    - A) Job posting
    - B) Recruitment agencies
    - C) Informal search
    - D) Educational institutions
    - **Correct Answer:** C
11. **What is job posting?**
    - A) Advertising job vacancies externally
    - B) Informing current employees about job openings
    - C) Posting job requirements online
    - D) Collecting job applications
    - **Correct Answer:** B
12. **Which source is commonly used for recruiting fresh graduates?**
    - A) Recruitment agencies
    - B) Professional associations
    - C) Educational institutions
    - D) Informal networks
    - **Correct Answer:** C
13. **What does an application blank do?**
    - A) Evaluates employee performance
    - B) Collects necessary information from applicants
    - C) Provides job descriptions
    - D) Analyzes job market trends
    - **Correct Answer:** B
14. **Which of the following is a type of test commonly used in the selection process?**
    - A) Personality tests
    - B) Achievement tests
    - C) Performance reviews
    - D) Financial assessments
    - **Correct Answer:** B
15. **What is a structured interview?**
    - A) An informal discussion with candidates
    - B) An interview with no set questions
    - C) An interview where all candidates are asked the same questions
    - D) A panel interview with multiple interviewers
    - **Correct Answer:** C
16. **What does validation in the selection process ensure?**
    - A) The selection method aligns with company culture
    - B) The appropriateness of the method for job requirements
    - C) The speed of the hiring process
    - D) The cost-effectiveness of recruitment
    - **Correct Answer:** B
17. **What is content validity?**
    - A) The degree to which a selection method predicts job performance
    - B) The relevance of the test content to the job

- C) The test's ability to measure specific traits
- D) The perceived fairness of the selection process
- **Correct Answer:** B

18. **Which of the following is an example of external recruiting?**
    - A) Promoting an employee from within
    - B) Posting job openings on job boards
    - C) Asking current employees for referrals
    - D) Transferring an employee to a different department
    - **Correct Answer:** B
19. **What does the process of matching HR supply and demand involve?**
    - A) Forecasting future labor market trends
    - B) Planning for hiring or reducing staff based on forecasts
    - C) Evaluating employee performance
    - D) Developing training programs
    - **Correct Answer:** B
20. **Which recruitment method is beneficial when time is limited?**
    - A) Internal recruiting
    - B) Job posting
    - C) Recruitment agencies
    - D) Informal search
    - **Correct Answer:** C
21. **What is the primary purpose of conducting tests during the selection process?**
    - A) To eliminate bias in hiring
    - B) To assess candidates' qualifications and capabilities
    - C) To increase the number of applicants
    - D) To reduce hiring costs
    - **Correct Answer:** B
22. **Which type of test assesses a candidate's skills directly related to the job?**
    - A) Knowledge tests
    - B) Achievement tests
    - C) Skill tests
    - D) Personality tests
    - **Correct Answer:** C
23. **What is the role of recruitment agencies in the hiring process?**
    - A) To provide training for candidates
    - B) To assess employee performance
    - C) To find and select candidates for job openings
    - D) To evaluate the company’s staffing needs
    - **Correct Answer:** C
24. **What is the main focus of a skills inventory?**
    - A) To assess employee satisfaction
    - B) To track employee attendance
    - C) To gather information about employees' skills and qualifications

   - A) Reducing work hours
   - B) Providing financial bonuses
   - C) Recognition and awards
   - D) Increased job security
   - **Correct Answer:** C
10. **Self-actualization refers to:**
    - A) Basic survival needs
    - B) Job security and safety
    - C) Full utilization of one's potential
    - D) Social acceptance and belonging
    - **Correct Answer:** C

MCQs on Criticisms and Applications of Maslow’s Theory

11. **A criticism of Maslow’s hierarchy is that:**
    - A) It is too simplistic
    - B) It does not consider cultural differences
    - C) Needs may not follow the proposed order
    - D) It overemphasizes social needs
    - **Correct Answer:** C
12. **What is a potential issue with self-actualization in Maslow's theory?**
    - A) It is too easily achievable
    - B) It is unclear if needs cease after self-actualization
    - C) It only applies to certain professions
    - D) It is not related to employee motivation
    - **Correct Answer:** B
13. **What do Y-Type managers focus on to motivate employees?**
    - A) Strict oversight
    - B) Identifying and eliminating barriers to productivity
    - C) Enforcing rules and regulations

