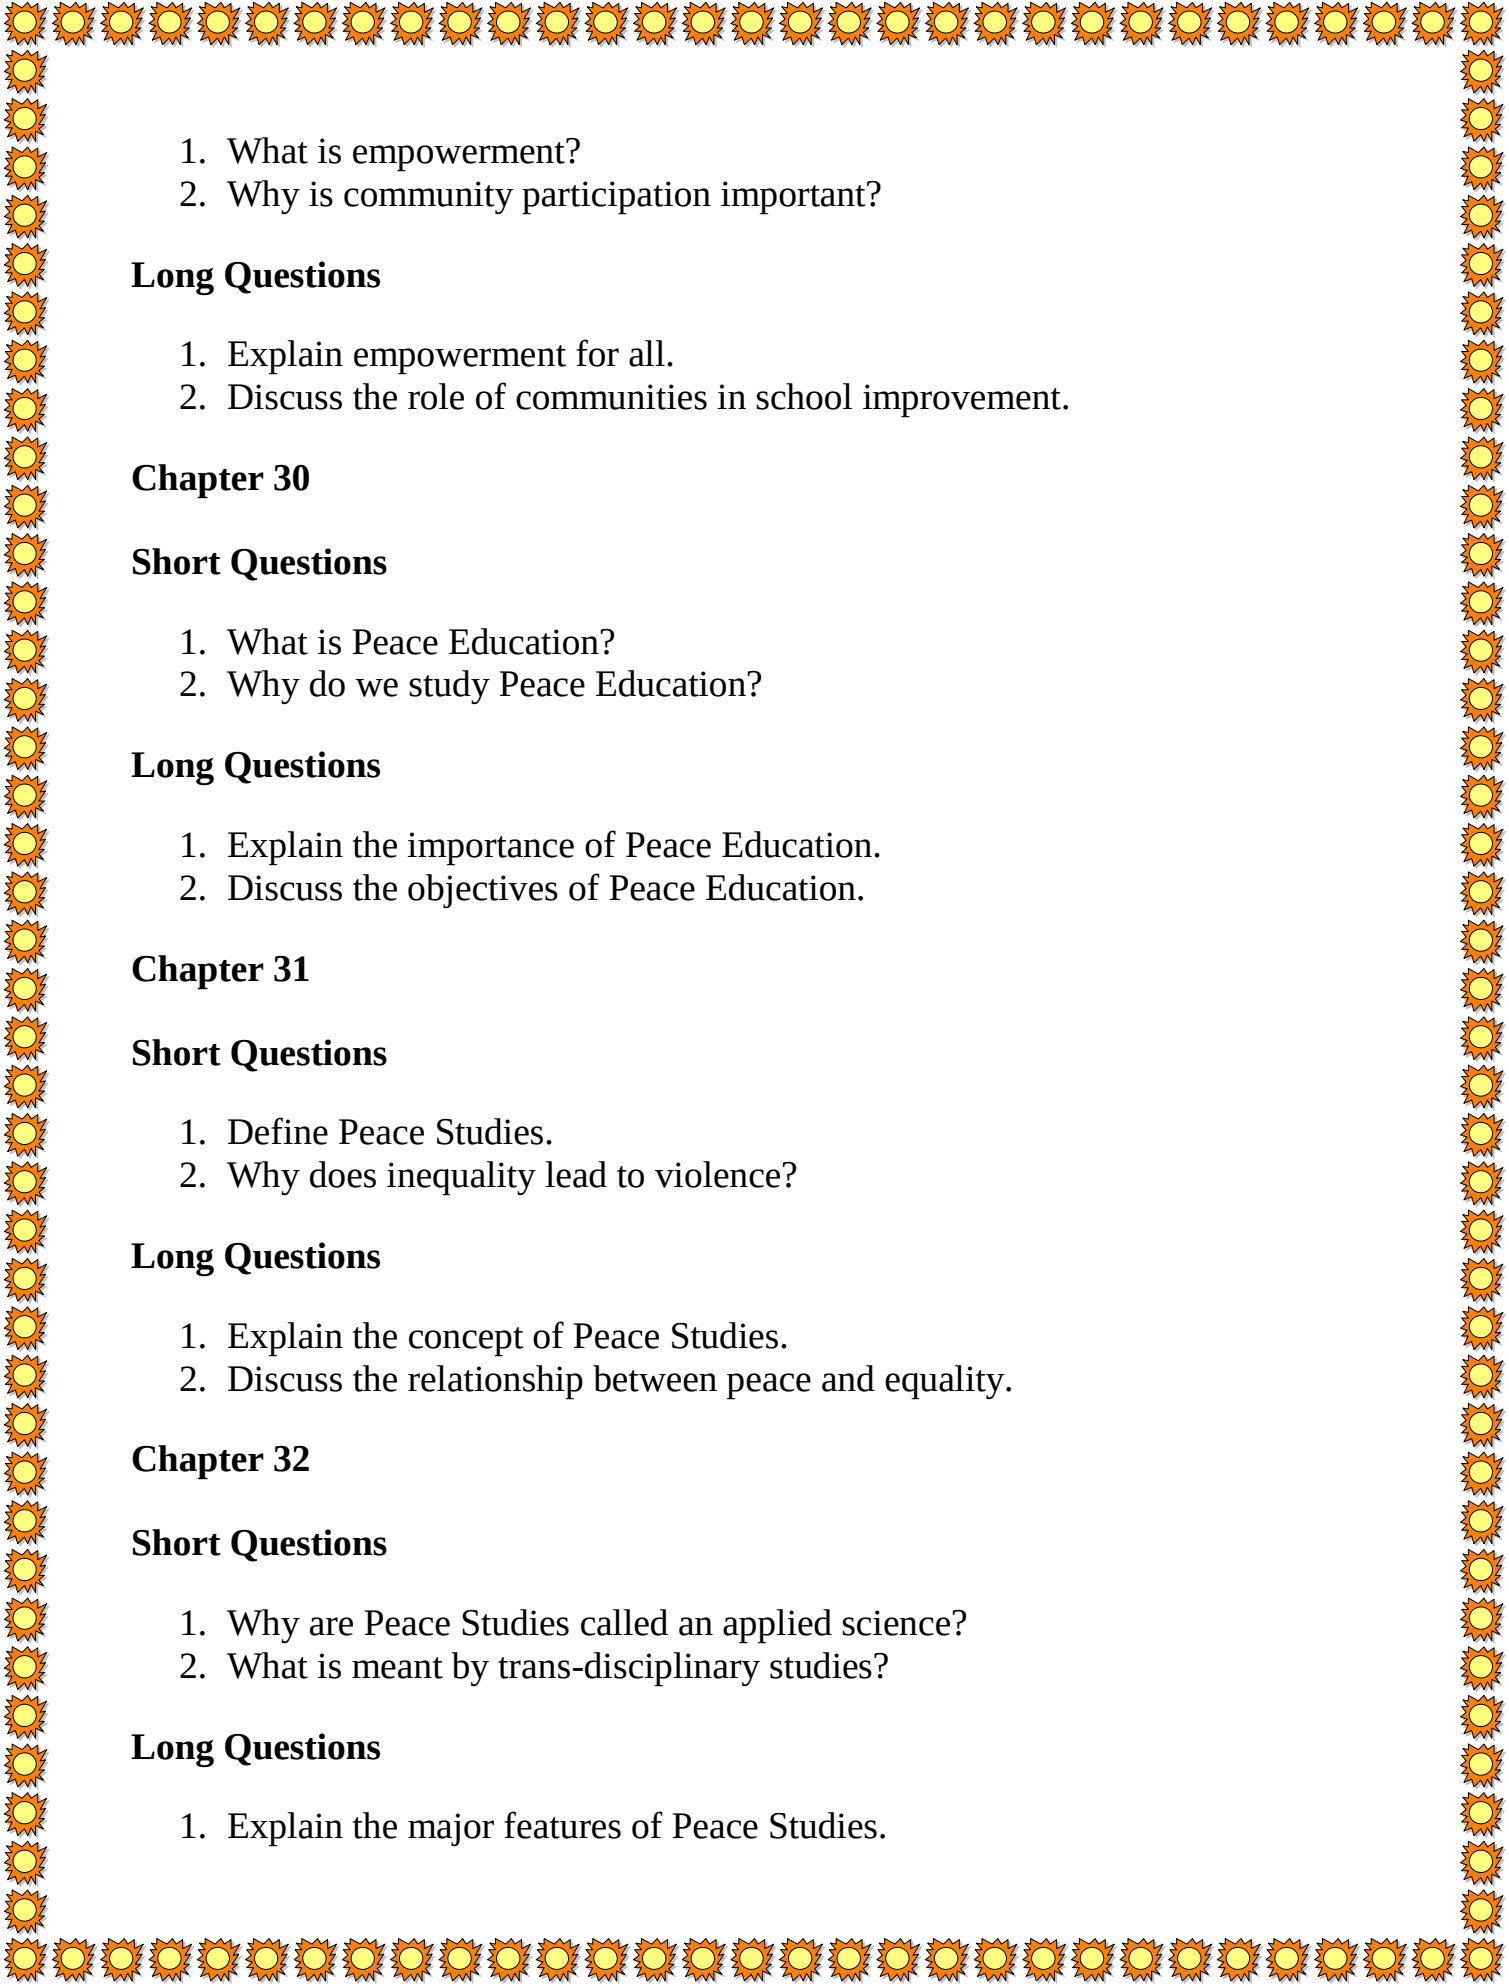

1. What is a flexible curriculum?
2. Why should the curriculum consider individual needs?

Long Questions

1. Explain the strategies for developing accessible curricula.
2. Discuss the characteristics of a flexible curriculum.

Chapter 29

Short Questions

- 
1. What is empowerment?
 2. Why is community participation important?

Long Questions

1. Explain empowerment for all.
2. Discuss the role of communities in school improvement.

Chapter 30

Short Questions

1. What is Peace Education?
2. Why do we study Peace Education?

Long Questions

1. Explain the importance of Peace Education.
2. Discuss the objectives of Peace Education.

Chapter 31

Short Questions

1. Define Peace Studies.
2. Why does inequality lead to violence?

Long Questions

1. Explain the concept of Peace Studies.
2. Discuss the relationship between peace and equality.

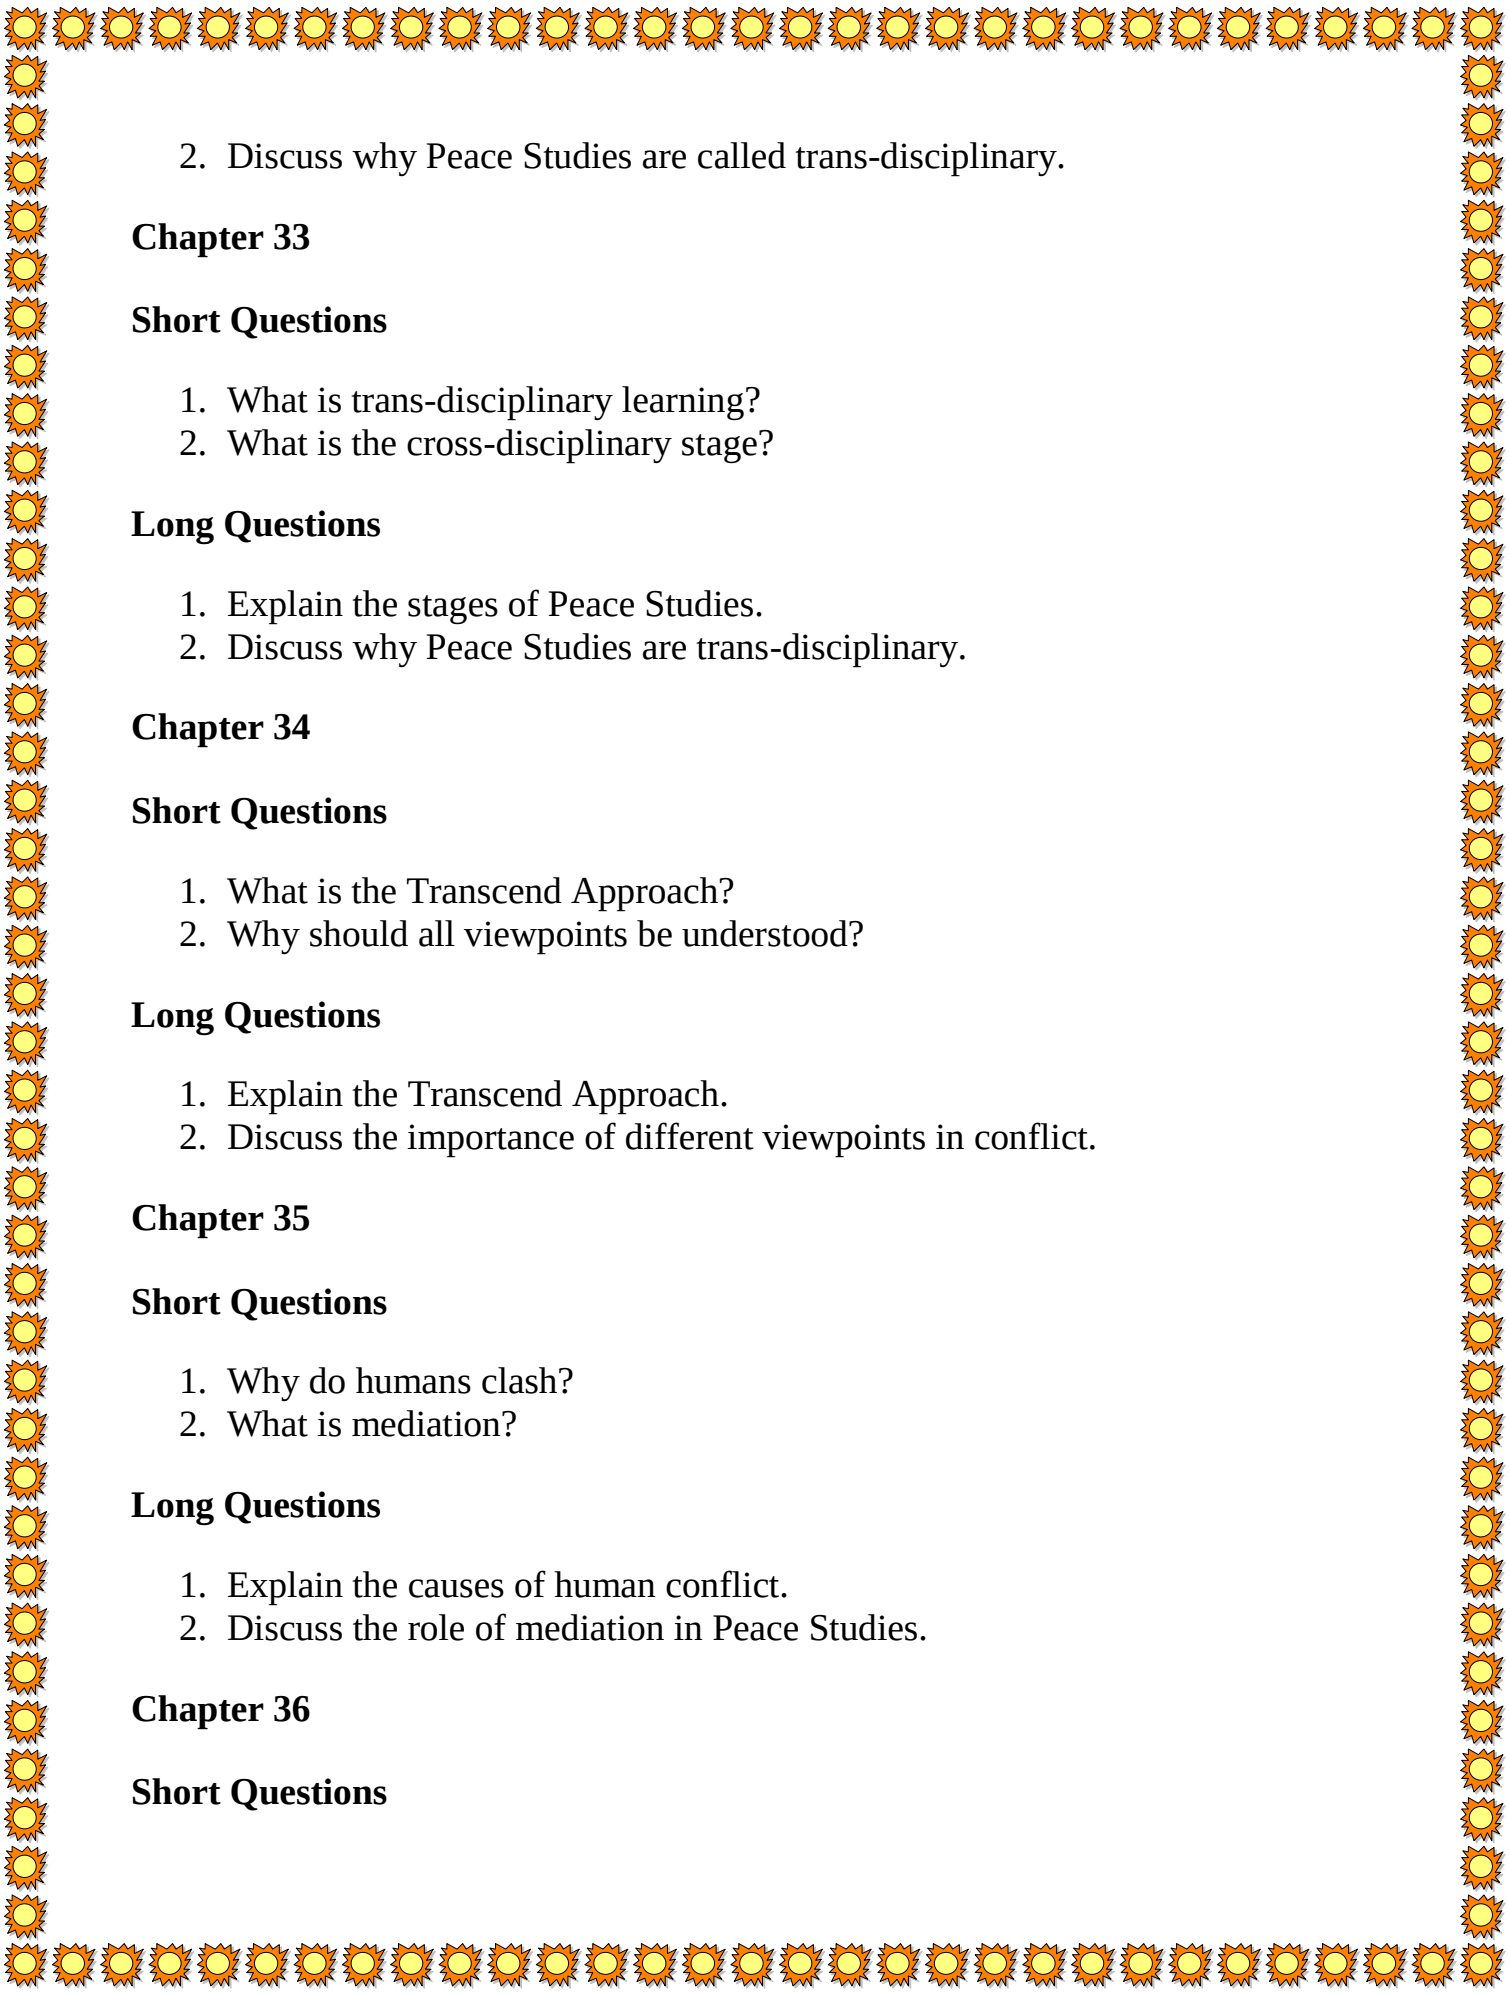

Chapter 32

Short Questions

1. Why are Peace Studies called an applied science?
2. What is meant by trans-disciplinary studies?

Long Questions

1. Explain the major features of Peace Studies.

- 
2. Discuss why Peace Studies are called trans-disciplinary.

