

Q.1 A machine having cost of Rs. 240,000 and accumulated depreciation of Rs. 36,000 will yield carrying amount of:

- A. Rs. 276,000
 - B. Rs. 200,000
 - C. Rs. 240,000
 - D. Rs. 204,000**
-

Q.2 Property employed in the business administrative purposes is an example of:

- A. Non-current liabilities
 - B. Investment property
 - C. Financial assets
 - D. Owner occupied property**
-

Q.3 Non-financial assets under non-current assets are categorized into:

- A. Property, plant and equipment
 - B. All of the given options**
 - C. Intangible assets
 - D. Investment property and other long term assets
-

Q.4 Capitalized research and development cost for next 5 years is to be recorded as:

- A. A tangible asset in the balance sheet
 - B. An intangible asset in the balance sheet**
 - C. An expense in the profit and loss account
 - D. A deferred expense in the profit and loss account
-

Q.5 A machinery whose carrying value is Rs. 310,000 and recoverable amount is Rs. 200,000 on 1st January, 2022 will be having impairment loss of:

- A. Rs. 210,000
 - B. Rs. 10,000
 - C. Rs 110,000**
 - D. Rs. 510,000
-

Q.6 Under revaluation method, the revaluation is carried out _____

- A. After three years
 - B. For all types of assets
 - C. For each class of asset**
 - D. Each year
-

Q.7 In which of the following fixed asset valuation model, the fair value is considered:

- A. Cost model
 - B. Revaluation model**
 - C. Present Value model
 - D. Current Cost Model
-

Q.8 Under revaluation model, fixed assets such as machinery and building are measured at:

- A. Historical cost less accumulated depreciation
 - B. Historical cost
 - C. Fair value less accumulated depreciation**
 - D. Fair Value less Historical cost
-

Q.9 Carrying amount of an intangible asset will decrease over the time due to:

- A. Increase in accumulated amortization**
 - B. Decrease in demand
 - C. Decrease in impairment loss
 - D. Decrease in amortization
-

Q.10 Which of the following is an example of Contra account?

- A. Sales Account
 - B. Cash account
 - C. Accumulated depreciation**
 - D. Bad Debts
-

Q.1 Accounting entry for impairment loss will be:

- A. Debit impairment loss and credit accumulated impairment loss**
 - B. Debit accumulated impairment loss and credit impairment loss
-

Q.2 Building owned by the reporting entity to earn rental income is an example of:

- A. Investment property**
 - B. Owner occupied property
 - C. Intangible assets
 - D. Current assets
-

Q.3 A machine having cost of Rs. 240,000 and accumulated depreciation of Rs. 36,000 will yield carrying amount of:

- A. Rs. 200,000
 - B. Rs. 204,000**
 - C. Rs. 276,000
 - D. Rs. 240,000
-

Q.4 Goodwill purchased in an example of

- A. Tangible and fixed asset
 - B. Tangible and current asset
 - C. Intangible and fixed asset**
 - D. Intangible and current asset
-

Q.5 Accounting treatment for intangible fixed assets is discussed in which of the following IAS?

- A. IAS 37
 - B. IAS 16
 - C. IAS 39
 - D. IAS 38**
-

Q.6 Which of the following is an example of Contra account?

- A. Bad Debts
 - B. Accumulated depreciation**
 - C. Cash account
 - D. Sales Account
-

Q.7 If a machinery having impairment loss of Rs. 20,000 and recoverable amount of Rs. 145,000 on 1st January, 2022 then its carrying value will be:

- A. Rs. 185,000
 - B. Rs. 125,000
 - C. Rs. 135,000
 - D. Rs. 165,000**
-

Q.8 Property employed in the business administrative purposes is an example of:

- A. Owner occupied property**
 - B. Financial assets
 - C. Non-current liabilities
 - D. Investment property
-

Q.9 Provision for depreciation is an example of which of the following?

- A. Nominal account
 - B. Debit account
 - C. Expense account
 - D. Contra account**
-

Q.10 Which of the following IAS deals with investment property?

