

HRM 624

Assignment 1 (Fall 2024)

Solution By Vu360

**Solution:****Conflict Analysis and Resolution Strategies****1. Dominant Sources of Conflict**

The dominant sources of conflict in Ali and Ahmed's work experience are:

1. **Role Conflict:** Different priorities and expectations from their roles (Project Manager vs. Designer).
2. **Goal Conflict:** Incompatible goals (meeting deadlines vs. delivering perfect design).
3. **Resource Conflict:** Insufficient resources, exacerbating tensions.
4. **Personality Conflict:** Different work styles and values (Ali's focus on efficiency vs. Ahmed's emphasis on quality).
5. **Communication Conflict:** Breakdown in communication, fueling misunderstandings.

2. Effective Conflict Resolution Strategies

Strategies to resolve interpersonal conflict:

1. **Active Listening:** Encourage open communication to understand perspectives.
2. **Clarify Goals and Expectations:** Align project objectives and roles.
3. **Resource Reallocation:** Assess and adjust resource allocation.
4. **Collaborative Problem-Solving:** Jointly identify solutions balancing quality and timelines.
5. **Mediation:** Neutral third-party intervention to facilitate resolution.
6. **Compromise and Flexibility:** Find mutually acceptable solutions.
7. **Regular Feedback and Progress Updates:** Monitor progress, address concerns.

Implementation Plan

1. Schedule a joint meeting to discuss conflicts and goals.
2. Establish clear communication channels.
3. Conduct a resource assessment and adjust allocations.
4. Set realistic deadlines and quality standards.

Group 1: <https://chat.whatsapp.com/F5zhJsJtf5yL4RjDODz1fL>
Group 2: <https://chat.whatsapp.com/HJYBCFqTTPX3QYAHhOLSa2>

5. Regularly review progress and provide feedback.

Conclusion

Addressing role, goal, resource, personality and communication conflicts through active listening, clarification, resource reallocation, collaborative problem-solving and mediation resolves interpersonal conflicts.
