VUSR

Define feedback and also list the various forms of feedback you receive during a
typical day.

Language itself is probably the most common barrier to effective communication.
Discuss.

What do you know about claim letter? Describe qualities of effective claim letter.

**Differentiate between informal and formal group. Explain in detail the
various stages involved in a group formation.**
Informal group:

True/False

Our perception of the world is not important when communicating with others,
just what we say matters.

The feedback in the communication process is the medium that the sender uses
to transmit the message to the receiver.

An emotional appeal calls on human feelings, basing the argument on audience
needs or sympathies.

Mass communication includes messages sent to large, public, dissimilar,
anonymous, distant audiences using some intermediate instrument of transfer.