- A. IAS 7
 - B. IAS 1
 - C. IAS 2
 - D. IAS 40**
-

Q.1 A machinery whose carrying value is Rs. 310,000 and recoverable amount is Rs. 200,000 on 1st January, 2022 will be having impairment loss of:

- A. Rs 110,000**
- B. Rs. 210,000
- C. Rs. 10,000
- D. Rs. 510,000

Q.2 Under revaluation model, fixed assets such as machinery and building are measured at:

- A. Historical cost
- B. Historical cost less accumulated depreciation
- C. Fair Value less Historical cost
- D. Fair value less accumulated depreciation**

Q.3 Under revaluation method, the revaluation is carried out _____

- A. Each year
- B. After three years
- C. For each class of asset**
- D. For all types of assets

Q.4 In which of the following fixed asset valuation model, the fair value is considered:

- A. Cost model
- B. Revaluation model**
- C. Present Value model
- D. Current Cost Model

Q.5 Accounting entry for impairment loss will be:

- A. Debit accumulated impairment loss and credit impairment loss
- B. Debit impairment loss and credit accumulated impairment loss**

Q.6 Capitalized research and development cost for next 5 years is to be recorded as:

- A. An expense in the profit and loss account
- B. A tangible asset in the balance sheet
- C. An intangible asset in the balance sheet**
- D. A deferred expense in the profit and loss account

Q.7 Carrying amount of an intangible asset will decrease over the time due to:

- A. Increase in accumulated amortization**
- B. Decrease in amortization
- C. Decrease in demand
- D. Decrease in impairment loss

Q.8 Property employed in the business administrative purposes is an example of:

- A. Financial assets
 - B. Investment property
 - C. Non-current liabilities
 - D. Owner occupied property**
-

Q.9 Non-financial assets under non-current assets are categorized into:

- A. Property, plant and equipment
 - B. All of the given options**
 - C. Investment property and other long term assets
 - D. Intangible assets
-

Q.10 Which of the following is an example of Contra account?

- A. Bad Debts
 - B. Cash account
 - C. Sales Account
 - D. Accumulated depreciation**
-

Q.1 Capitalized research and development cost for next 5 years is to be recorded as:

- A. A deferred expense in the profit and loss account
 - B. An intangible asset in the balance sheet**
 - C. An expense in the profit and loss account
 - D. A tangible asset in the balance sheet
-

Q.2 A machine having cost of Rs. 240,000 and accumulated depreciation of Rs. 36,000 will yield carrying amount of:

- A. Rs. 276,000
 - B. Rs. 240,000
 - C. Rs. 204,000**
 - D. Rs. 200,000
-

Q.3 In which of the following fixed asset valuation model, the fair value is considered:

- A. Cost model
 - B. Current Cost Model
 - C. Present Value model
 - D. Revaluation model**
-

Q.4 Provision for depreciation is an example of which of the following?

- A. Expense account
 - B. Debit account
 - C. Nominal account
 - D. Contra account**
-

Q.5 Which of the following IAS deals with investment property?

- A. IAS 7
 - B. IAS 1
 - C. IAS 2
 - D. IAS 40**
-

Q.6 Accounting treatment for intangible fixed assets is discussed in which of the following IAS?

- A. IAS 16
 - B. IAS 37
 - C. IAS 39
 - D. IAS 38**
-

Q.7 Property employed in the business administrative purposes is an example of:

- A. Financial assets
 - B. Investment property
 - C. Non-current liabilities
 - D. Owner occupied property**
-

Q.8 Carrying amount of an intangible asset will decrease over the time due to:

- A. Increase in accumulated amortization**
 - B. Decrease in impairment loss
 - C. Decrease in demand
 - D. Decrease in amortization
-

Q.9 If a machinery having impairment loss of Rs. 20,000 and recoverable amount of Rs. 145,000 on 1st January, 2022 then its carrying value will be:

- A. Rs. 165,000
 - B. Rs. 125,000**
 - C. Rs. 185,000
 - D. Rs. 135,000
-

Q.10 Under revaluation method, the revaluation is carried out _____

- A. For all types of assets
 - B. For each class of asset**
 - C. After three years
 - D. Each year
-

Q.1 Capitalized research and development cost for next 5 years is to be recorded as:

- A. A tangible asset in the balance sheet
 - B. An intangible asset in the balance sheet**
 - C. A deferred expense in the profit and loss account
 - D. An expense in the profit and loss account
-

Q.2 Under revaluation model, fixed assets such as machinery and building are measured at:

- A. Fair Value less Historical cost
 - B. Historical cost less accumulated depreciation
 - C. Historical cost
 - D. Fair value less accumulated depreciation**
-

Q.3 Which of the following is an example of Contra account?