Chapter 33

Short Questions

1. What is trans-disciplinary learning?
2. What is the cross-disciplinary stage?

Long Questions

1. Explain the stages of Peace Studies.
2. Discuss why Peace Studies are trans-disciplinary.

Chapter 34

Short Questions

1. What is the Transcend Approach?
2. Why should all viewpoints be understood?

Long Questions

1. Explain the Transcend Approach.
2. Discuss the importance of different viewpoints in conflict.

Chapter 35

Short Questions

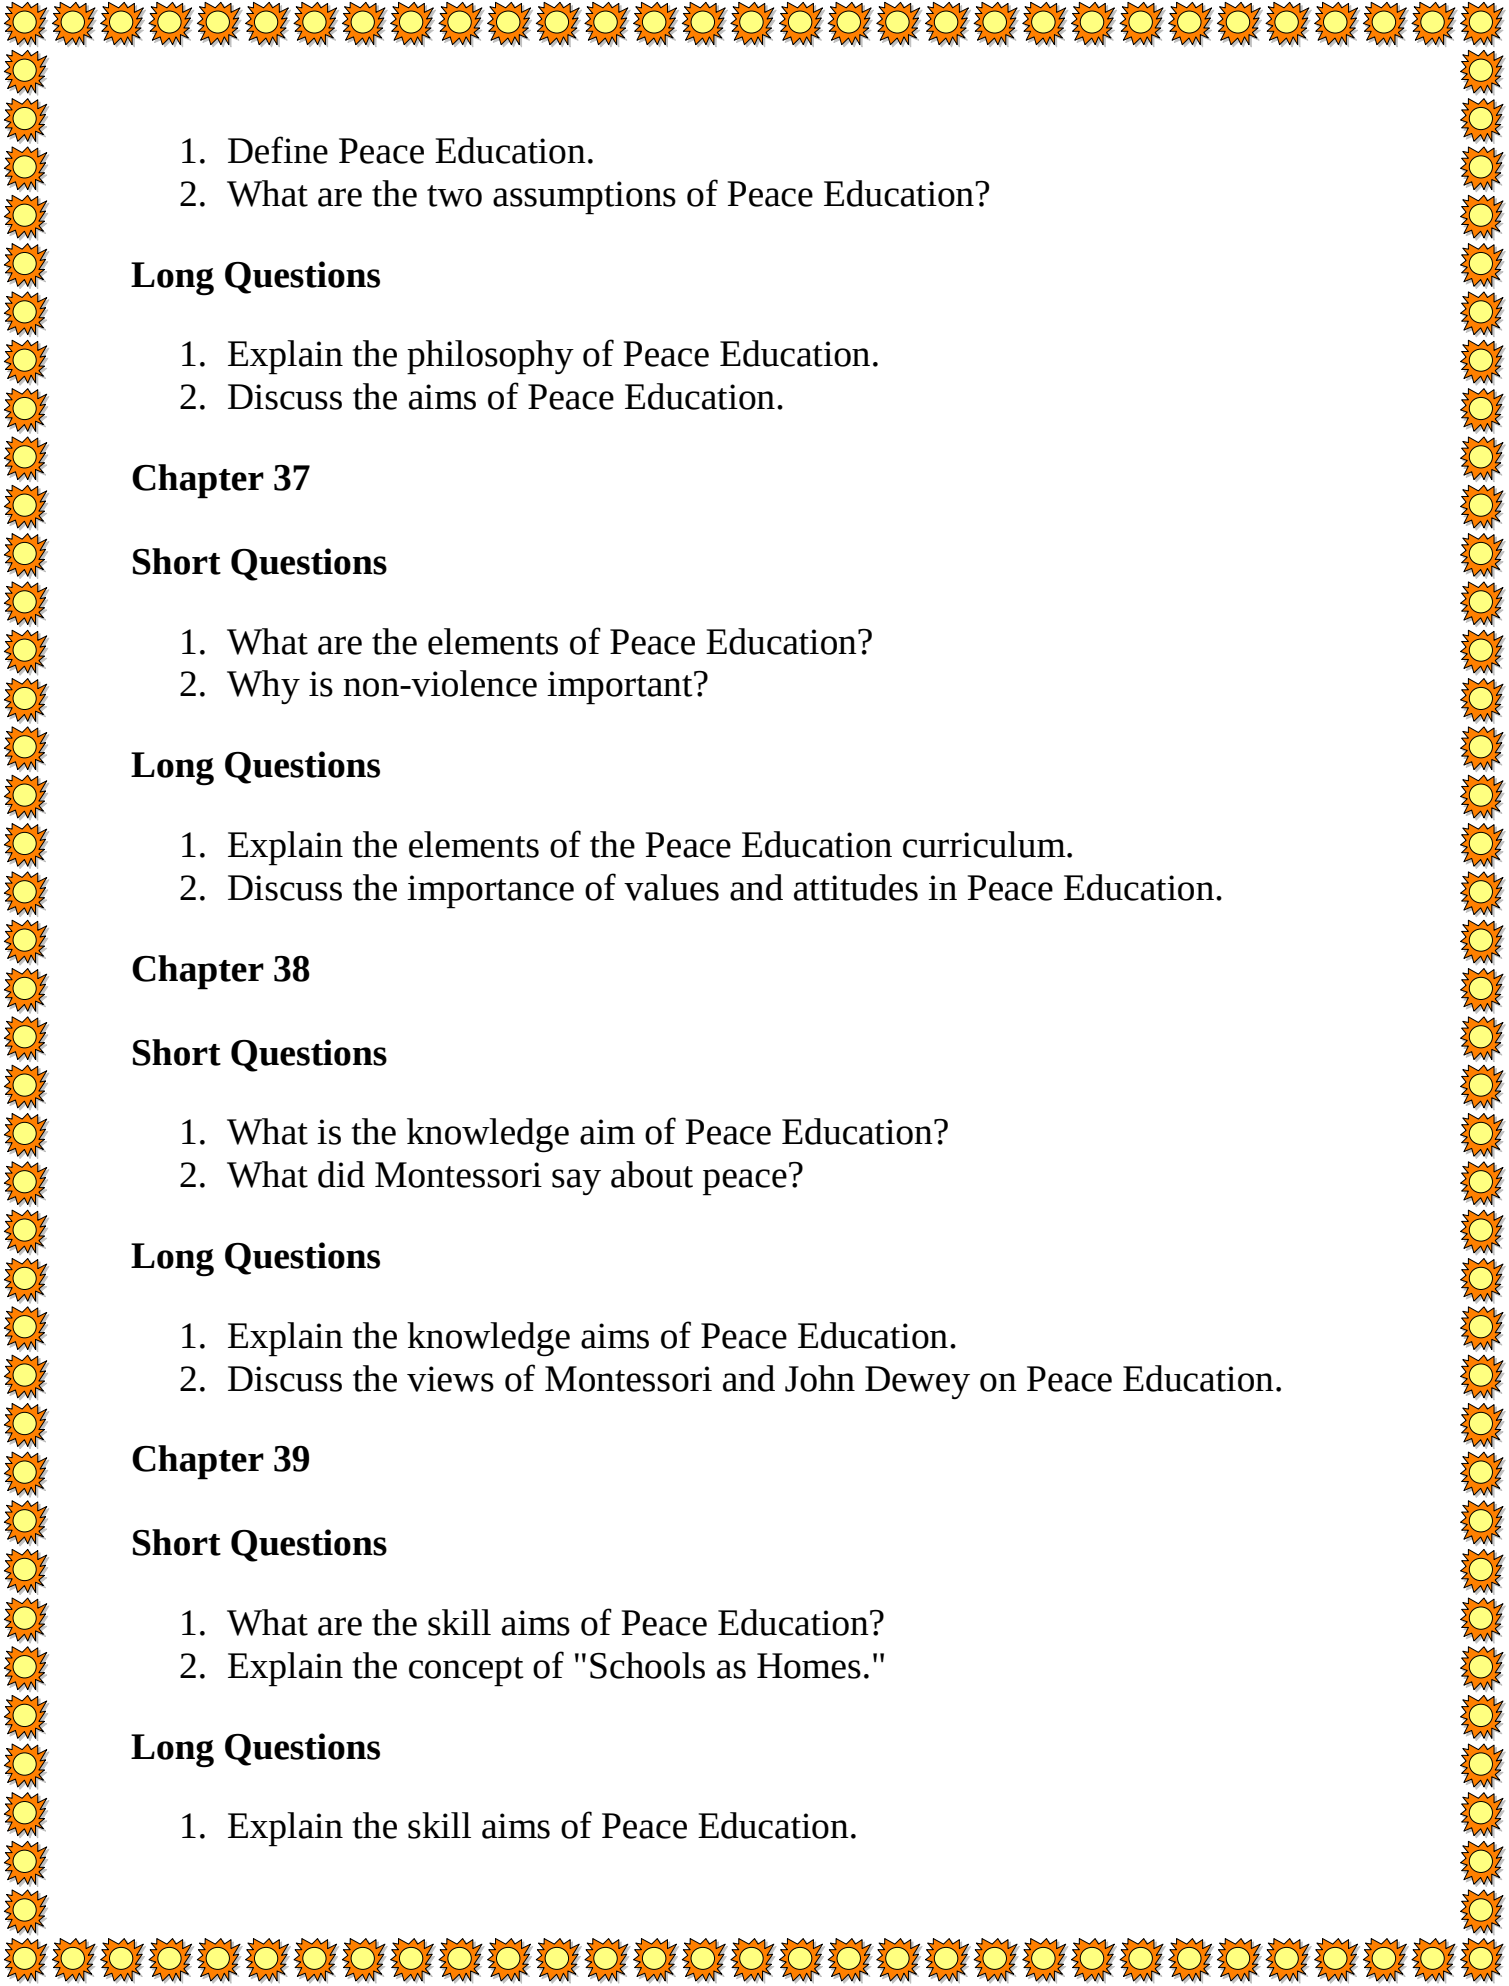

1. Why do humans clash?
2. What is mediation?

Long Questions

1. Explain the causes of human conflict.
2. Discuss the role of mediation in Peace Studies.

Chapter 36

Short Questions

- 
1. Define Peace Education.
 2. What are the two assumptions of Peace Education?

Long Questions

1. Explain the philosophy of Peace Education.
2. Discuss the aims of Peace Education.

Chapter 37

Short Questions

1. What are the elements of Peace Education?
2. Why is non-violence important?

Long Questions

1. Explain the elements of the Peace Education curriculum.
2. Discuss the importance of values and attitudes in Peace Education.

Chapter 38

Short Questions

1. What is the knowledge aim of Peace Education?
2. What did Montessori say about peace?

Long Questions

1. Explain the knowledge aims of Peace Education.
2. Discuss the views of Montessori and John Dewey on Peace Education.

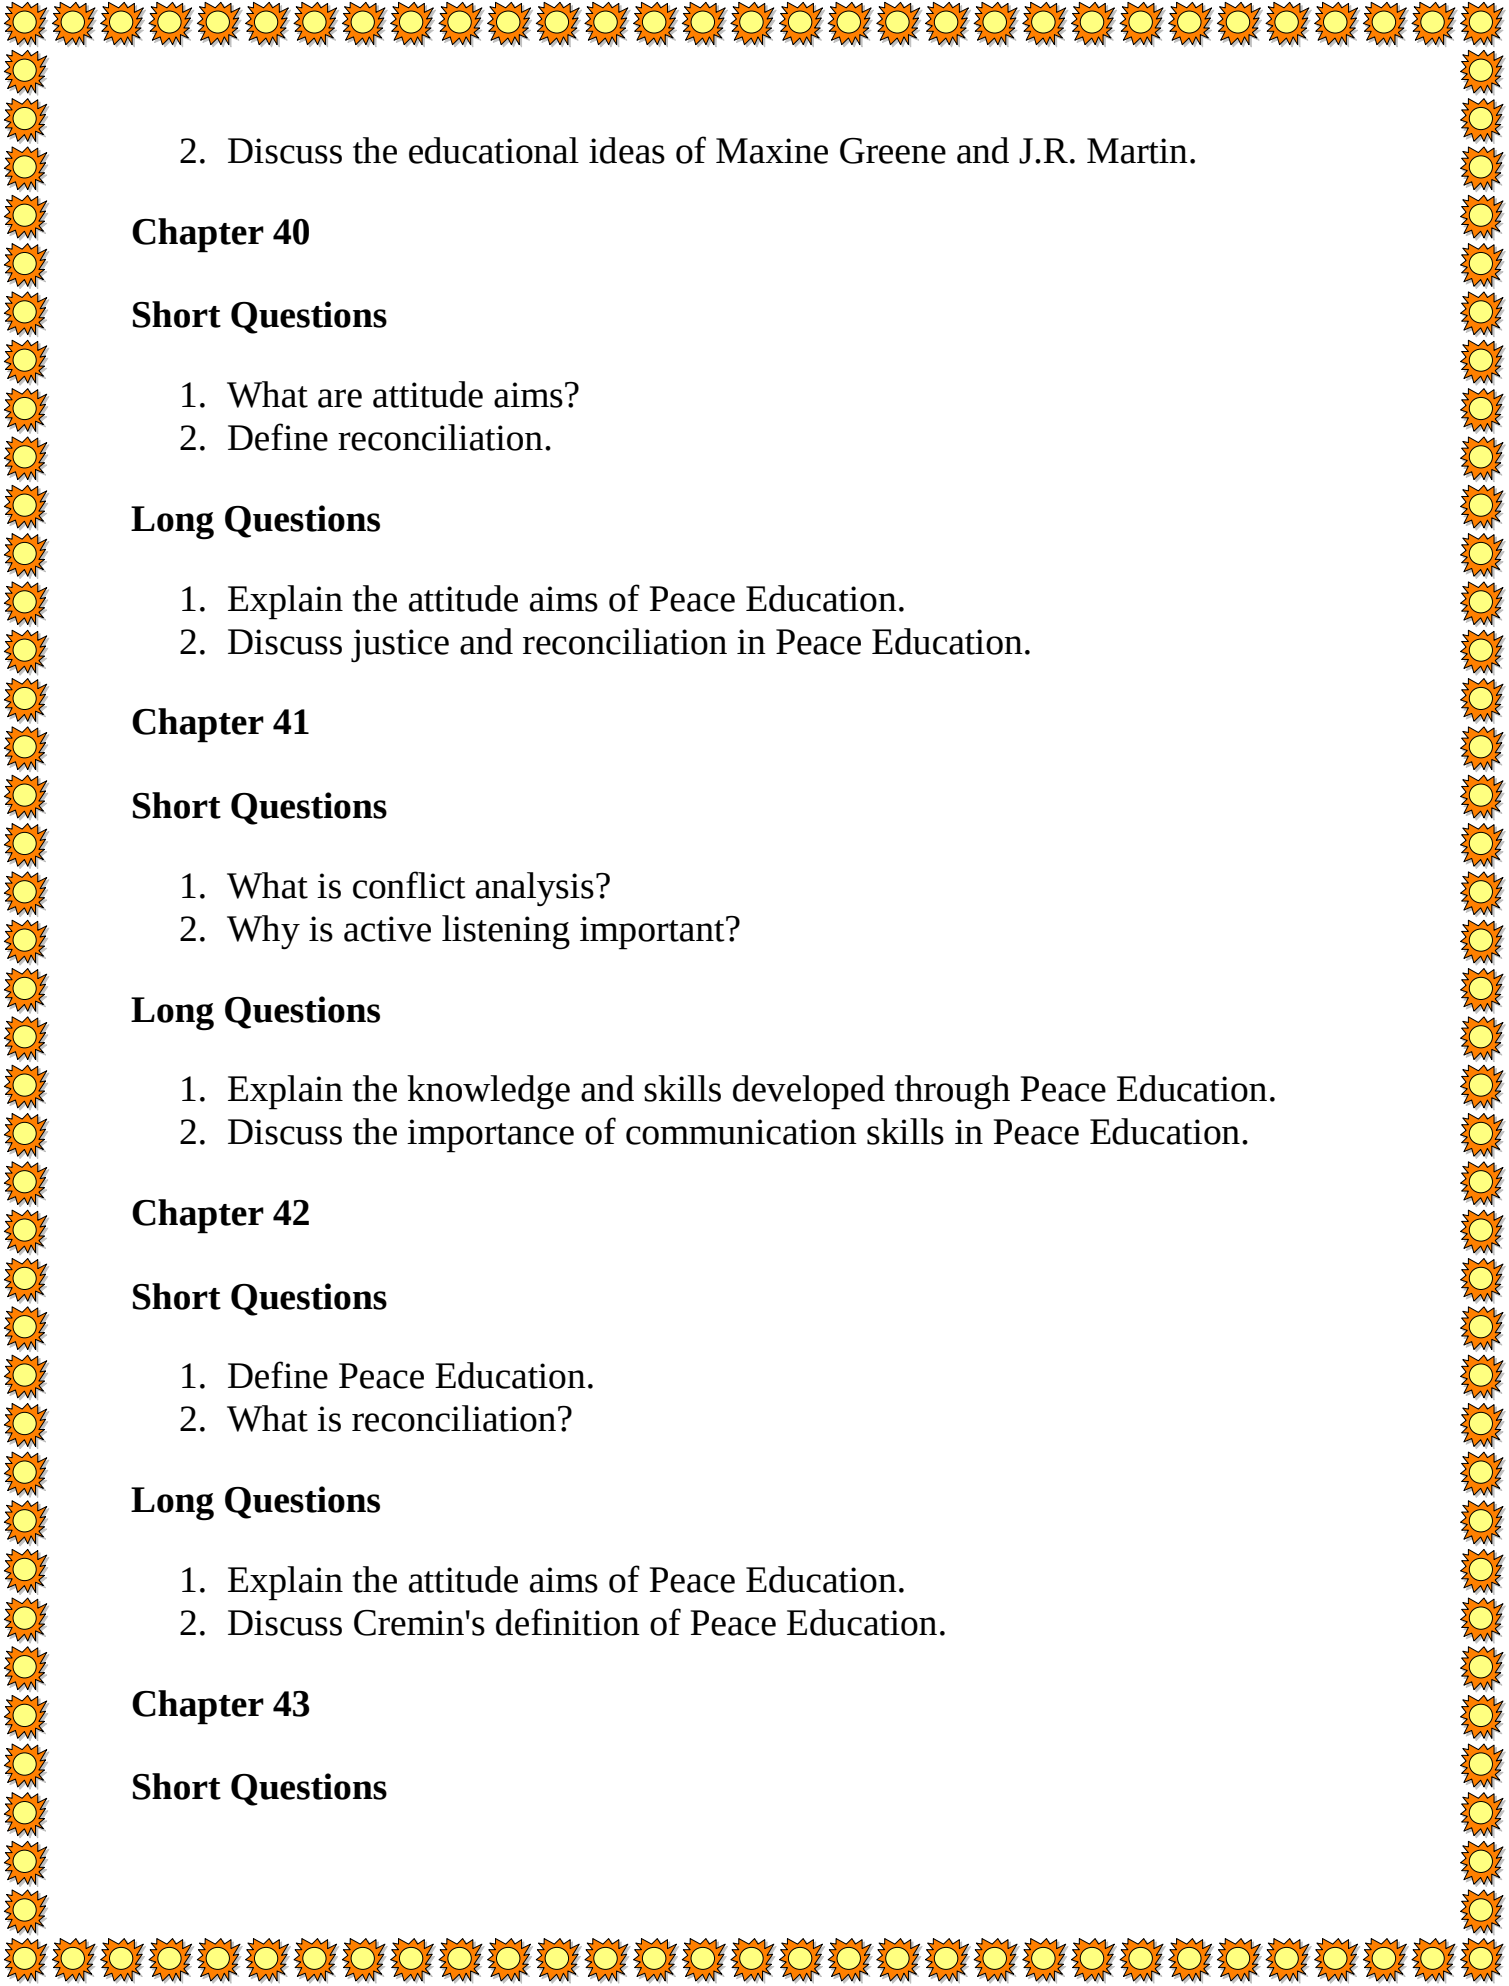

Chapter 39

Short Questions

1. What are the skill aims of Peace Education?
2. Explain the concept of "Schools as Homes."

Long Questions

1. Explain the skill aims of Peace Education.

- 
2. Discuss the educational ideas of Maxine Greene and J.R. Martin.

Chapter 40

Short Questions

1. What are attitude aims?
2. Define reconciliation.

Long Questions

1. Explain the attitude aims of Peace Education.
2. Discuss justice and reconciliation in Peace Education.

Chapter 41

Short Questions

1. What is conflict analysis?
2. Why is active listening important?

Long Questions

1. Explain the knowledge and skills developed through Peace Education.
2. Discuss the importance of communication skills in Peace Education.