- D) Fostering competition among employees
- **Correct Answer:** B

14. **Which need is at the base of Maslow's Hierarchy?**
    - A) Self-esteem
    - B) Self-actualization
    - C) Safety
    - D) Biological
    - **Correct Answer:** D
15. **What can organizations provide to meet employees' safety needs?**
    - A) Team-building exercises
    - B) Health insurance and safety equipment
    - C) Recognition programs
    - D) Higher salaries
    - **Correct Answer:** B
16. **How can organizations fulfill employees' self-esteem needs?**
    - A) Providing basic salaries
    - B) Offering promotions and titles
    - C) Ensuring job safety
    - D) Conducting regular meetings
    - **Correct Answer:** B
17. **Which of the following is NOT a social need?**
    - A) Team lunches
    - B) Recognition awards
    - C) Sports activities
    - D) Fun fairs
    - **Correct Answer:** B
18. **Maslow's theory primarily focuses on:**
    - A) Economic factors
    - B) Psychological and social factors
    - C) Technological advancements
    - D) Regulatory compliance
    - **Correct Answer:** B
19. **According to McGregor, managers should be flexible and adapt their approach based on:**
    - A) Employee feedback
    - B) Organizational culture
    - C) Situational needs
    - D) Market trends
    - **Correct Answer:** C
20. **To help fulfill self-actualization needs, organizations might:**
    - A) Offer basic training
    - B) Provide challenging projects and responsibilities
    - C) Increase job security
    - D) Reduce workloads
    - **Correct Answer:** B

MCQs on Practical Applications and Implications

21. **In a workplace with a Theory Y management approach, employees are likely to:**
    - A) Feel restricted and unmotivated
    - B) Be more engaged and responsible
    - C) Demand higher salaries
    - D) Resist teamwork
    - **Correct Answer:** B
22. **What motivates X-Type managers to enforce control over employees?**
    - A) Trust in employee capabilities
    - B) Belief that employees require close supervision
    - C) Encouragement of employee independence
    - D) A focus on team collaboration
    - **Correct Answer:** B
23. **The concept of self-actualization is most closely associated with which type of needs?**
    - A) Basic needs
    - B) Psychological needs
    - C) Safety needs
    - D) Social needs
    - **Correct Answer:** B
24. **What is a practical way for organizations to enhance self-esteem among employees?**
    - A) Lowering job expectations
    - B) Implementing rigorous performance reviews
    - C) Offering regular recognition and awards
    - D) Standardizing job roles
    - **Correct Answer:** C
25. **Which of the following can be considered a barrier that Y-Type managers seek to eliminate?**
    - A) Overly complex job descriptions
    - B) Employee disinterest
    - C) Market competition
    - D) Financial constraints
    - **Correct Answer:** A
26. **How can an organization satisfy biological needs effectively?**
    - A) By providing flexible work hours
    - B) By ensuring safe working conditions
    - C) By offering meals and rest breaks
    - D) By conducting social events
    - **Correct Answer:** C
27. **The shift from Theory X to Theory Y represents a change towards:**
    - A) More authoritarian management styles
    - B) Increased employee empowerment and trust
    - C) Decreased employee expectations
    - D) More structured job roles
    - **Correct Answer:** B

28. **An employee who feels they are not recognized for their contributions might be lacking in which need?**
    - A) Biological needs
    - B) Safety needs
    - C) Self-esteem needs
    - D) Social needs
    - **Correct Answer:** C
29. **Maslow's hierarchy suggests that once a need is satisfied:**
    - A) It becomes more important
    - B) It continues to motivate behavior
    - C) It ceases to motivate behavior
    - D) It is easily replaced by other needs
    - **Correct Answer:** C
30. **Which theory emphasizes the impact of interpersonal relationships on motivation?**
    - A) Classical Theory
    - B) Behavioral Theory
    - C) Human Relations Theory
    - D) Scientific Management Theory
    - **Correct Answer:** C

LECTURE 20

MCQs on Two-Factor Theory, Expectancy Theory, and Equity Theory

1. **What is the main premise of Herzberg's Two-Factor Theory?**
    - A) Job satisfaction depends solely on salary
    - B) Job satisfaction is influenced by hygiene factors and motivators
    - C) Motivation is unrelated to job satisfaction
    - D) All factors are equally important for job satisfaction
    - **Correct Answer:** B
2. **Which of the following is considered a hygiene factor according to Herzberg?**
    - A) Recognition
    - B) Achievement
    - C) Working conditions
    - D) Responsibility
    - **Correct Answer:** C
3. **Motivators in Herzberg's theory are related to which of Maslow's needs?**
    - A) Biological needs
    - B) Safety needs
    - C) Social needs
    - D) Self-esteem and self-actualization needs
    - **Correct Answer:** D
4. **According to Herzberg, which factors must be present to enhance productivity?**
    - A) Only hygiene factors
    - B) Only motivators

- C) Both hygiene factors and motivators
- D) Neither hygiene factors nor motivators
- **Correct Answer:** C

5. **In the Expectancy Theory, what is essential for motivation?**
   - A) High salary
   - B) Realistic expectations about rewards
   - C) Job security
   - D) Company reputation
   - **Correct Answer:** B
6. **What does the Expectancy Theory suggest about rewards that are out of reach?**
   - A) They are always desirable
   - B) They are likely to be undesirable
   - C) They motivate all employees equally
   - D) They have no impact on motivation
   - **Correct Answer:** B
7. **In Equity Theory, what do employees evaluate?**
   - A) Their performance only
   - B) Their treatment compared to others
   - C) The company's profits
   - D) Market trends
   - **Correct Answer:** B
8. **According to Equity Theory, what are inputs?**
   - A) Benefits and salaries
   - B) Contributions made by employees
   - C) Job titles and responsibilities
   - D) Market conditions
   - **Correct Answer:** B
9. **Which of the following is NOT considered an outcome in Equity Theory?**
   - A) Promotion
   - B) Experience
   - C) Respect in the organization
   - D) Salary
   - **Correct Answer:** B
10. **How can managers implement Equity Theory effectively?**
    - A) Ignore employee comparisons
    - B) Provide equal rewards for all
    - C) Explain differences in employee outcomes
    - D) Focus solely on inputs
    - **Correct Answer:** C

