ACKNOWLEDGEMENT

There have been a lot of people that have helped me along the way and to get to this point and I would like to take this opportunity to personally thank them.

First and foremost, I want to thank my Teacher Dr./Mr./Ms/ X(Write supervisor's name), who helped me from very first day in my work; he has been an amazing mentor and advisor throughout this experience.

I would also like to thank my close friends Ahmad and Zohaib for their endless support and work in collecting data for my research and making it easy for me in my work, and for always helping and guiding me in my work.

I want to thank my parents for all they've done for me over the years and for always being there for me to challenge and motivating me. Both have been supportive with my decisions and my work.

I would also like to thank rest of my family members and friends for their help, support in this work always helped me and stood by me, and I have always appreciated it. You truly are my brother.