Chapter 42

Short Questions

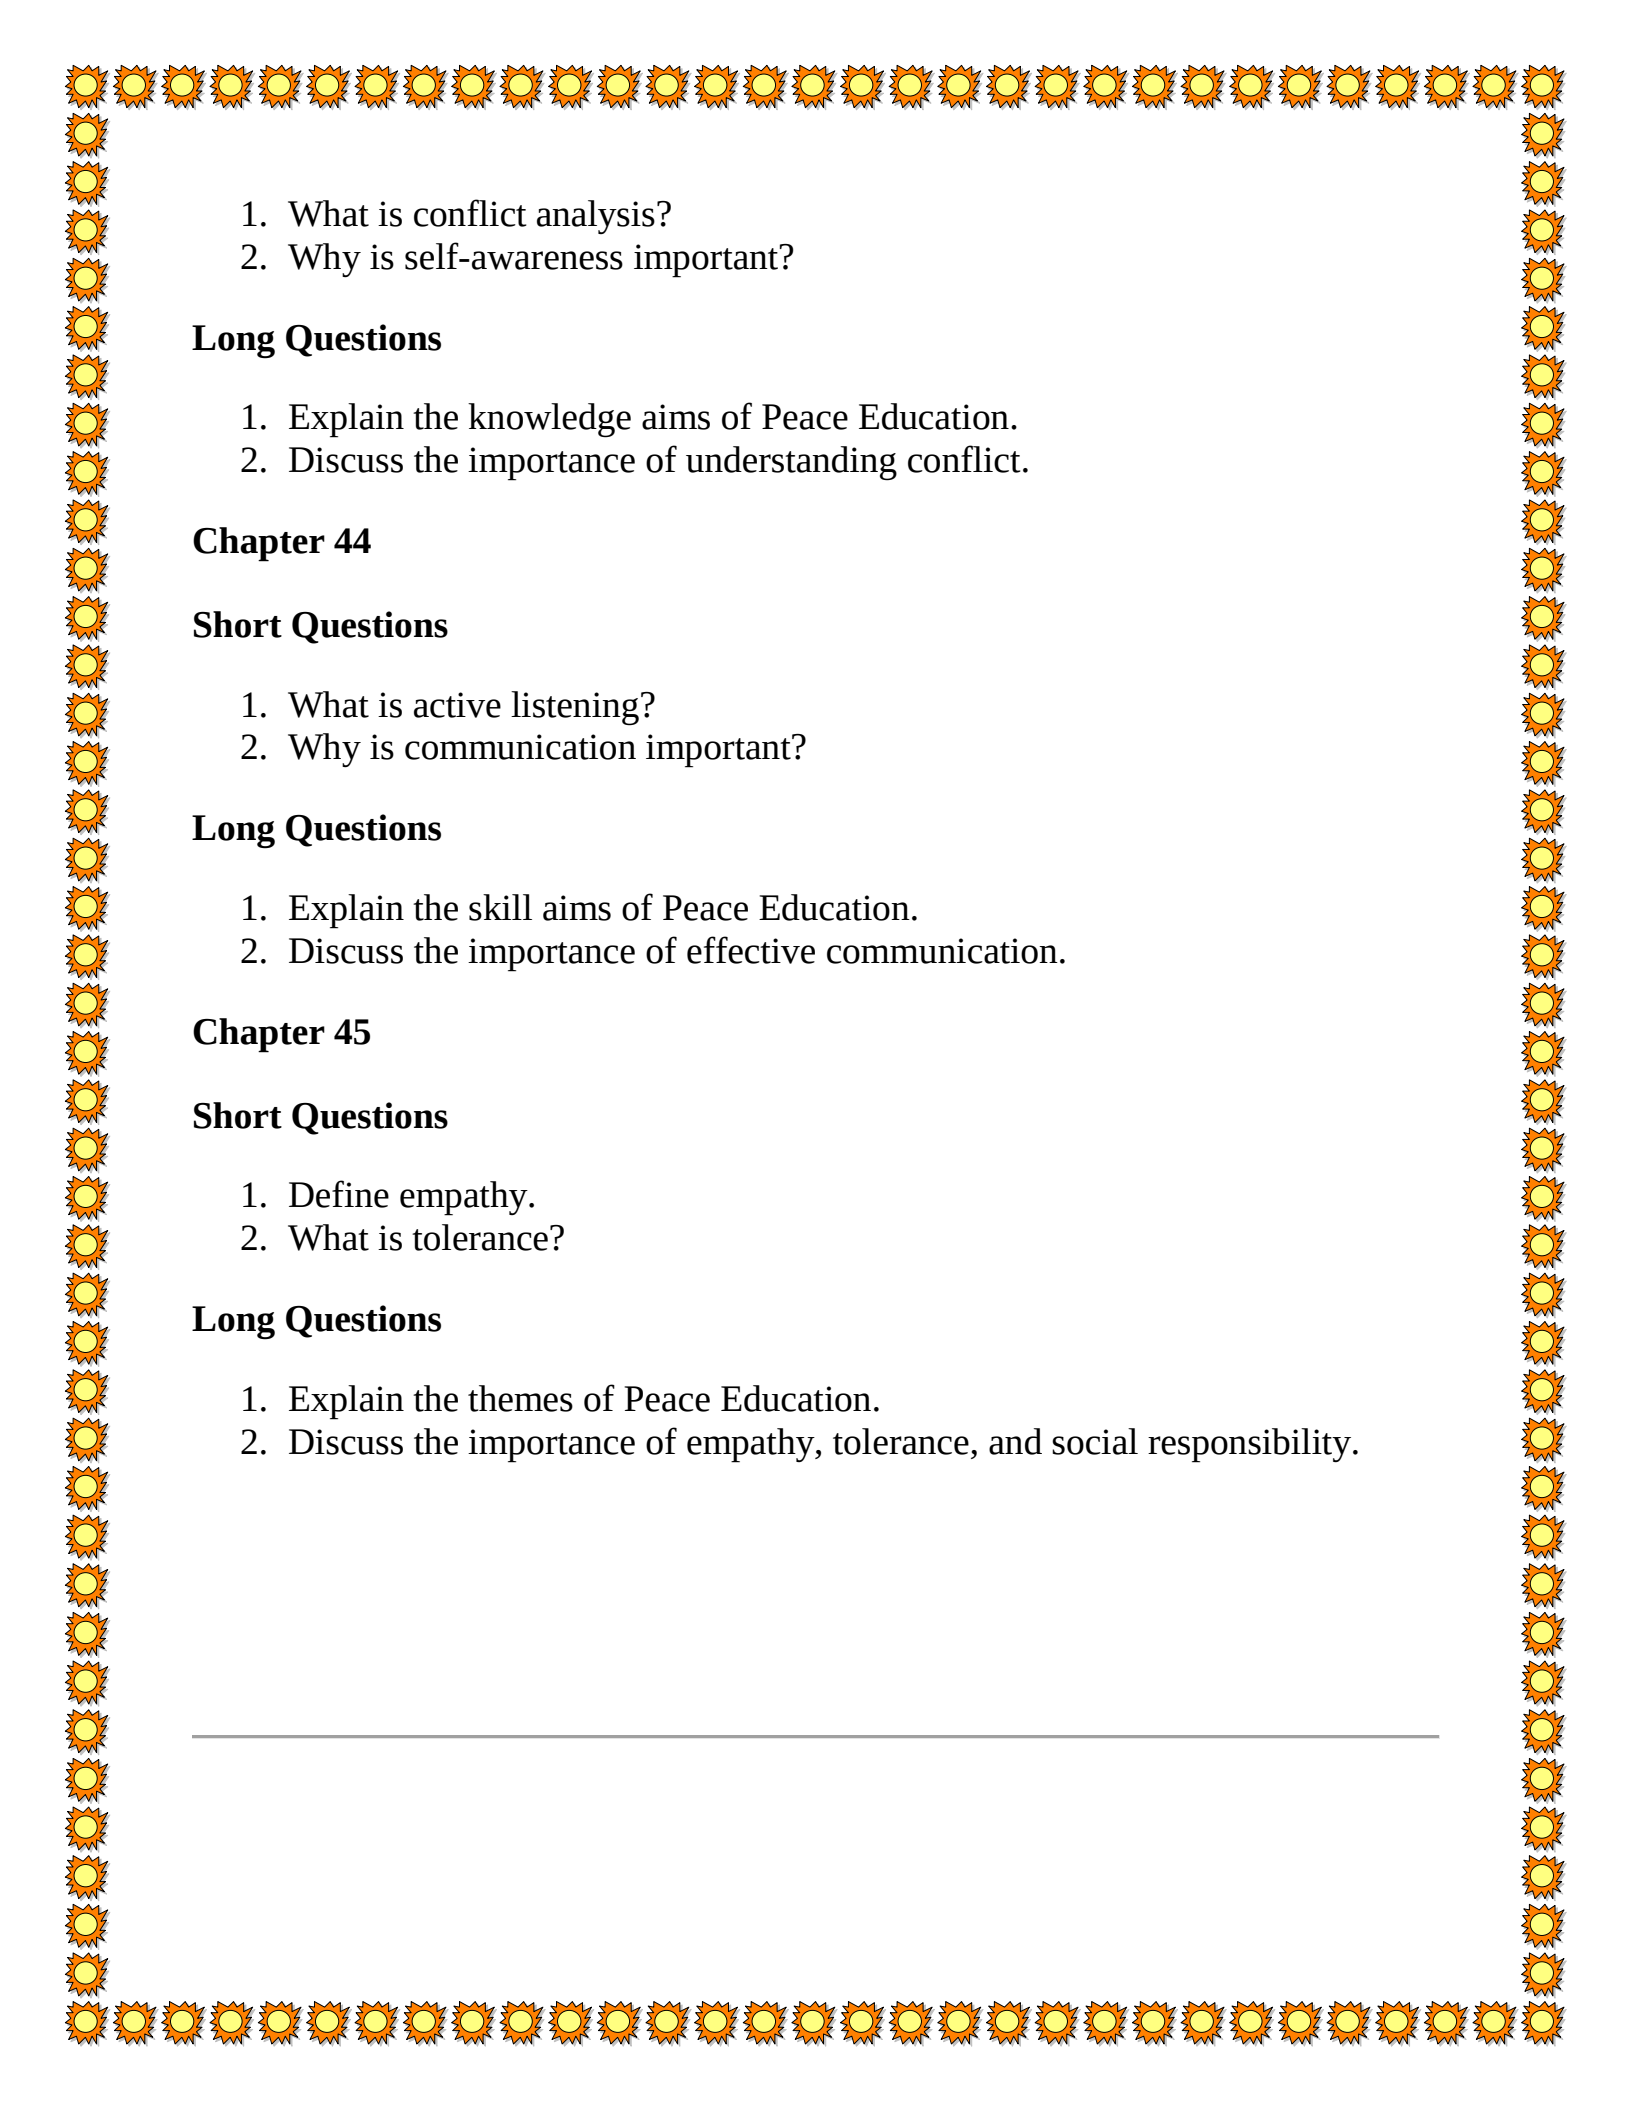

1. Define Peace Education.
2. What is reconciliation?

Long Questions

1. Explain the attitude aims of Peace Education.
2. Discuss Cremin's definition of Peace Education.

Chapter 43

Short Questions

- 
1. What is conflict analysis?
 2. Why is self-awareness important?

Long Questions

1. Explain the knowledge aims of Peace Education.
2. Discuss the importance of understanding conflict.

Chapter 44

Short Questions

1. What is active listening?
2. Why is communication important?

Long Questions

1. Explain the skill aims of Peace Education.
2. Discuss the importance of effective communication.

Chapter 45

Short Questions

1. Define empathy.
2. What is tolerance?

Long Questions

1. Explain the themes of Peace Education.
 2. Discuss the importance of empathy, tolerance, and social responsibility.
-

Chapter 23

Short Question 1: What is Free and Accessible Education?

- Education available to every child without discrimination.
- Free from financial barriers.
- Accessible to students with disabilities.
- Equal learning opportunities for all.

Short Question 2: Why is teacher participation important?

- Ensures successful inclusive education.
- Identifies students' learning needs.
- Encourages equal participation.
- Creates a supportive classroom.

Long Question 1: Benefits of Free and Accessible Education

- Equal educational opportunities.
- Reduces poverty.
- Improves literacy.
- Promotes social equality.
- Encourages inclusion.
- Develops skilled citizens.
- Supports national development.

Long Question 2: Role of Teachers in Inclusive Education

- Treat all students equally.
 - Adapt teaching methods.
 - Encourage participation.
 - Assess students fairly.
 - Work with parents.
 - Create an inclusive environment.
 - Respect individual differences.
-

Chapter 24

Short Question 1: Why is education called an investment?

- Increases knowledge and skills.
- Improves employment opportunities.
- Promotes economic growth.
- Benefits individuals and society.

Short Question 2: Define cost-effective education.

- Education that gives maximum benefits at minimum cost.
- Uses available resources efficiently.
- Produces better educational outcomes.

Long Question 1: Cost Effectiveness of Inclusive Education

- One school serves all learners.
- Reduces separate education costs.
- Uses shared facilities.
- Promotes equal opportunities.
- Improves social inclusion.
- Saves government resources.

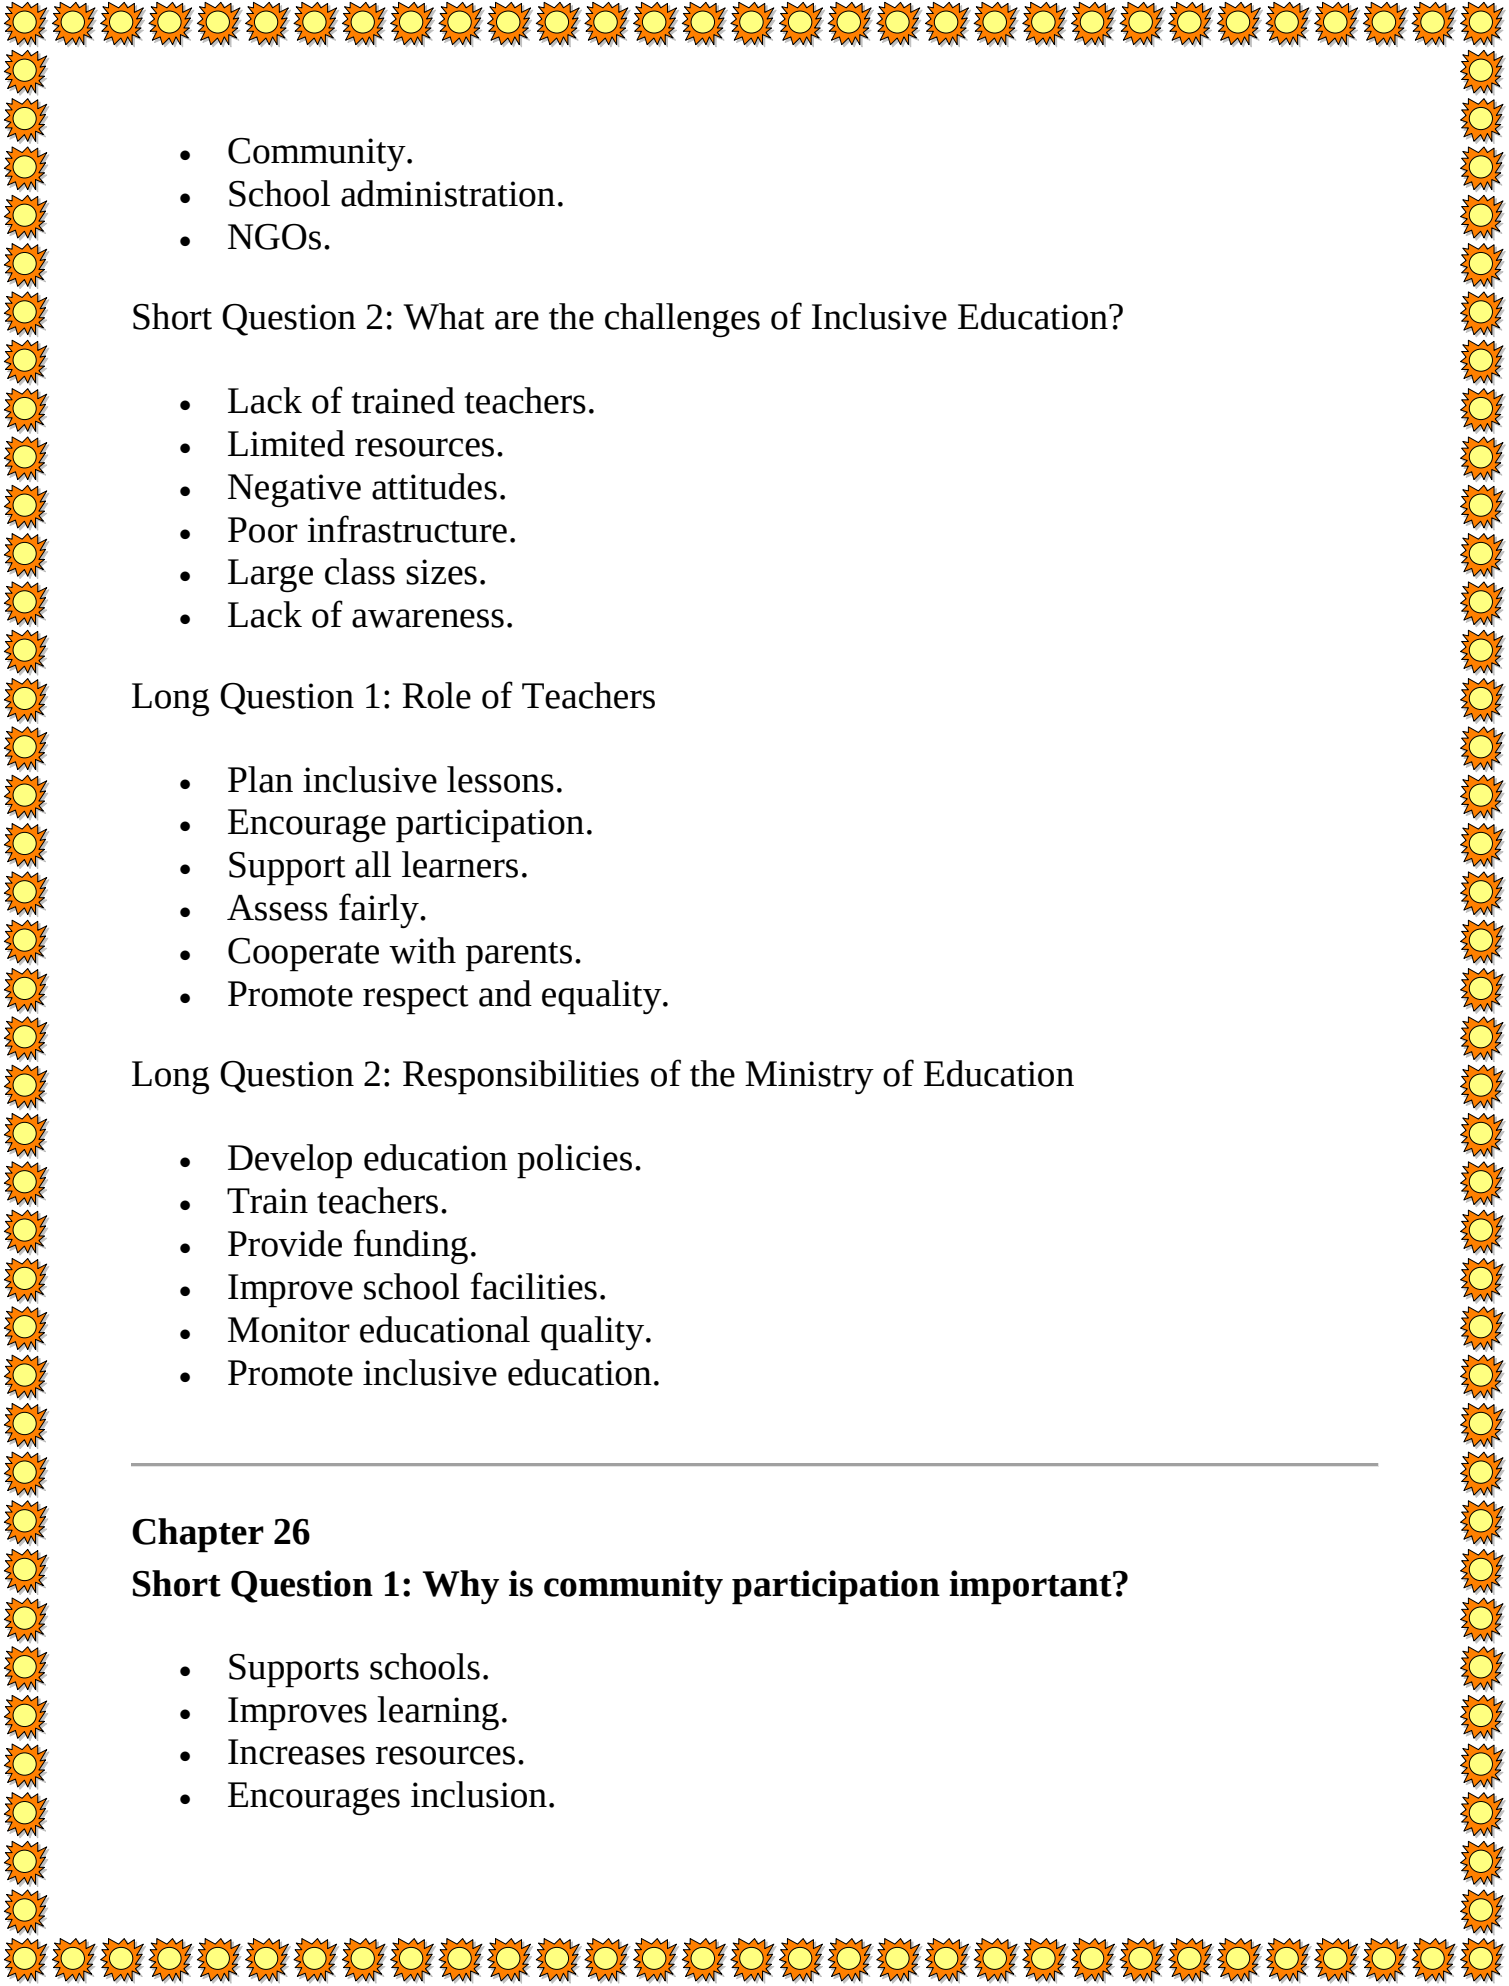

Long Question 2: World Bank's Opinion about Inclusive Education

- Supports education for all.
- Inclusive education improves quality.
- Reduces educational inequality.
- Helps national development.
- Encourages equal participation.

Chapter 25

Short Question 1: Who are the key players in Inclusive Education?