MCQs on Applications and Implications

11. **What might happen if hygiene factors are neglected in an organization?**
    - A) Increased motivation
    - B) Improved job satisfaction
    - C) Higher employee turnover

- D) Enhanced productivity
- **Correct Answer:** C

12. **Which of the following is an example of a motivator?**
    - A) Company policies
    - B) Job security
    - C) Recognition for achievements
    - D) Work conditions
    - **Correct Answer:** C
13. **In the context of Expectancy Theory, what does 'expectancy' refer to?**
    - A) The probability that effort leads to performance
    - B) The amount of reward expected
    - C) The level of job satisfaction
    - D) The comparison of input and output
    - **Correct Answer:** A
14. **Equity Theory suggests that employees seek:**
    - A) Absolute equality in rewards
    - B) Fairness in input-output ratios
    - C) Higher salaries than everyone else
    - D) Total independence from others
    - **Correct Answer:** B
15. **Which factor is NOT a hygiene factor according to Herzberg?**
    - A) Salary
    - B) Recognition
    - C) Company policies
    - D) Work environment
    - **Correct Answer:** B
16. **According to Equity Theory, employees will feel motivated if:**
    - A) Their input-output ratio is higher than others
    - B) They perceive fairness in their treatment
    - C) They receive more rewards than they contribute
    - D) They are consistently monitored
    - **Correct Answer:** B
17. **What can undermine the effectiveness of motivators according to Herzberg's theory?**
    - A) Lack of hygiene factors
    - B) Excessive supervision
    - C) Team dynamics
    - D) Clear communication
    - **Correct Answer:** A
18. **In Herzberg’s theory, what are examples of biological needs?**
    - A) Social interactions
    - B) Salary and food
    - C) Recognition and status
    - D) Job responsibilities
    - **Correct Answer:** B
19. **Expectancy Theory asserts that motivation is influenced by:**

- A) Employee competition
- B) Market trends
- C) Expectations about rewards
- D) Company culture
- **Correct Answer:** C

20. **Equity Theory can be applied in an organization by:**
    - A) Making all employees' tasks identical
    - B) Regularly communicating about rewards and outcomes
    - C) Ignoring individual contributions
    - D) Standardizing salary structures
    - **Correct Answer:** B

MCQs on Theoretical Relationships

21. **Herzberg's Two-Factor Theory can be seen as a response to:**
    - A) Classical management theories
    - B) Expectancy Theory
    - C) Behavioral theories
    - D) Human relations theories
    - **Correct Answer:** A
22. **Which motivational theory emphasizes fairness and comparisons?**
    - A) Two-Factor Theory
    - B) Expectancy Theory
    - C) Equity Theory
    - D) Human Relations Theory
    - **Correct Answer:** C
23. **The role of recognition in Herzberg's theory is primarily that of a:**
    - A) Hygiene factor
    - B) Motivator
    - C) Basic need
    - D) Safety measure
    - **Correct Answer:** B
24. **In Expectancy Theory, which of the following is critical for ensuring motivation?**
    - A) Job security
    - B) Clear pathways to rewards
    - C) Peer competition
    - D) Strict management oversight
    - **Correct Answer:** B
25. **In the context of Equity Theory, what happens if employees feel under-rewarded?**
    - A) They will become more productive
    - B) They may decrease their effort
    - C) They will seek more responsibilities
    - D) They will likely accept the situation
    - **Correct Answer:** B
26. **Herzberg’s hygiene factors primarily address:**
    - A) Long-term career aspirations

- B) Basic job requirements and working conditions
- C) Personal relationships in the workplace
- D) Opportunities for professional growth
- **Correct Answer:** B

27. **Expectancy Theory primarily deals with the relationship between:**
    - A) Inputs and outputs
    - B) Effort, performance, and rewards
    - C) Job satisfaction and productivity
    - D) Employee tenure and benefits
    - **Correct Answer:** B
28. **In which scenario might Equity Theory NOT be applicable?**
    - A) Comparing salaries among similar positions
    - B) Evaluating personal effort versus rewards
    - C) Assessing individual contributions to team success
    - D) Assigning tasks based on random selection
    - **Correct Answer:** D
29. **Herzberg's Two-Factor Theory suggests that to enhance employee motivation, managers should first:**
    - A) Increase salaries
    - B) Ensure hygiene factors are satisfactory
    - C) Conduct regular performance reviews
    - D) Offer promotions
    - **Correct Answer:** B
30. **Which factor could be considered an input in Equity Theory?**
    - A) Salary
    - B) Work experience
    - C) Promotion
    - D) Job title
    - **Correct Answer:** B

LECTURE 21
