MGT503 Solved Current Paper 2022

(01) Define mallows theory? 5 Marks

Maslow's hierarchy of needs is **a charted set of human requirements that are important for an individual to achieve complete development and self-actualization**. The hierarchy of needs is a theory of psychologist Abraham Maslow.

Abraham Maslow's hierarchy of needs is one of the best-known theories of motivation. Maslow's theory states that **our actions are motivated by certain physiological needs**. It is often represented by a pyramid of needs, with the most basic needs at the bottom and more complex needs at the top.

(02) Goal setting theory? 5 Marks

In 1960's, Edwin Locke put forward the Goal-setting theory of motivation. This theory states that **goal setting is essentially linked to task performance**. It states that specific and challenging goals along with appropriate feedback contribute to higher and better task performance.

Example of goal-setting theory

Commitment and responsibility to a goal may also increase the motivational level within the business. Goal setting theory of motivation examples include **having each employee having his own goal, and keeping all workers informed of larger goals to ensure continuous commitment and teamwork in a business**.

(03)Define formalization and centralization? 5 Marks

Formalization is **the extent to which an organization's policies, procedures, job descriptions, and rules are written and explicitly articulated**. Formalized structures are those in which there are many written rules and regulations.

Informal activities, such as practices that are reinforced through group norms or informal conversations with other members of the organization, also serve to reinforce the level of formalization. **Centralization refers to the distribution of decision-making authority, information, and power throughout an organization**.