- Teachers.
- Parents.
- Students.
- Ministry of Education.

- 
- Community.
 - School administration.
 - NGOs.

Short Question 2: What are the challenges of Inclusive Education?

- Lack of trained teachers.
- Limited resources.
- Negative attitudes.
- Poor infrastructure.
- Large class sizes.
- Lack of awareness.

Long Question 1: Role of Teachers

- Plan inclusive lessons.
- Encourage participation.
- Support all learners.
- Assess fairly.
- Cooperate with parents.
- Promote respect and equality.

Long Question 2: Responsibilities of the Ministry of Education

- Develop education policies.
- Train teachers.
- Provide funding.
- Improve school facilities.
- Monitor educational quality.
- Promote inclusive education.

Chapter 26

Short Question 1: Why is community participation important?

- Supports schools.
- Improves learning.
- Increases resources.
- Encourages inclusion.

- Solves educational problems.

Short Question 2: Explain the South African example.

- Community supported inclusive education.
- Parents participated actively.
- Schools welcomed all learners.
- Promoted equality and participation.

Long Question 1: Role of Families in Inclusive Education

- Support children's learning.
- Attend school meetings.
- Encourage confidence.
- Work with teachers.
- Promote regular attendance.
- Help with learning at home.

Long Question 2: Community Support in Education

- Provides resources.
- Encourages school improvement.
- Supports teachers.
- Promotes awareness.
- Helps disadvantaged students.
- Creates an inclusive environment.

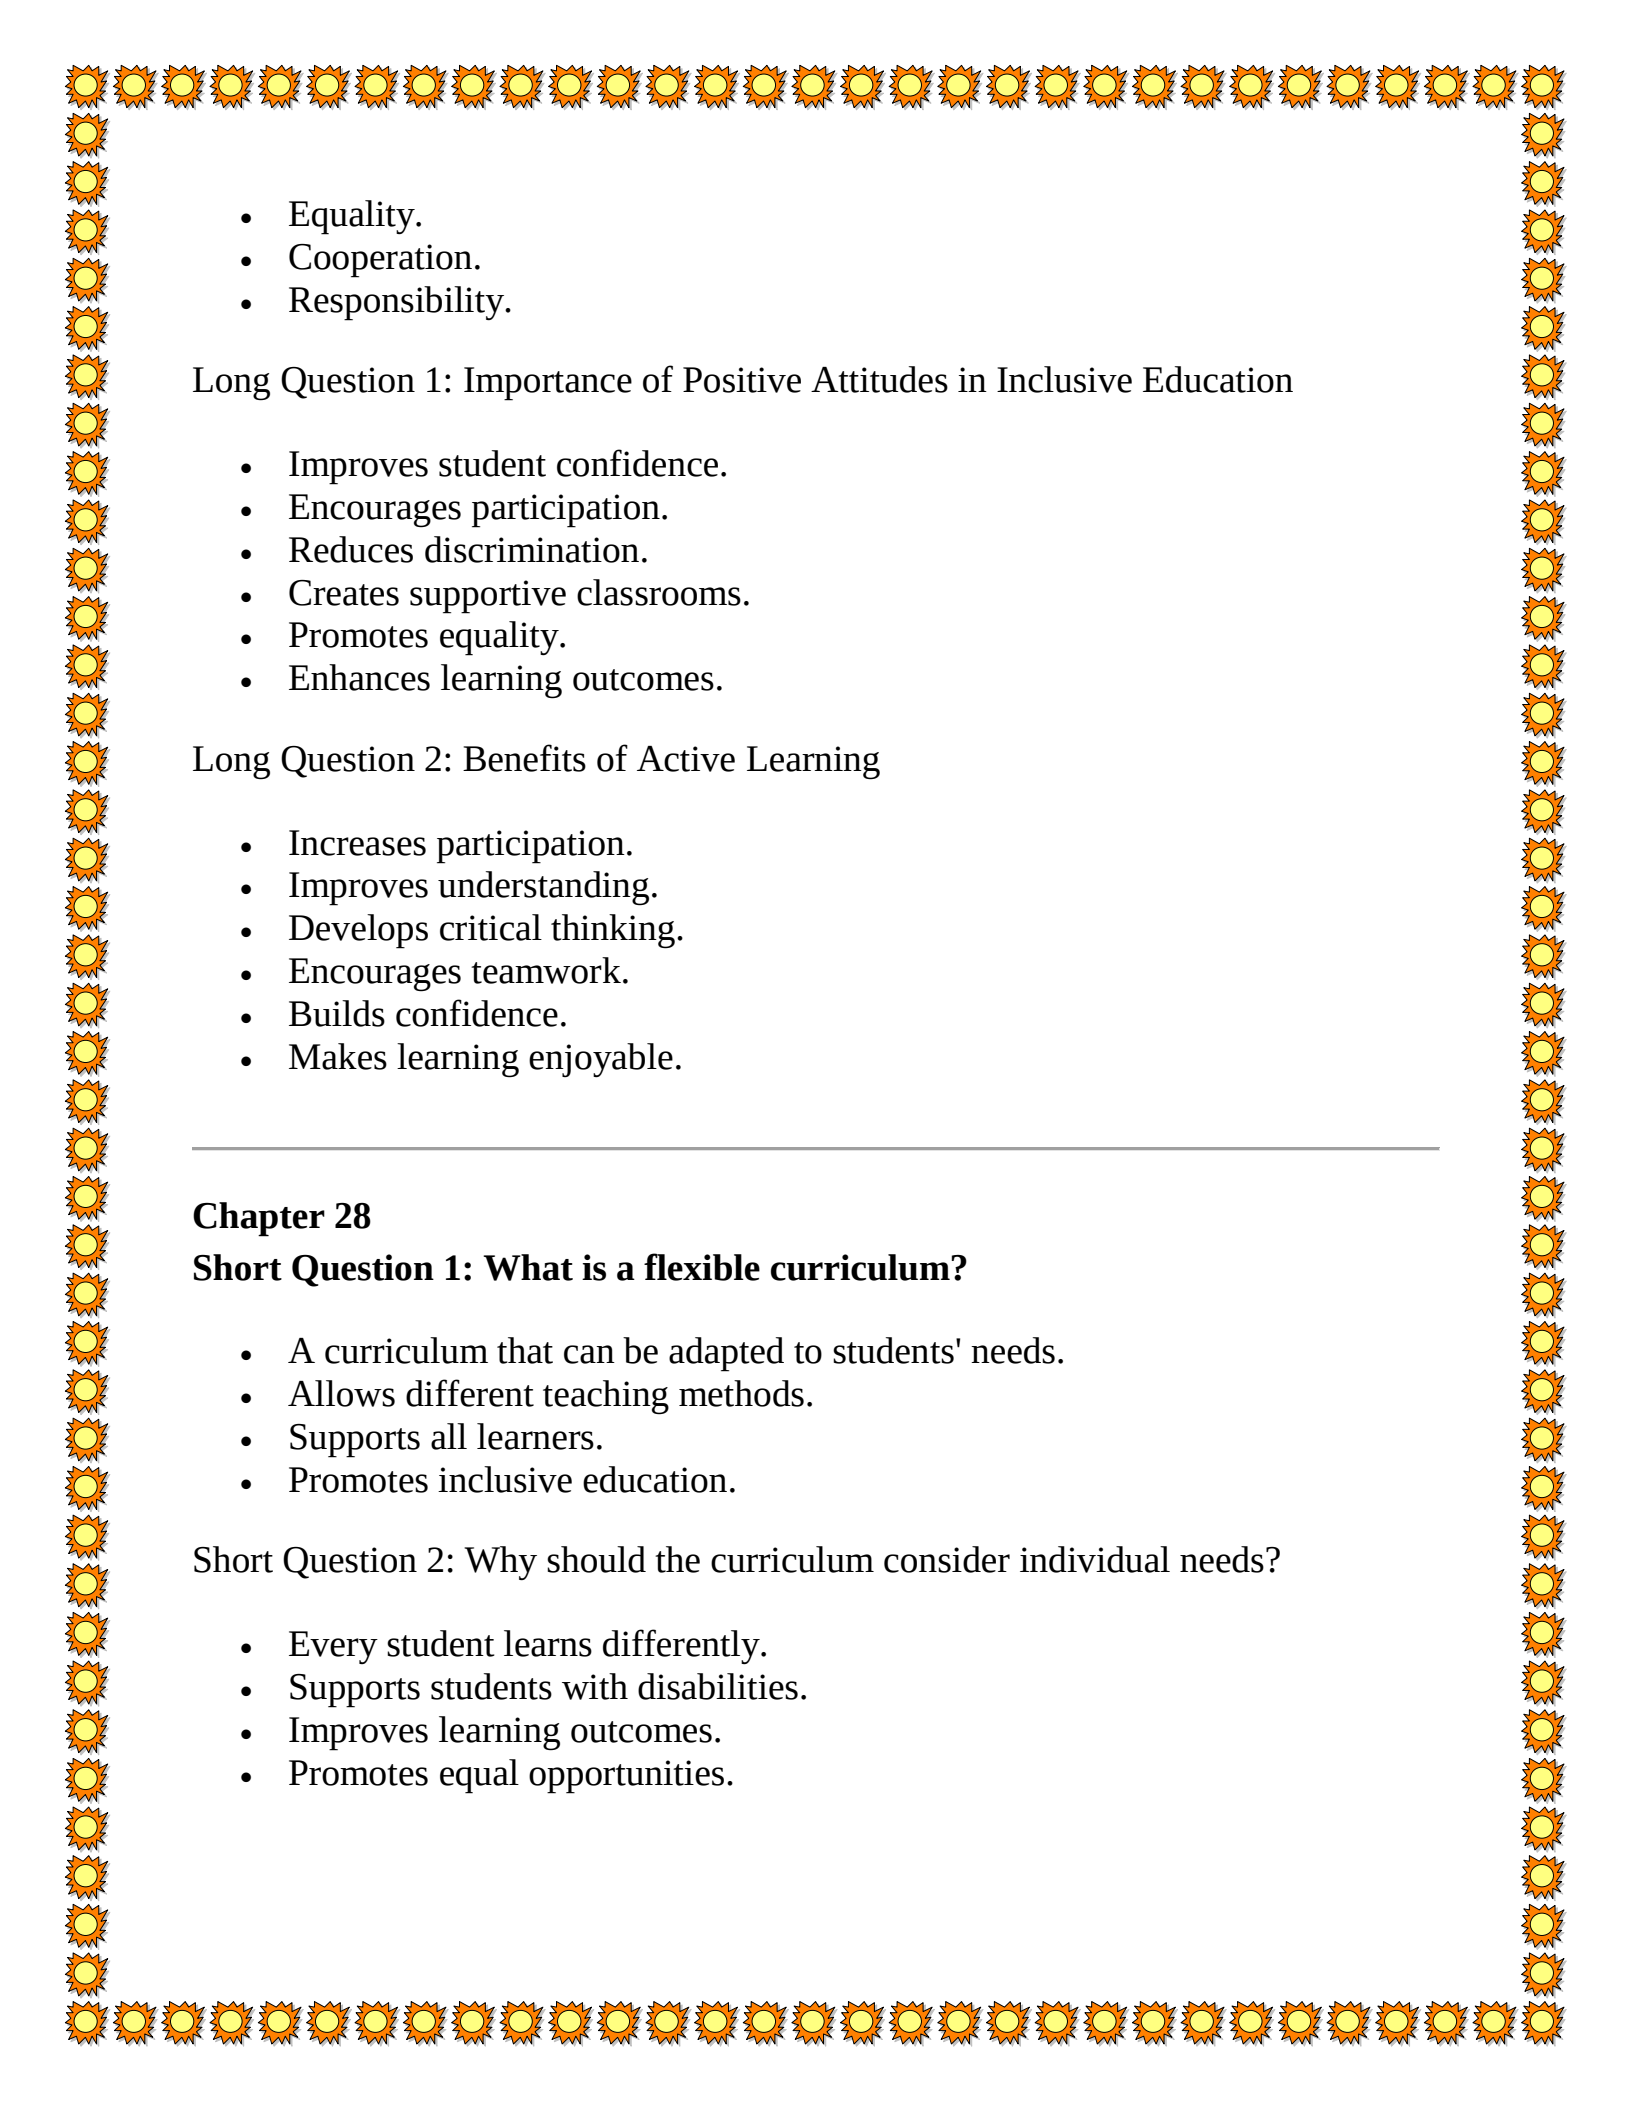

Chapter 27

Short Question 1: Why are teachers' attitudes important?

- Influence student learning.
- Promote confidence.
- Encourage inclusion.
- Create a positive classroom.

Short Question 2: What are shared values?

- Common beliefs.
- Mutual respect.

- 
- Equality.
 - Cooperation.
 - Responsibility.

Long Question 1: Importance of Positive Attitudes in Inclusive Education

- Improves student confidence.
- Encourages participation.
- Reduces discrimination.
- Creates supportive classrooms.
- Promotes equality.
- Enhances learning outcomes.

Long Question 2: Benefits of Active Learning

- Increases participation.
- Improves understanding.
- Develops critical thinking.
- Encourages teamwork.
- Builds confidence.
- Makes learning enjoyable.

Chapter 28

Short Question 1: What is a flexible curriculum?

- A curriculum that can be adapted to students' needs.
- Allows different teaching methods.
- Supports all learners.
- Promotes inclusive education.

Short Question 2: Why should the curriculum consider individual needs?

- Every student learns differently.
- Supports students with disabilities.
- Improves learning outcomes.
- Promotes equal opportunities.

Long Question 1: Strategies for Developing Accessible Curricula

- Make learning student-centred.
- Adapt teaching methods.
- Use simple and clear language.
- Provide different learning materials.
- Use assistive technology.
- Allow flexible assessment.
- Encourage active participation.

Long Question 2: Characteristics of a Flexible Curriculum

- Student-centred.
- Inclusive.
- Adaptable.
- Accessible.
- Activity-based.
- Encourages participation.
- Meets individual learning needs.

Chapter 29

Short Question 1: What is empowerment?

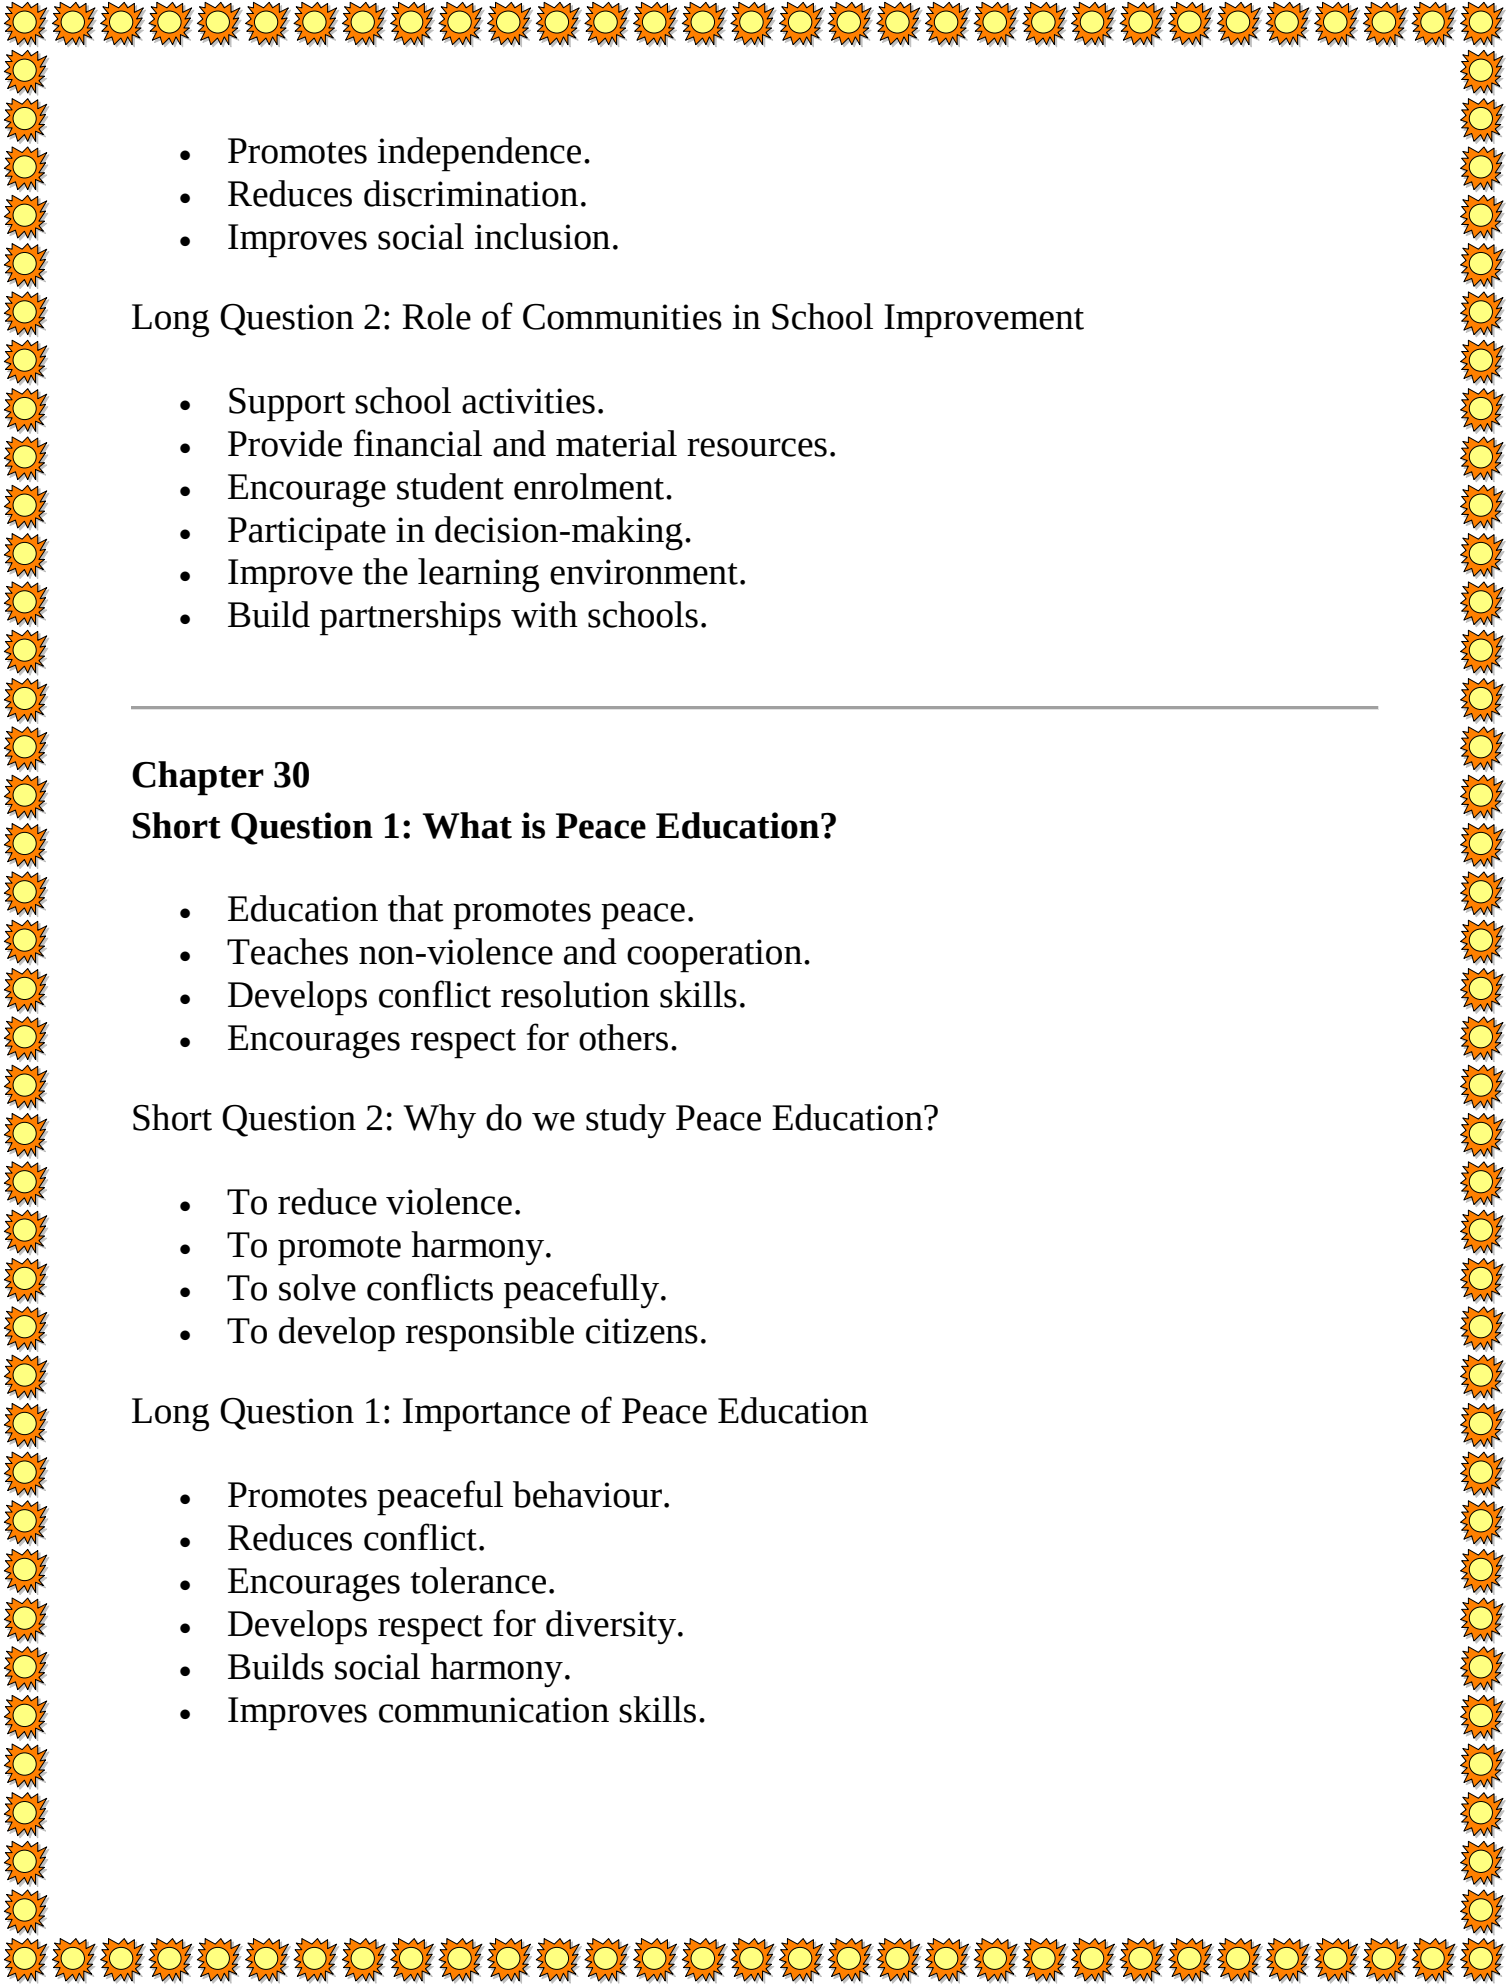

- Giving people confidence and opportunities.
- Enabling individuals to make decisions.
- Helping people achieve their potential.

Short Question 2: Why is community participation important?

- Improves school quality.
- Supports students and teachers.
- Provides resources.
- Promotes inclusive education.

Long Question 1: Empowerment for All

- Gives equal opportunities.
- Develops confidence.
- Encourages participation.

- 
- Promotes independence.
 - Reduces discrimination.
 - Improves social inclusion.

Long Question 2: Role of Communities in School Improvement

- Support school activities.
 - Provide financial and material resources.
 - Encourage student enrolment.
 - Participate in decision-making.
 - Improve the learning environment.
 - Build partnerships with schools.
-

Chapter 30

Short Question 1: What is Peace Education?

- Education that promotes peace.
- Teaches non-violence and cooperation.
- Develops conflict resolution skills.
- Encourages respect for others.

Short Question 2: Why do we study Peace Education?

- To reduce violence.
- To promote harmony.
- To solve conflicts peacefully.
- To develop responsible citizens.

Long Question 1: Importance of Peace Education

- Promotes peaceful behaviour.
- Reduces conflict.
- Encourages tolerance.
- Develops respect for diversity.
- Builds social harmony.
- Improves communication skills.

Long Question 2: Objectives of Peace Education

- Promote peace.
 - Develop tolerance.
 - Teach conflict resolution.
 - Encourage cooperation.
 - Build respect for human rights.
 - Create responsible citizens.
-

Chapter 31

Short Question 1: Define Peace Studies.

- The study of peace, conflict, and non-violent solutions.
- Focuses on preventing violence.
- Promotes peaceful societies.

Short Question 2: Why does inequality lead to violence?

- Creates frustration.
- Causes discrimination.
- Increases poverty.
- Leads to social conflict.

Long Question 1: Concept of Peace Studies

- Studies causes of conflict.
- Promotes peaceful conflict resolution.
- Encourages justice and equality.
- Supports human rights.
- Builds peaceful communities.
- Prevents violence.

Long Question 2: Relationship Between Peace and Equality

- Equality reduces discrimination.
- Equal rights promote peace.
- Justice prevents conflict.
- Equal opportunities improve harmony.
- Fair treatment builds trust.

- Peace depends on social equality.
-

Chapter 32

Short Question 1: Why are Peace Studies called an applied science?

- Applies theories to solve real-life conflicts.
- Focuses on practical peace-building.
- Promotes peaceful solutions.

Short Question 2: What is meant by trans-disciplinary studies?

- Combines knowledge from different subjects.
- Solves problems through multiple disciplines.
- Encourages integrated learning.

Long Question 1: Major Features of Peace Studies

- Interdisciplinary approach.
- Conflict analysis.
- Peace-building.
- Human rights.
- Social justice.
- Non-violence.
- Problem-solving.

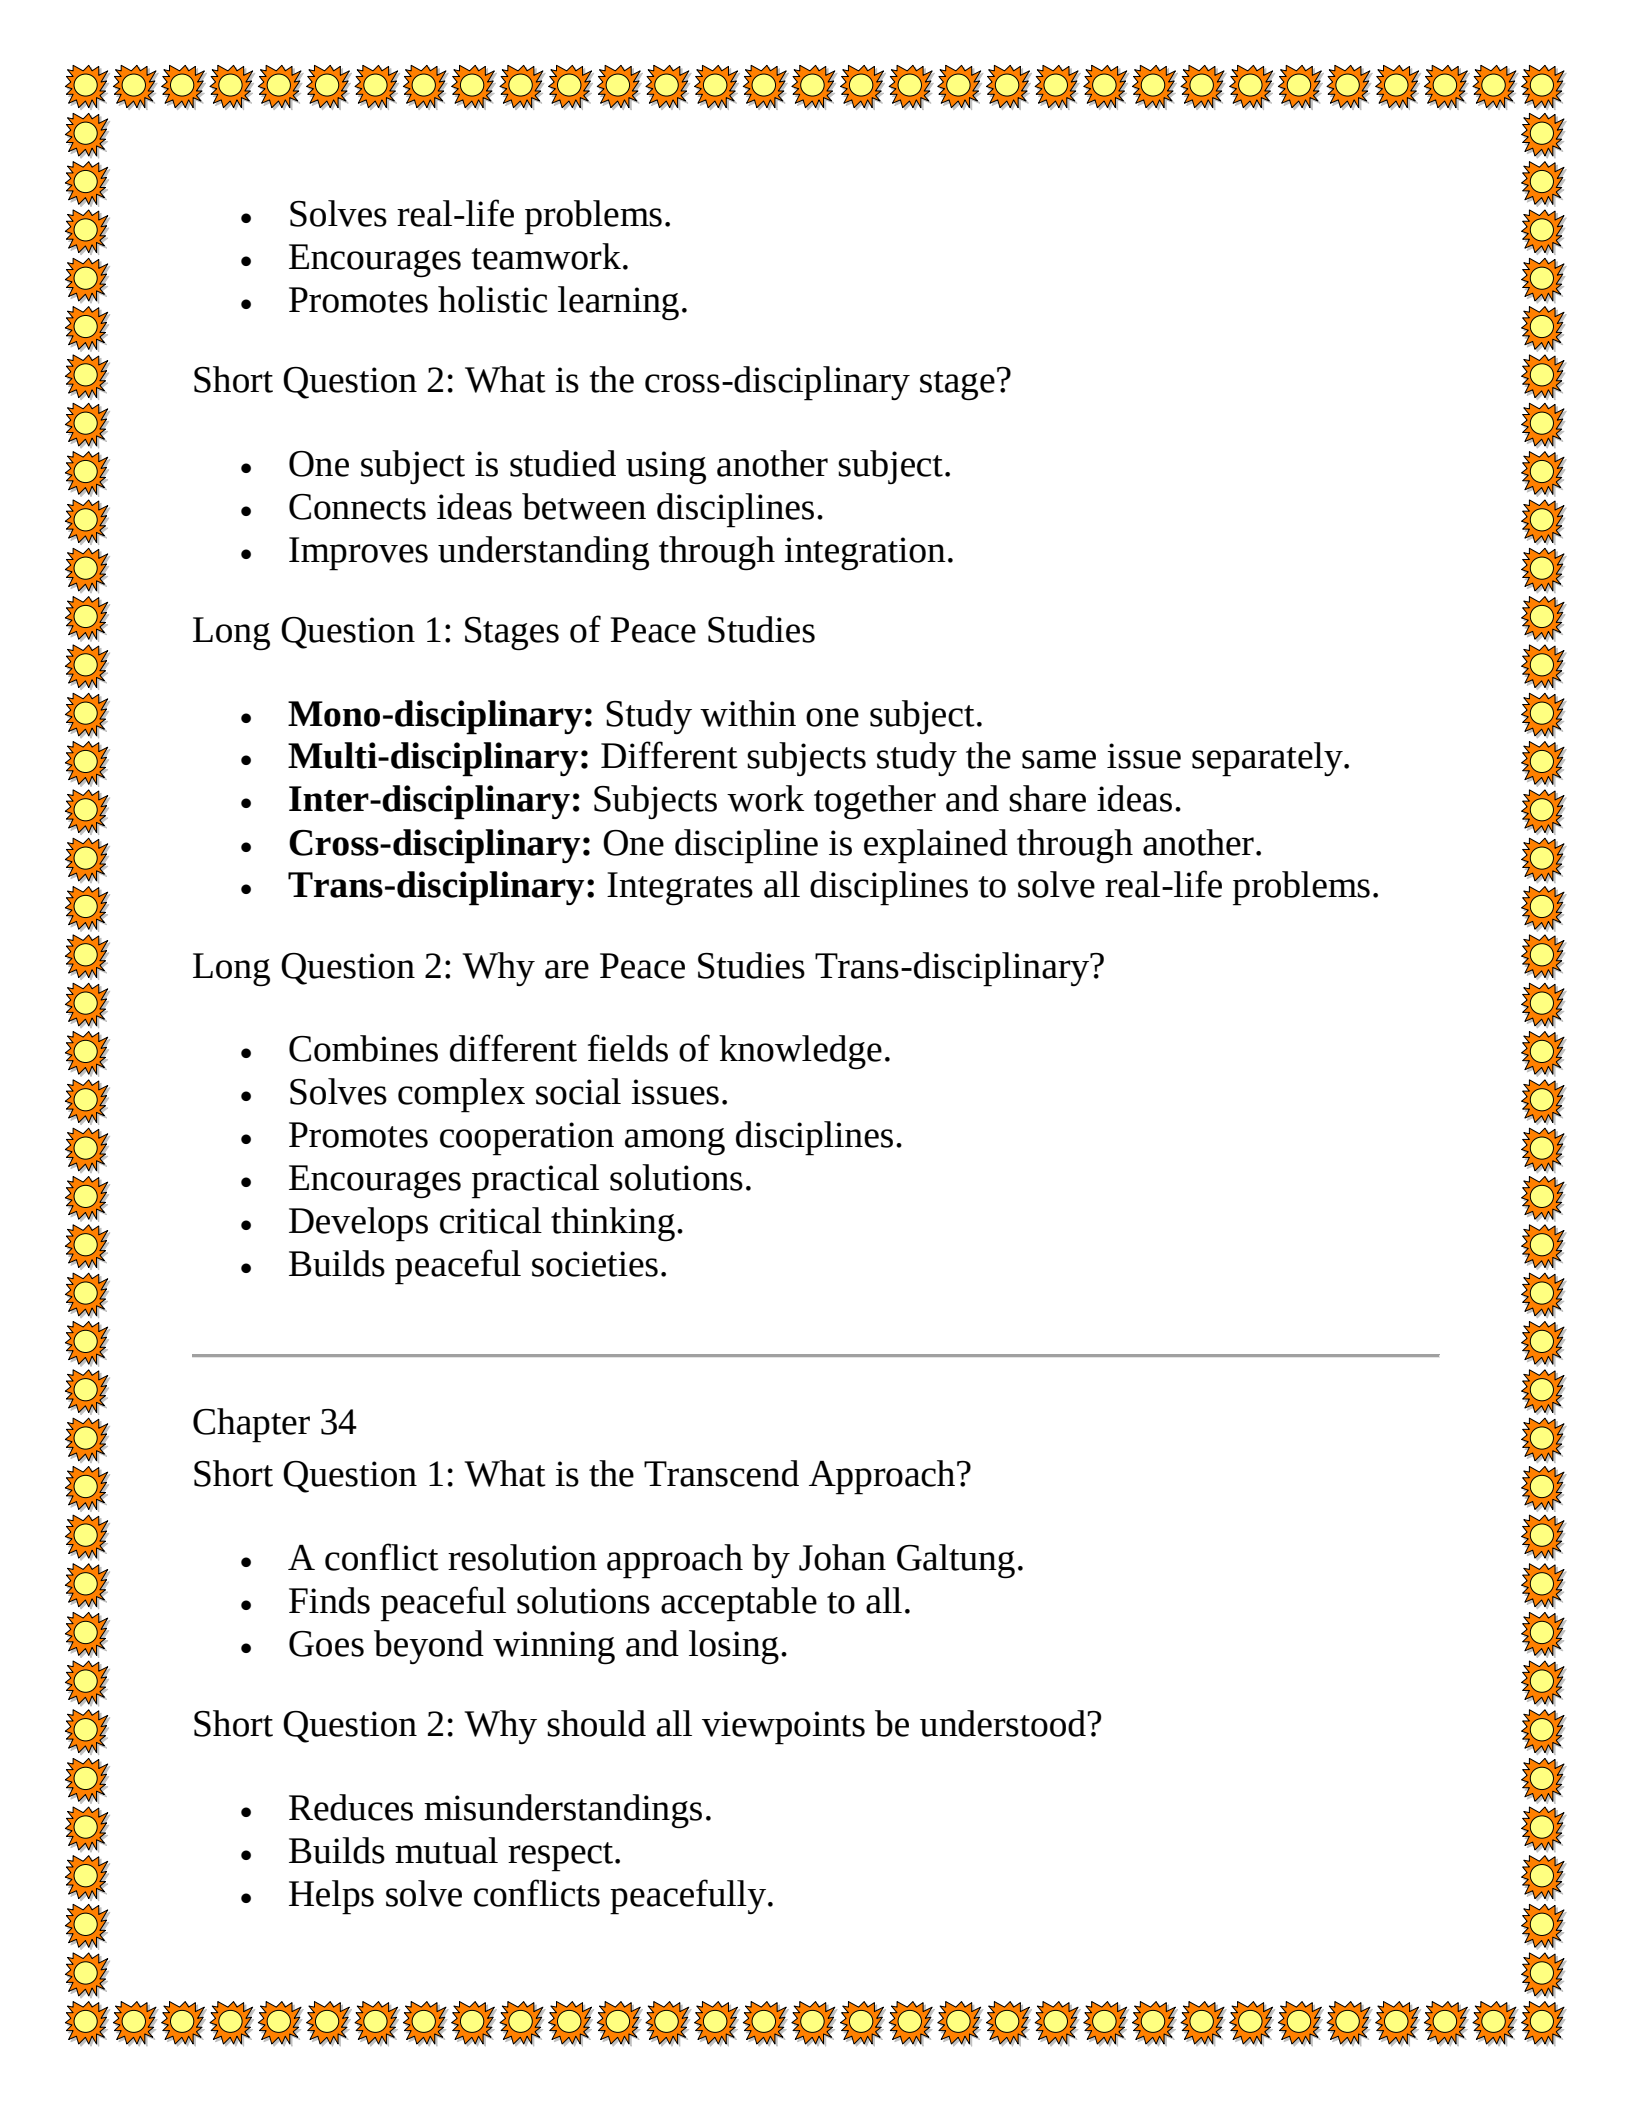

Long Question 2: Why are Peace Studies Called Trans-disciplinary?

- Combines many academic fields.
- Integrates different perspectives.
- Solves complex social problems.
- Encourages cooperation among disciplines.
- Promotes holistic understanding.
- Supports practical peace-building.

Chapter 33

Short Question 1: What is trans-disciplinary learning?

- Combines knowledge from different subjects.

- 
- Solves real-life problems.
 - Encourages teamwork.
 - Promotes holistic learning.

Short Question 2: What is the cross-disciplinary stage?

- One subject is studied using another subject.
- Connects ideas between disciplines.
- Improves understanding through integration.

Long Question 1: Stages of Peace Studies

- **Mono-disciplinary:** Study within one subject.
- **Multi-disciplinary:** Different subjects study the same issue separately.
- **Inter-disciplinary:** Subjects work together and share ideas.
- **Cross-disciplinary:** One discipline is explained through another.
- **Trans-disciplinary:** Integrates all disciplines to solve real-life problems.

Long Question 2: Why are Peace Studies Trans-disciplinary?

- Combines different fields of knowledge.
- Solves complex social issues.
- Promotes cooperation among disciplines.
- Encourages practical solutions.
- Develops critical thinking.
- Builds peaceful societies.

Chapter 34

Short Question 1: What is the Transcend Approach?

- A conflict resolution approach by Johan Galtung.
- Finds peaceful solutions acceptable to all.
- Goes beyond winning and losing.

Short Question 2: Why should all viewpoints be understood?

- Reduces misunderstandings.
- Builds mutual respect.
- Helps solve conflicts peacefully.

- Encourages cooperation.

Long Question 1: Explain the Transcend Approach

- Focuses on peaceful conflict resolution.
- Understands all parties' needs.
- Encourages dialogue.
- Promotes cooperation.
- Searches for win-win solutions.
- Builds long-term peace.

Long Question 2: Importance of Different Viewpoints in Conflict

- Improves understanding.
- Reduces prejudice.
- Encourages empathy.
- Helps identify root causes.
- Supports fair decisions.
- Promotes lasting peace.

Chapter 35

Short Question 1: Why do humans clash?

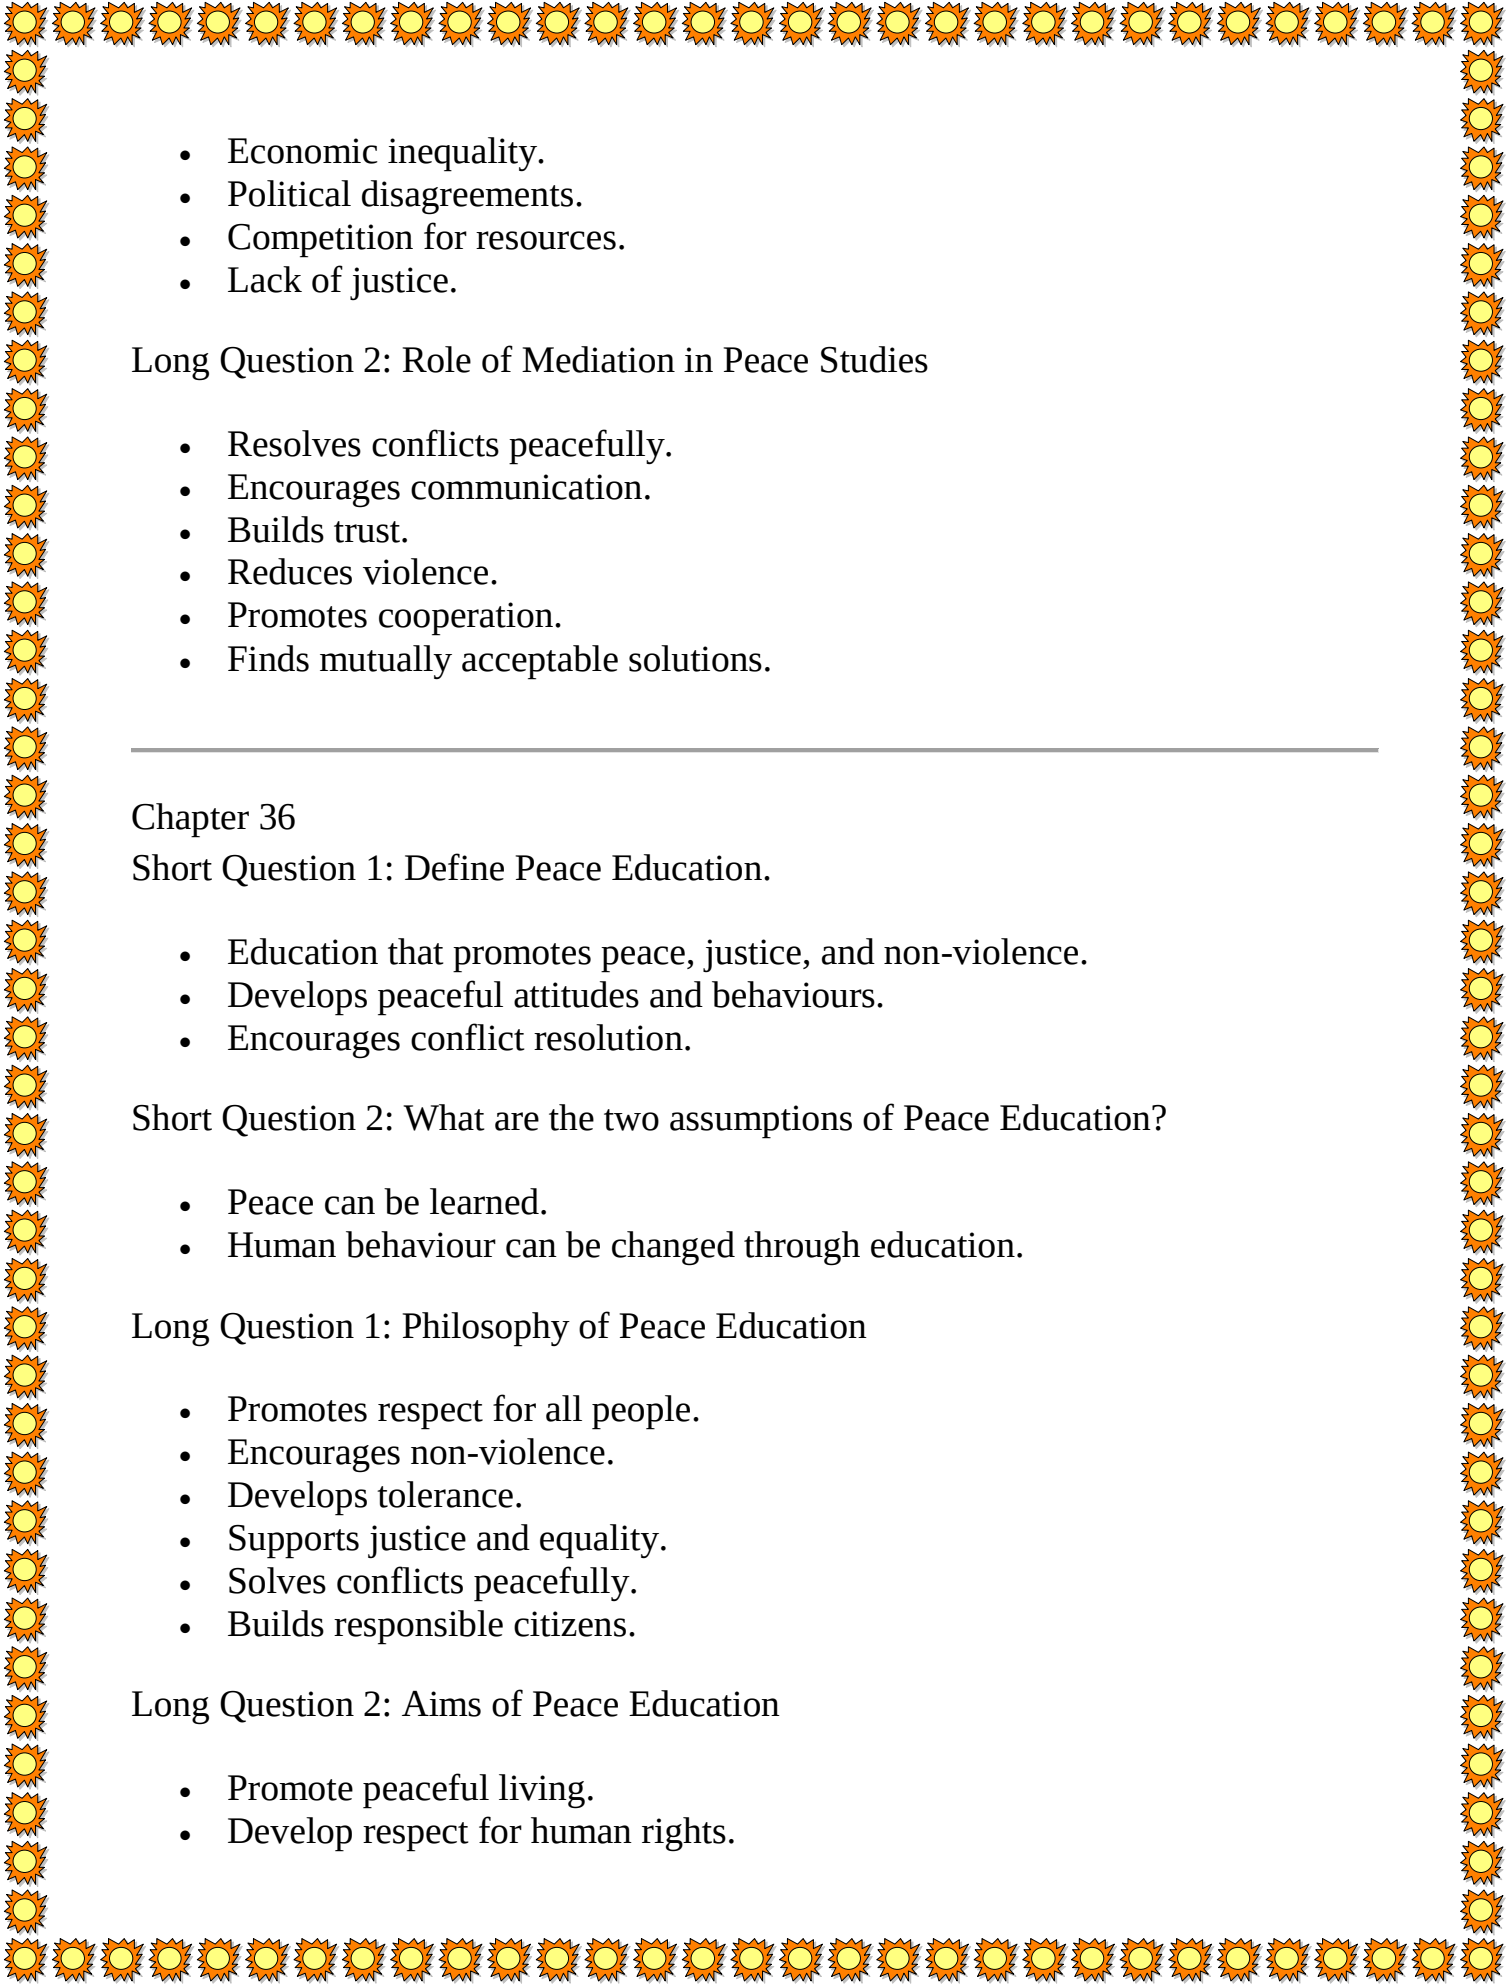

- Differences in opinions.
- Competition for resources.
- Misunderstandings.
- Inequality and injustice.

Short Question 2: What is mediation?

- A peaceful process to resolve disputes.
- A neutral person helps both sides.
- Encourages agreement through discussion.

Long Question 1: Causes of Human Conflict

- Miscommunication.
- Cultural differences.
- Religious differences.

- 
- Economic inequality.
 - Political disagreements.
 - Competition for resources.
 - Lack of justice.

Long Question 2: Role of Mediation in Peace Studies

- Resolves conflicts peacefully.
 - Encourages communication.
 - Builds trust.
 - Reduces violence.
 - Promotes cooperation.
 - Finds mutually acceptable solutions.
-

Chapter 36

Short Question 1: Define Peace Education.

- Education that promotes peace, justice, and non-violence.
- Develops peaceful attitudes and behaviours.
- Encourages conflict resolution.

Short Question 2: What are the two assumptions of Peace Education?

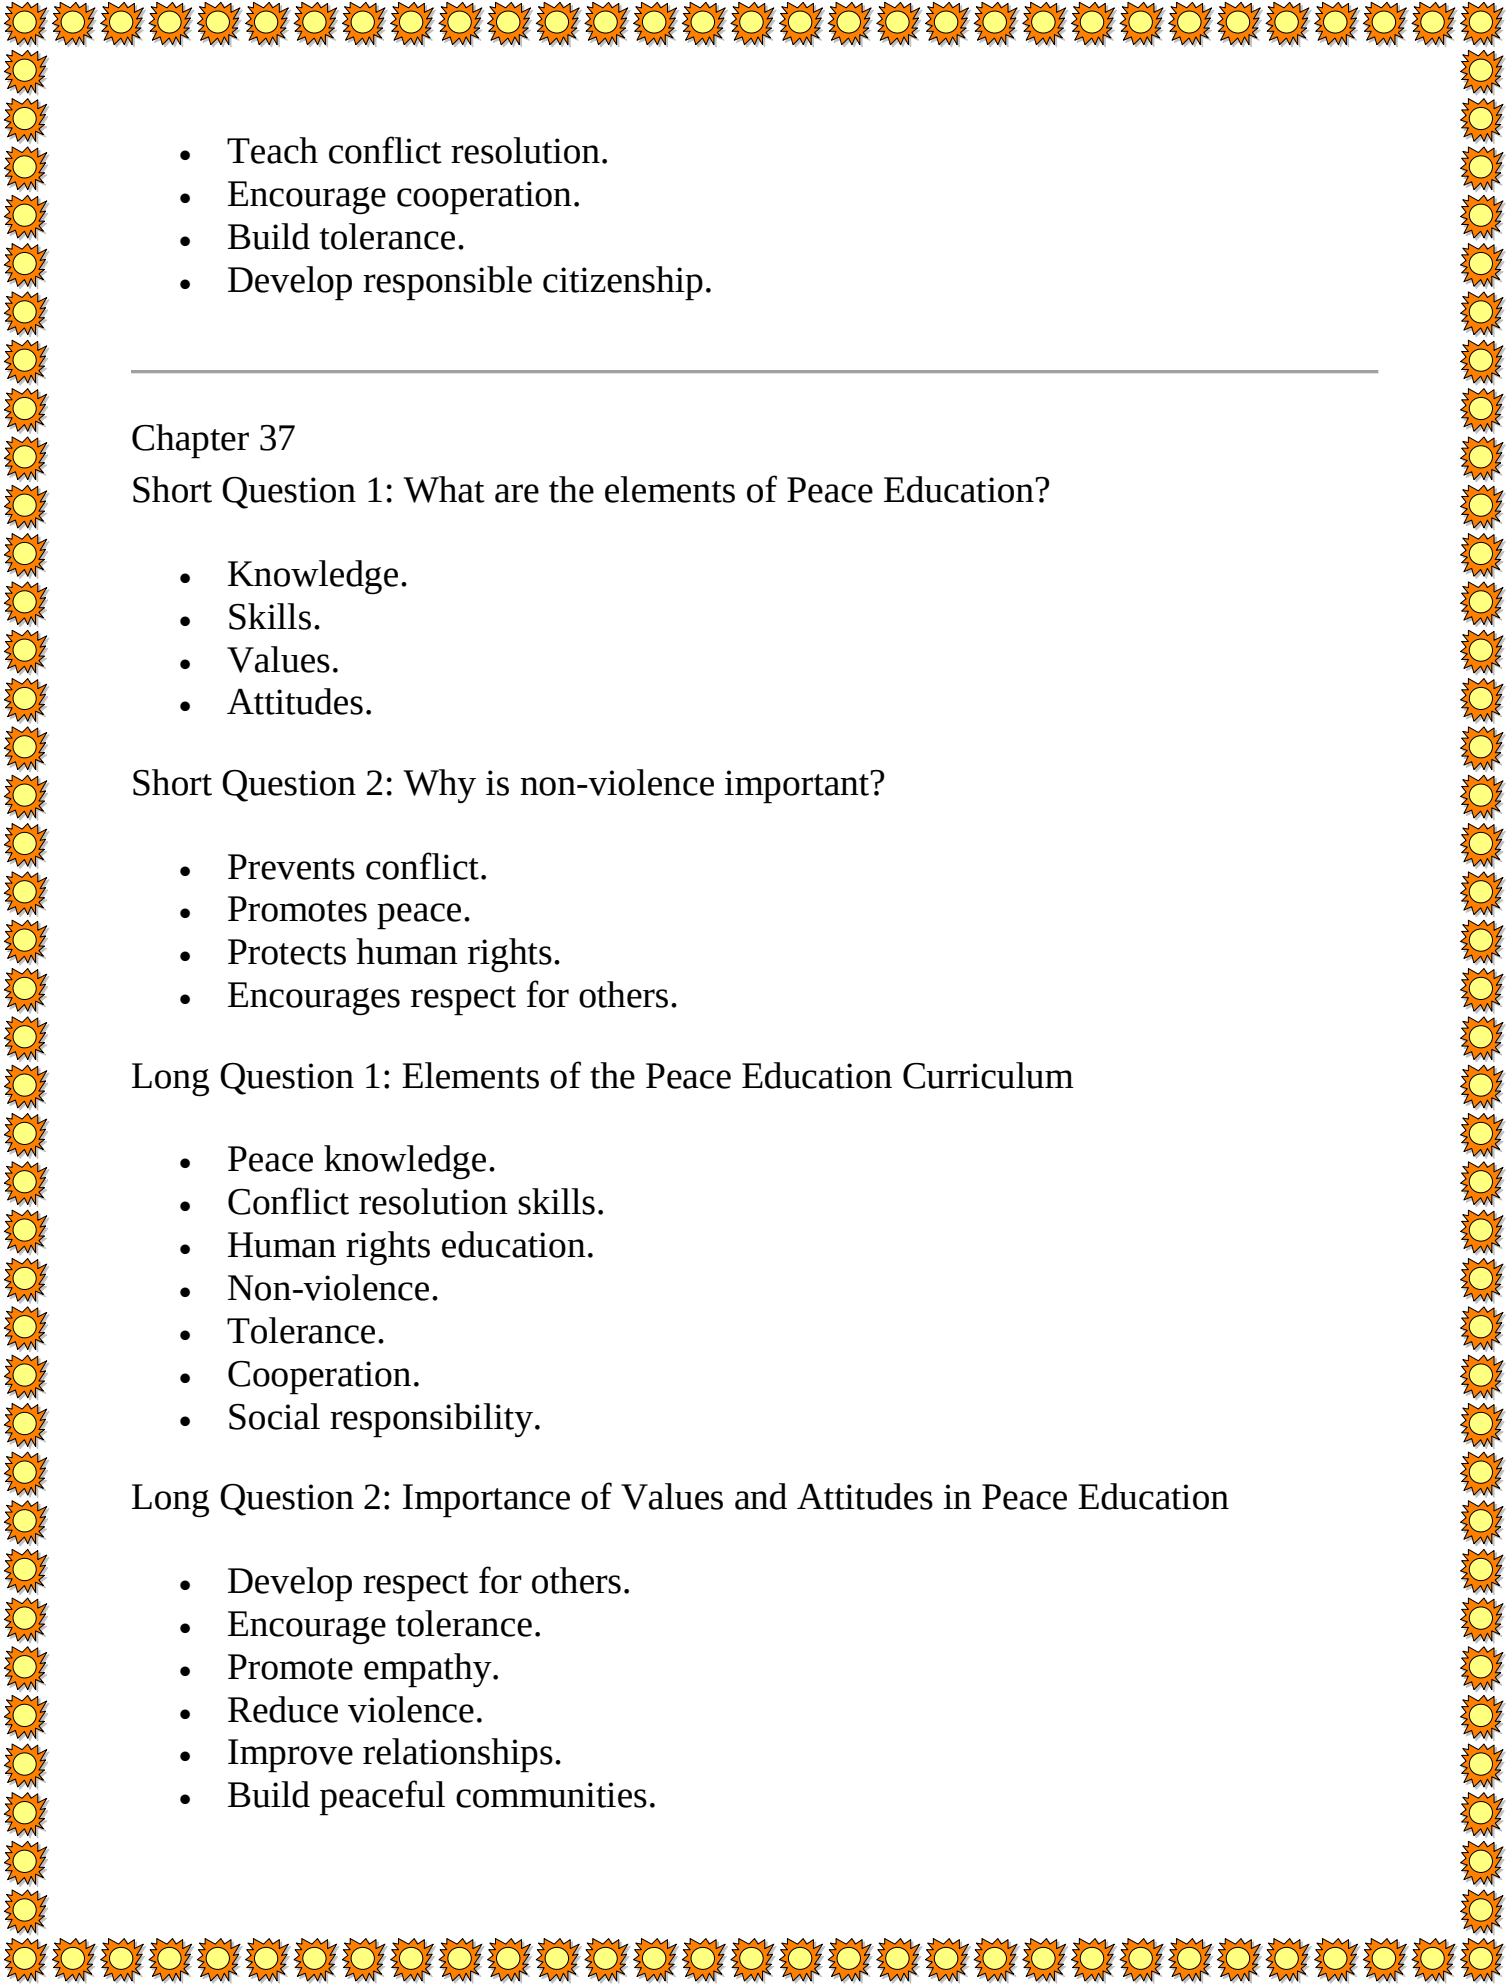

- Peace can be learned.
- Human behaviour can be changed through education.

Long Question 1: Philosophy of Peace Education

- Promotes respect for all people.
- Encourages non-violence.
- Develops tolerance.
- Supports justice and equality.
- Solves conflicts peacefully.
- Builds responsible citizens.

Long Question 2: Aims of Peace Education

- Promote peaceful living.
- Develop respect for human rights.

- 
- Teach conflict resolution.
 - Encourage cooperation.
 - Build tolerance.
 - Develop responsible citizenship.
-

Chapter 37

Short Question 1: What are the elements of Peace Education?

- Knowledge.
- Skills.
- Values.
- Attitudes.

Short Question 2: Why is non-violence important?

- Prevents conflict.
- Promotes peace.
- Protects human rights.
- Encourages respect for others.

Long Question 1: Elements of the Peace Education Curriculum

- Peace knowledge.
- Conflict resolution skills.
- Human rights education.
- Non-violence.
- Tolerance.
- Cooperation.
- Social responsibility.

Long Question 2: Importance of Values and Attitudes in Peace Education

- Develop respect for others.
- Encourage tolerance.
- Promote empathy.
- Reduce violence.
- Improve relationships.
- Build peaceful communities.

Chapter 38

Short Question 1: What is the knowledge aim of Peace Education?

- To understand peace and conflict.
- To learn about human rights.
- To develop awareness of justice.
- To understand the causes of violence.

Short Question 2: What did Montessori say about peace?

- Peace should be taught through education.
- Education is the foundation of lasting peace.
- Children should be raised with love and respect.

Long Question 1: Knowledge Aims of Peace Education

- Understand peace and conflict.
- Learn about human rights.
- Understand justice and equality.
- Know the causes of violence.
- Promote cultural understanding.
- Develop global awareness.

Long Question 2: Views of Montessori and John Dewey on Peace Education

Maria Montessori

- Education is the path to peace.
- Children should learn respect and cooperation.
- Peace begins in childhood.

John Dewey

- Education develops democracy.
 - Learning should be practical.
 - Schools should promote cooperation.
 - Education prepares responsible citizens.
-

Chapter 39

Short Question 1: What are the skill aims of Peace Education?

- Develop communication skills.
- Improve problem-solving skills.
- Learn conflict resolution.
- Build cooperation.

Short Question 2: Explain the concept of "Schools as Homes."

- Schools should be safe and caring.
- Every student should feel respected.
- Learning should take place in a friendly environment.

Long Question 1: Skill Aims of Peace Education

- Effective communication.
- Active listening.
- Critical thinking.
- Conflict resolution.
- Cooperation.
- Negotiation.
- Decision-making.

Long Question 2: Educational Ideas of Maxine Greene and J.R. Martin

Maxine Greene

- Encouraged creativity and imagination.
- Promoted freedom in learning.
- Supported social justice.

J.R. Martin

- Schools should feel like homes.
 - Education should develop caring relationships.
 - Equal opportunities for all learners.
-

Chapter 40

Short Question 1: What are attitude aims?

- Develop positive behaviour.
- Encourage respect for others.
- Promote tolerance.
- Build peaceful attitudes.

Short Question 2: Define reconciliation.

- Restoring peaceful relationships after conflict.
- Building trust and forgiveness.
- Resolving disputes peacefully.

Long Question 1: Attitude Aims of Peace Education

- Develop respect.
- Encourage empathy.
- Promote tolerance.
- Build cooperation.
- Encourage responsibility.
- Reduce violence.

Long Question 2: Justice and Reconciliation in Peace Education

- Justice ensures fairness.
- Reconciliation restores relationships.
- Promotes forgiveness.
- Prevents future conflicts.
- Builds trust.
- Creates peaceful societies.

Chapter 41

Short Question 1: What is conflict analysis?

- Studying the causes of conflict.
- Identifying the parties involved.
- Finding peaceful solutions.

Short Question 2: Why is active listening important?

- Improves communication.
- Prevents misunderstandings.
- Builds trust.
- Helps solve conflicts peacefully.

Long Question 1: Knowledge and Skills Developed Through Peace Education

Knowledge

- Peace and conflict.
- Human rights.
- Justice.
- Equality.
- Non-violence.

Skills

- Communication.
- Active listening.
- Critical thinking.
- Negotiation.
- Problem-solving.
- Conflict resolution.

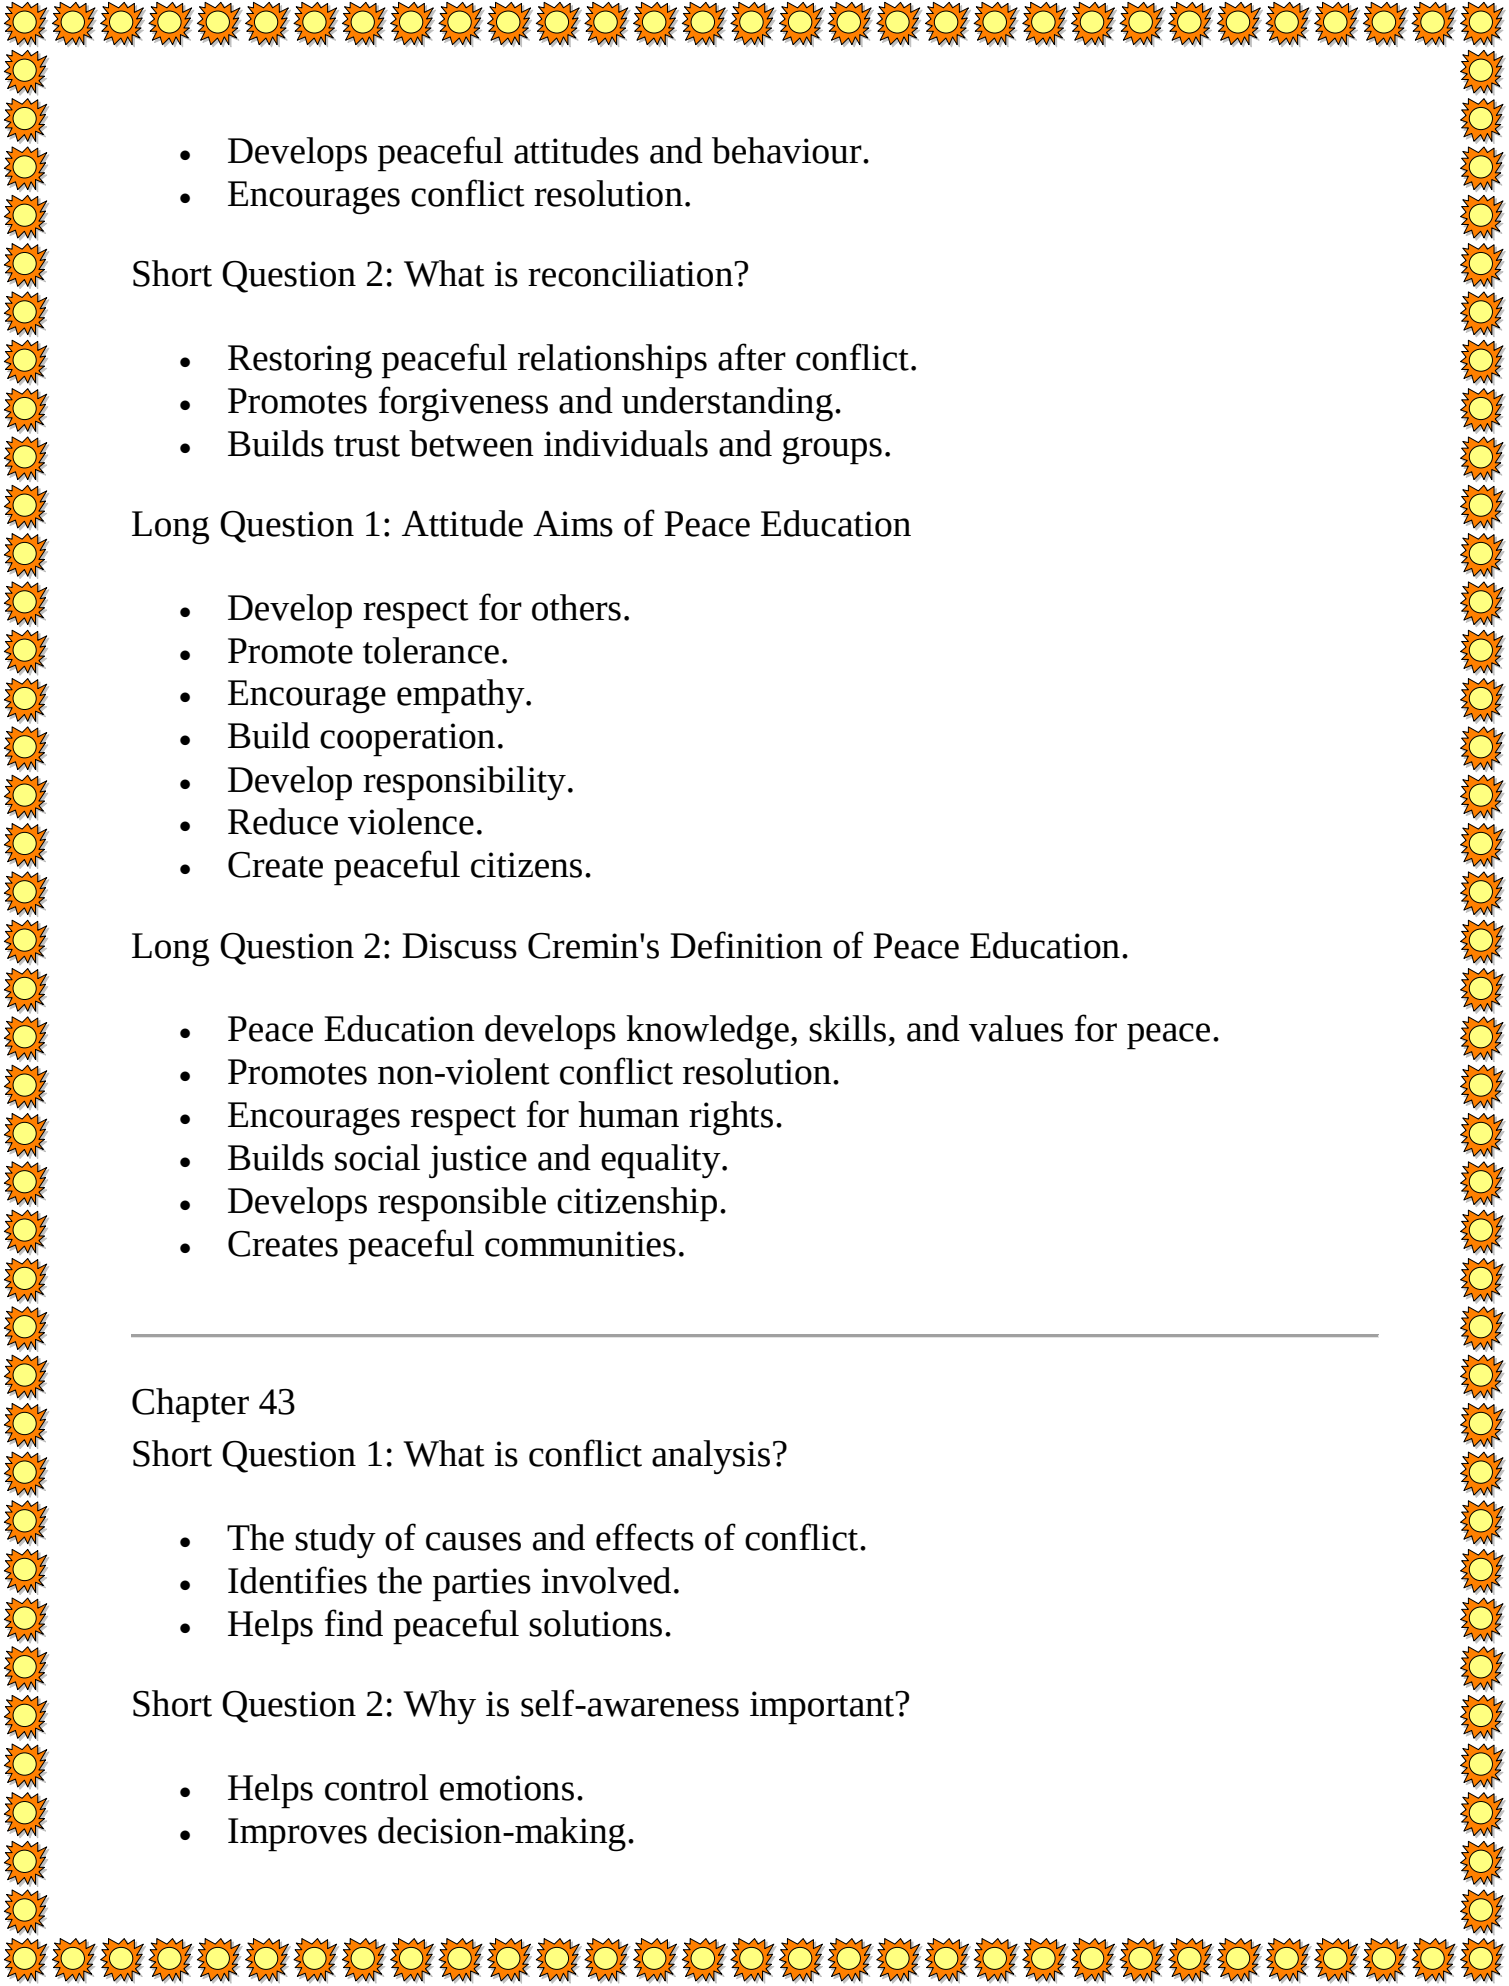

Long Question 2: Importance of Communication Skills in Peace Education

- Encourages understanding.
- Prevents conflicts.
- Improves teamwork.
- Builds trust.
- Solves problems peacefully.
- Strengthens relationships.

Chapter 42

Short Question 1: Define Peace Education.

- Education that promotes peace, justice, and non-violence.

- 
- Develops peaceful attitudes and behaviour.
 - Encourages conflict resolution.

Short Question 2: What is reconciliation?

- Restoring peaceful relationships after conflict.
- Promotes forgiveness and understanding.
- Builds trust between individuals and groups.

Long Question 1: Attitude Aims of Peace Education

- Develop respect for others.
- Promote tolerance.
- Encourage empathy.
- Build cooperation.
- Develop responsibility.
- Reduce violence.
- Create peaceful citizens.

Long Question 2: Discuss Cremin's Definition of Peace Education.

- Peace Education develops knowledge, skills, and values for peace.
- Promotes non-violent conflict resolution.
- Encourages respect for human rights.
- Builds social justice and equality.
- Develops responsible citizenship.
- Creates peaceful communities.

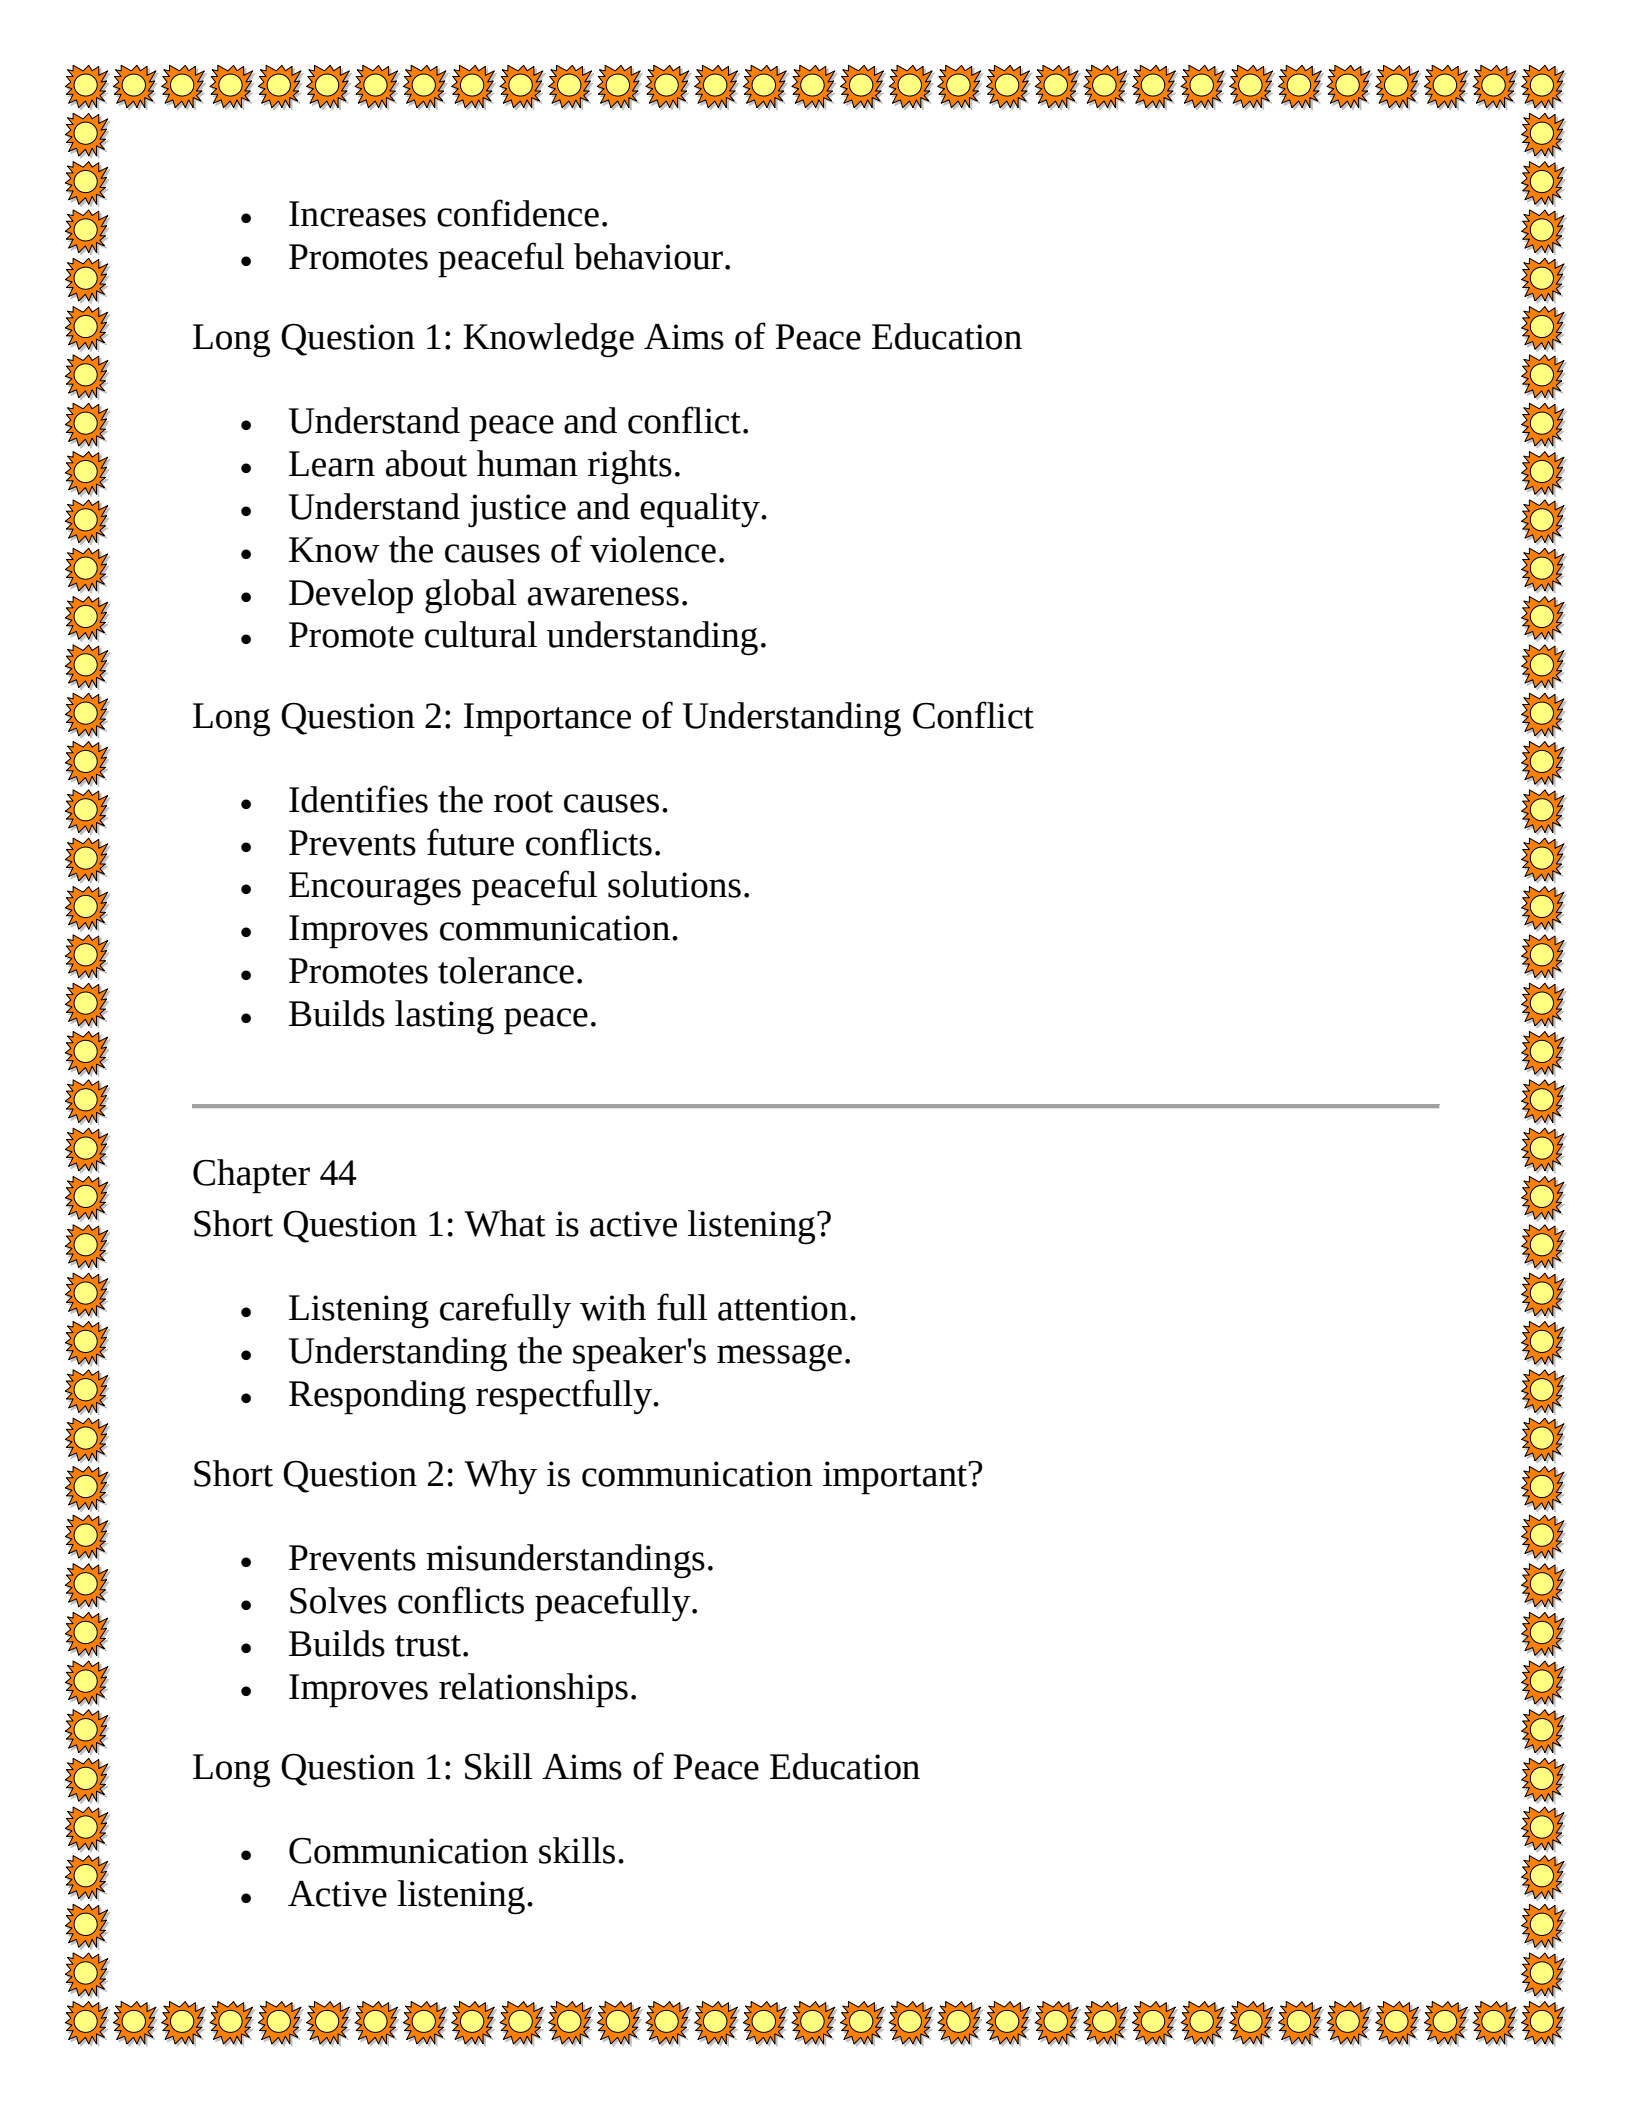

Chapter 43

Short Question 1: What is conflict analysis?

- The study of causes and effects of conflict.
- Identifies the parties involved.
- Helps find peaceful solutions.

Short Question 2: Why is self-awareness important?

- Helps control emotions.
- Improves decision-making.

- 
- Increases confidence.
 - Promotes peaceful behaviour.

Long Question 1: Knowledge Aims of Peace Education

- Understand peace and conflict.
- Learn about human rights.
- Understand justice and equality.
- Know the causes of violence.
- Develop global awareness.
- Promote cultural understanding.

Long Question 2: Importance of Understanding Conflict

- Identifies the root causes.
- Prevents future conflicts.
- Encourages peaceful solutions.
- Improves communication.
- Promotes tolerance.
- Builds lasting peace.

Chapter 44

Short Question 1: What is active listening?

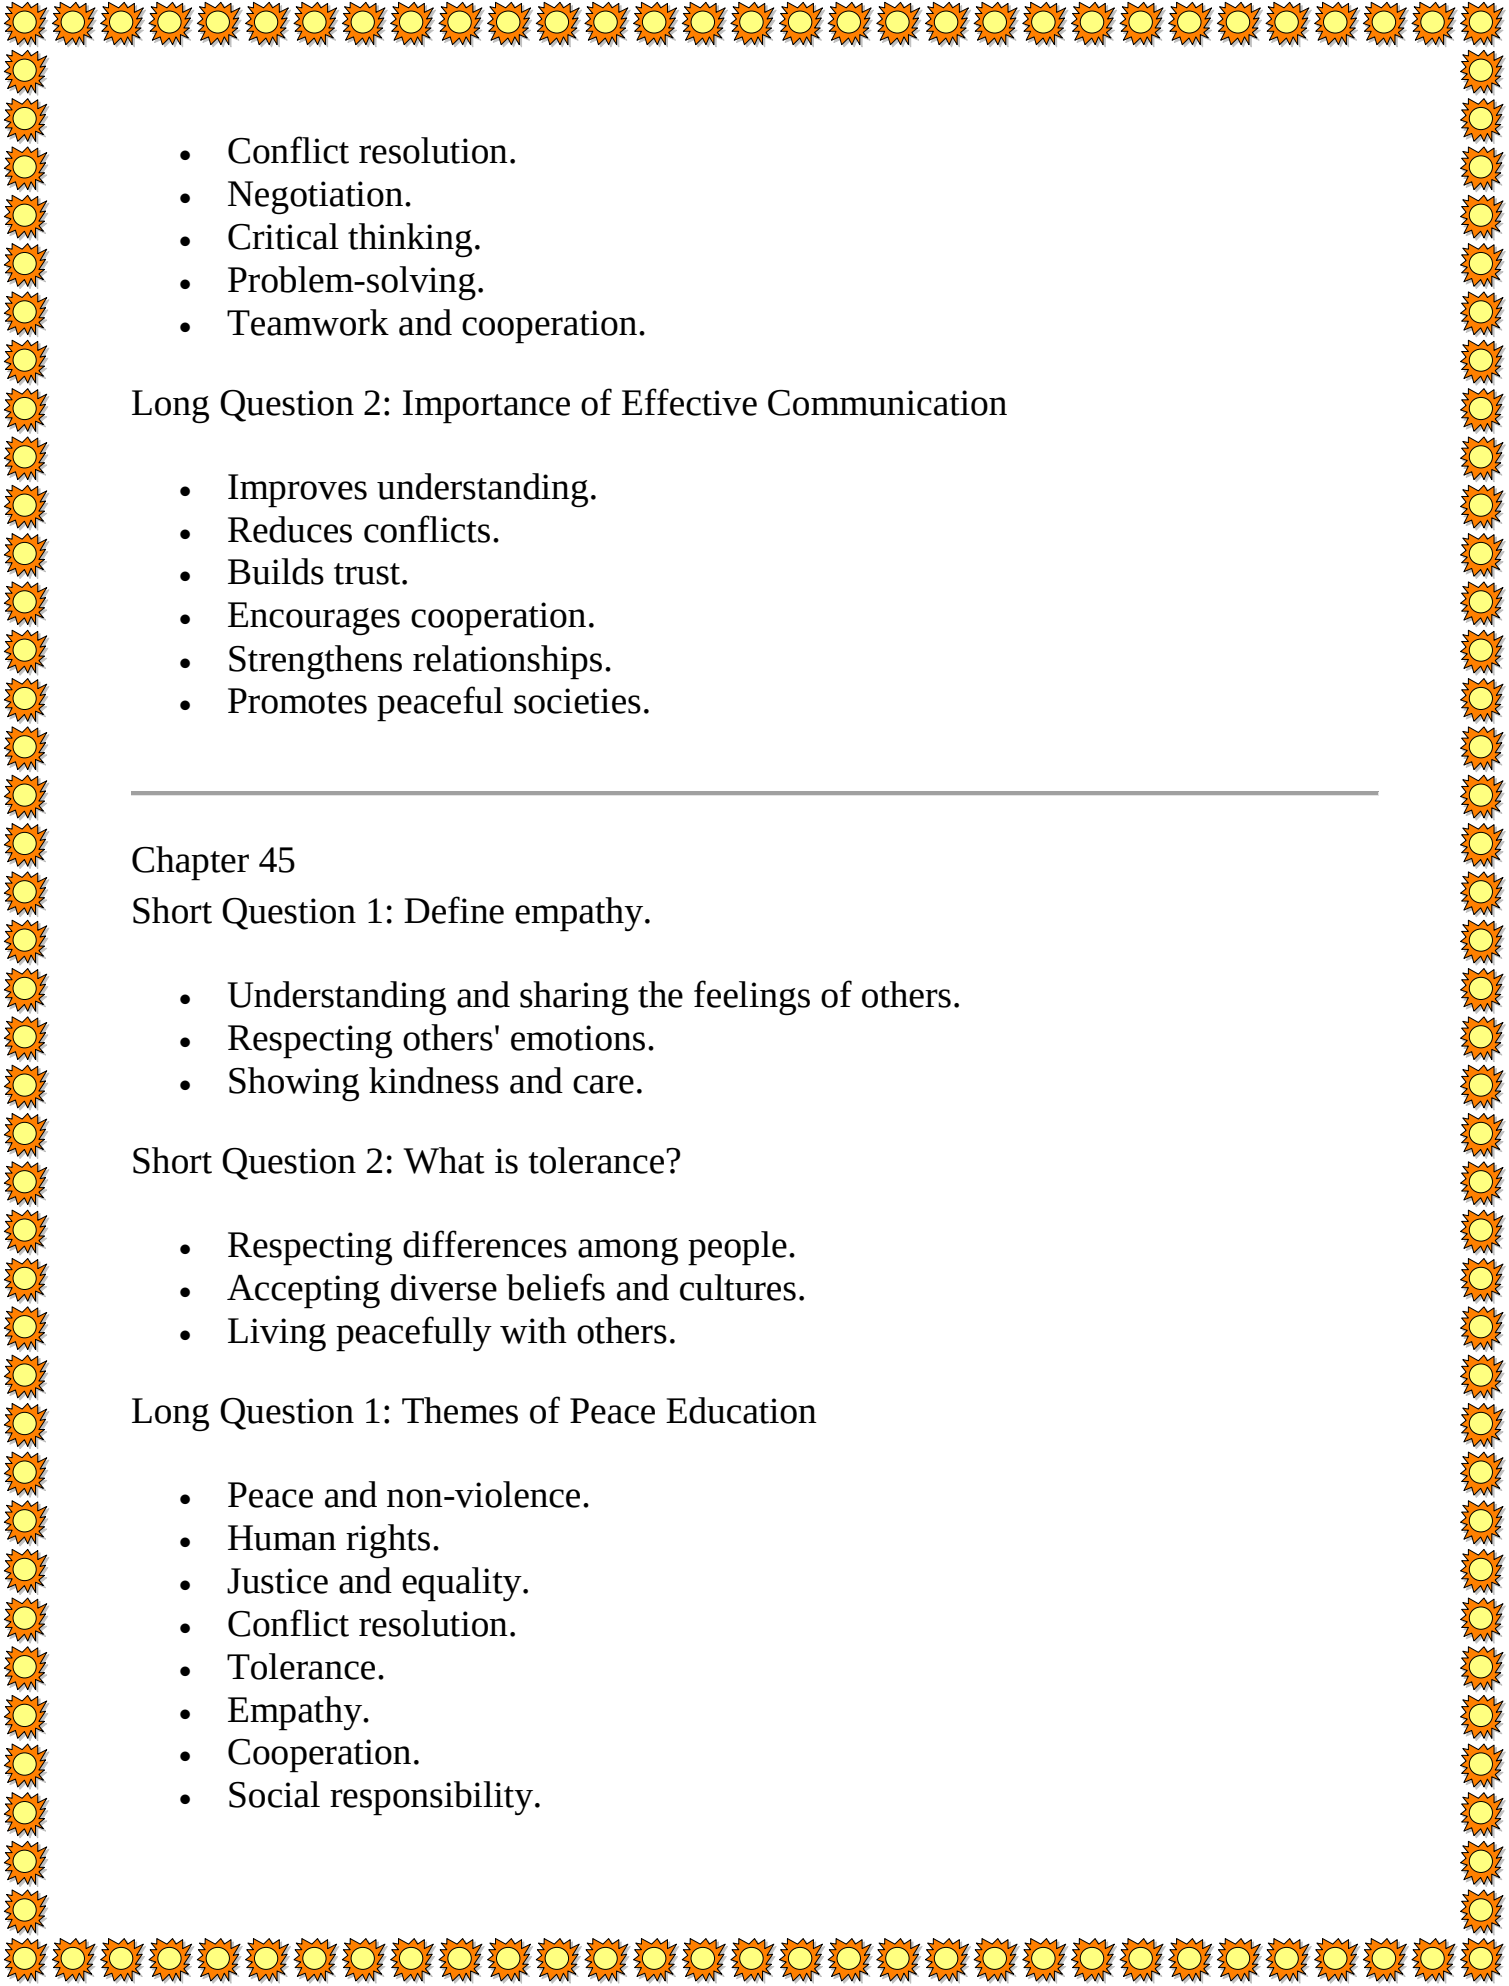

- Listening carefully with full attention.
- Understanding the speaker's message.
- Responding respectfully.

Short Question 2: Why is communication important?

- Prevents misunderstandings.
- Solves conflicts peacefully.
- Builds trust.
- Improves relationships.

Long Question 1: Skill Aims of Peace Education

- Communication skills.
- Active listening.

- 
- Conflict resolution.
 - Negotiation.
 - Critical thinking.
 - Problem-solving.
 - Teamwork and cooperation.

Long Question 2: Importance of Effective Communication

- Improves understanding.
 - Reduces conflicts.
 - Builds trust.
 - Encourages cooperation.
 - Strengthens relationships.
 - Promotes peaceful societies.
-

Chapter 45

Short Question 1: Define empathy.

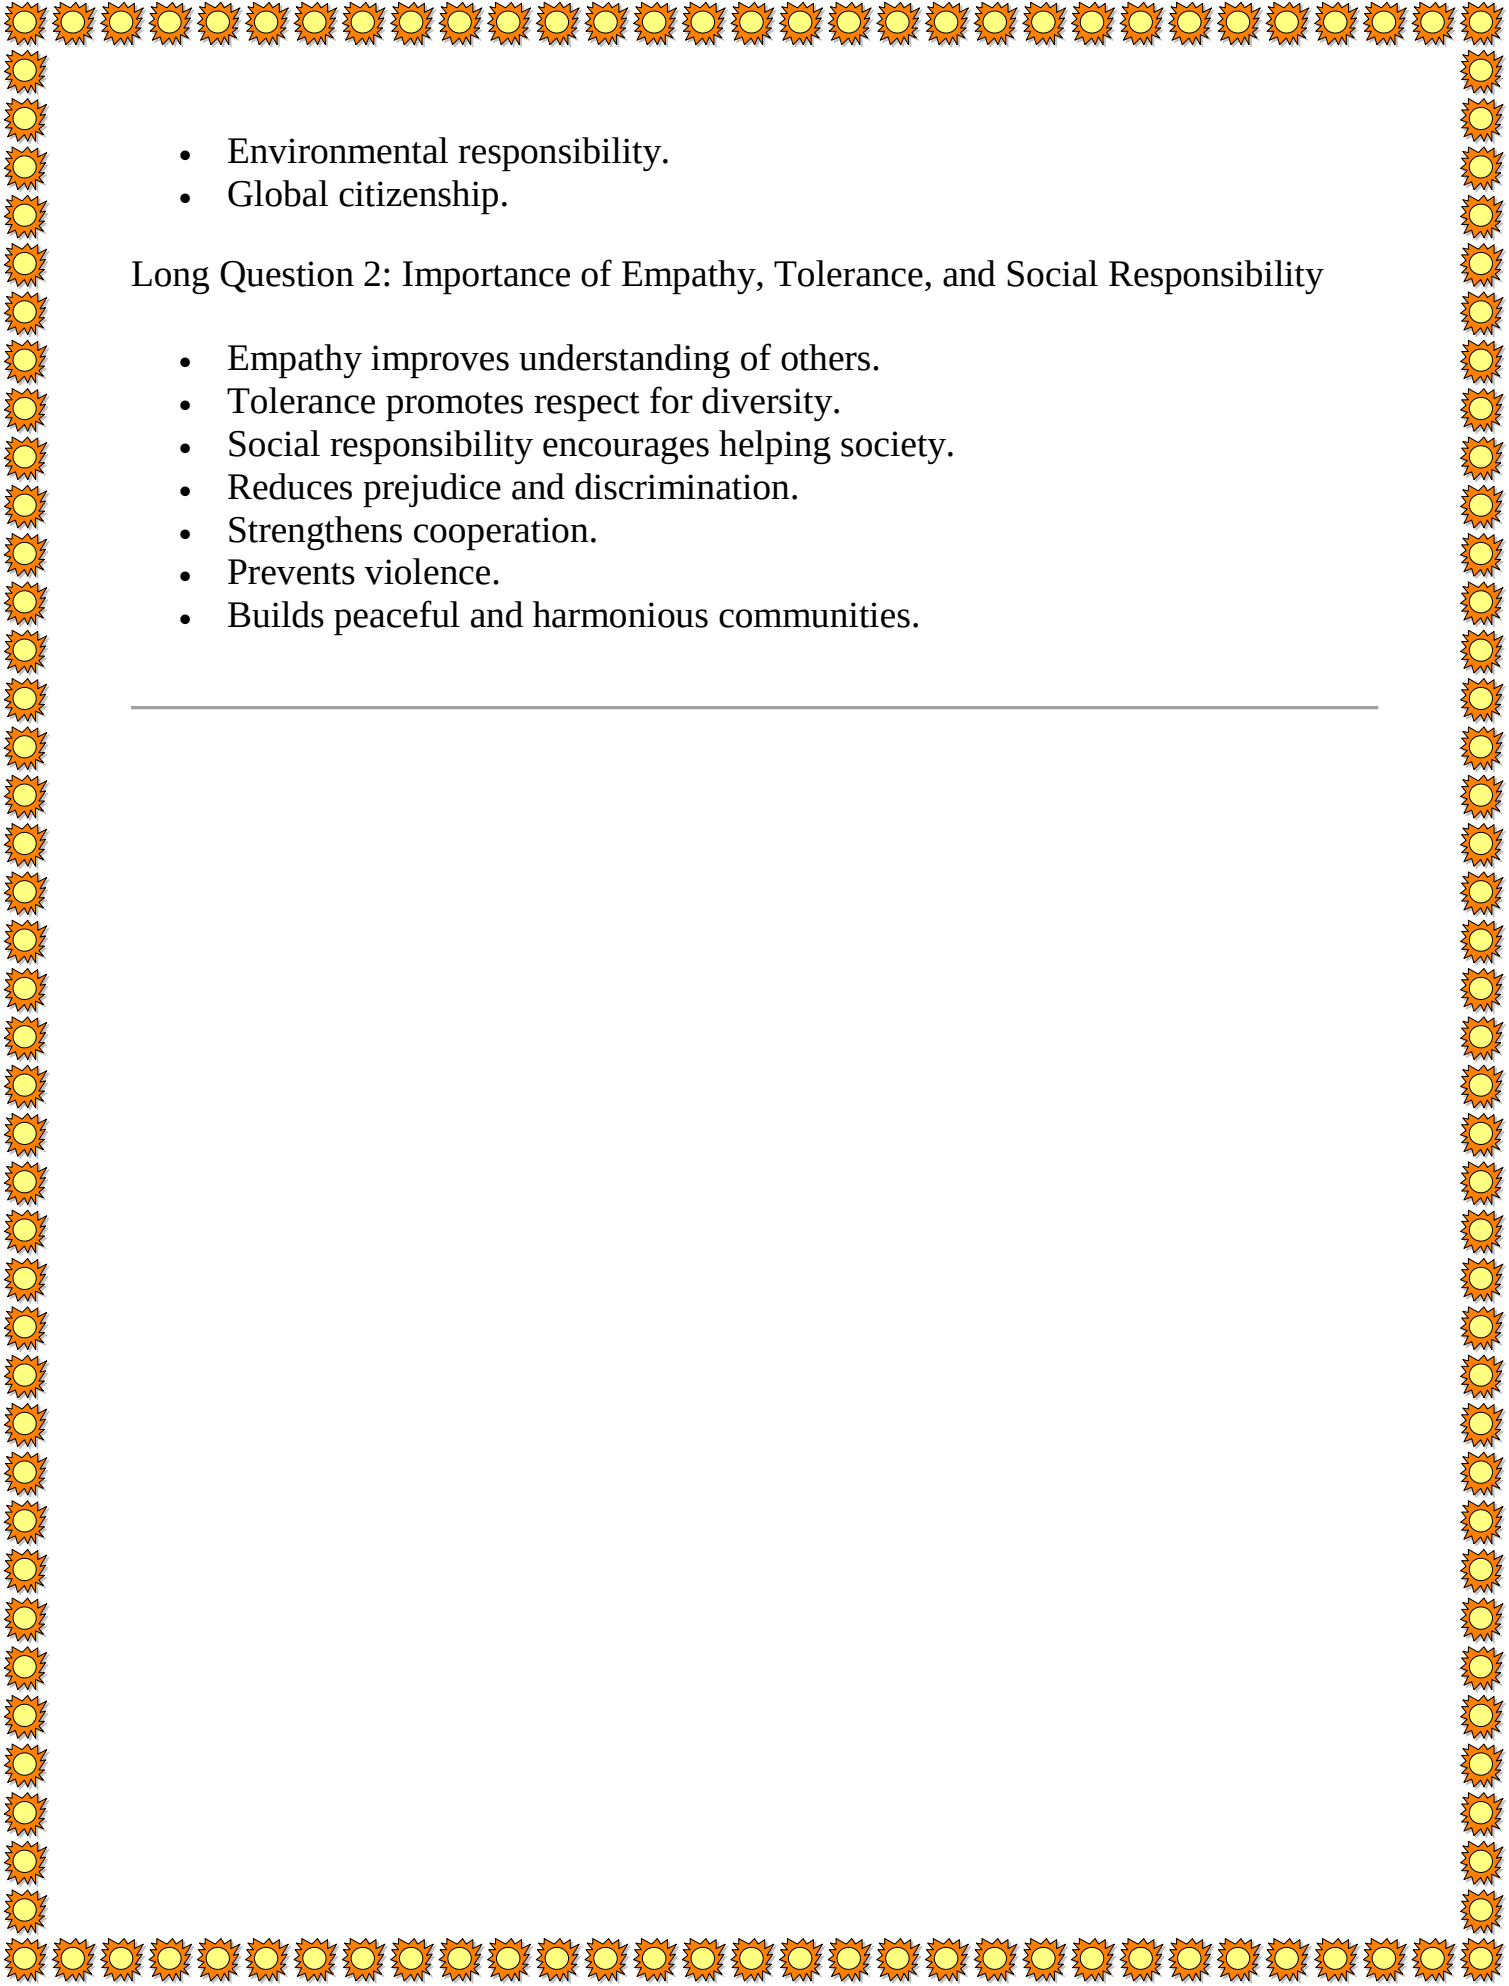

- Understanding and sharing the feelings of others.
- Respecting others' emotions.
- Showing kindness and care.

Short Question 2: What is tolerance?

- Respecting differences among people.
- Accepting diverse beliefs and cultures.
- Living peacefully with others.

Long Question 1: Themes of Peace Education

- Peace and non-violence.
- Human rights.
- Justice and equality.
- Conflict resolution.
- Tolerance.
- Empathy.
- Cooperation.
- Social responsibility.

- 
- Environmental responsibility.
 - Global citizenship.

Long Question 2: Importance of Empathy, Tolerance, and Social Responsibility

- Empathy improves understanding of others.
 - Tolerance promotes respect for diversity.
 - Social responsibility encourages helping society.
 - Reduces prejudice and discrimination.
 - Strengthens cooperation.
 - Prevents violence.
 - Builds peaceful and harmonious communities.
-