- A. Cash account
 - B. Sales Account
 - C. Accumulated depreciation**
 - D. Bad Debts
-

Q.4 Property employed in the business administrative purposes is an example of:

- A. Financial assets
 - B. Investment property
 - C. Owner occupied property**
 - D. Non-current liabilities
-

Q.5 A machine having cost of Rs. 240,000 and accumulated depreciation of Rs. 36,000 will yield carrying amount of:

- A. Rs. 240,000
 - B. Rs. 200,000
 - C. Rs. 276,000
 - D. Rs. 204,000**
-

Q.6 If a machinery having impairment loss of Rs. 20,000 and recoverable amount of Rs. 145,000 on 1st January, 2022 then its carrying value will be:

- A. Rs. 125,000**
 - B. Rs. 185,000
 - C. Rs. 135,000
 - D. Rs. 165,000
-

Q.7 Accounting entry for impairment loss will be:

- A. Debit impairment loss and credit accumulated impairment loss**
 - B. Debit accumulated impairment loss and credit impairment loss
-

Q.8 Carrying amount of an intangible asset will decrease over the time due to:

- A. Decrease in amortization
 - B. Decrease in demand
 - C. Increase in accumulated amortization**
 - D. Decrease in impairment loss
-

Q.9 In which of the following fixed asset valuation model, the fair value is considered:

- A. Revaluation model**
 - B. Current Cost Model
 - C. Cost model
 - D. Present Value model
-

Q.1 If a machinery having impairment loss of Rs. 20,000 and recoverable amount of Rs. 145,000 on 1st January, 2022 then its carrying value will be:

- A. Rs. 125,000**
- B. Rs. 135,000
- C. Rs. 185,000
- D. Rs. 165,000

Q.2 A machine having cost of Rs. 240,000 and accumulated depreciation of Rs. 36,000 will yield carrying amount of:

- A. Rs. 240,000
- B. Rs. 200,000
- C. Rs. 276,000
- D. Rs. 204,000**

Q.3 Under revaluation method, the revaluation is carried out _____

- A. For each class of asset**
- B. For all types of assets
- C. After three years
- D. Each year

Q.4 Accounting entry for impairment loss will be:

- A. Debit impairment loss and credit accumulated impairment loss**
- B. Debit accumulated impairment loss and credit impairment loss

Q.5 Which of the following is an example of Contra account?

- A. Cash account
- B. Sales Account
- C. Bad Debts
- D. Accumulated depreciation**

Q.6 Goodwill purchased in an example of

- A. Intangible and fixed asset**
- B. Tangible and current asset
- C. Intangible and current asset
- D. Tangible and fixed asset

Q.7 Provision for depreciation is an example of which of the following?

- A. Nominal account
- B. Debit account
- C. Contra account**
- D. Expense account

Q.8 Building owned by the reporting entity to earn rental income is an example of:

- A. Investment property**
 - B. Owner occupied property
 - C. Current assets
 - D. Intangible assets
-

Q.9 Carrying amount of an intangible asset will decrease over the time due to:

- A. Decrease in demand
 - B. Increase in accumulated amortization**
 - C. Decrease in amortization
 - D. Decrease in impairment loss
-

Q.10 Which of the following IAS deals with investment property?

- A. IAS 40**
 - B. IAS 2
 - C. IAS 1
 - D. IAS 7
-

Q.1 Accounting treatment for intangible fixed assets is discussed in which of the following IAS?

- A. IAS 37
 - B. IAS 38**
 - C. IAS 39
 - D. IAS 16
-

Q.2 Capitalized research and development cost for next 5 years is to be recorded as:

- A. A deferred expense in the profit and loss account
 - B. A tangible asset in the balance sheet
 - C. An intangible asset in the balance sheet**
 - D. An expense in the profit and loss account
-

Q.3 Under revaluation method, the revaluation is carried out _____

- A. Each year
 - B. For each class of asset**
 - C. After three years
 - D. For all types of assets
-

Q.4 Which of the following is an example of Contra account?

- A. Sales Account
 - B. Accumulated depreciation**
 - C. Cash account
 - D. Bad Debts
-

Q.5 A machine having cost of Rs. 240,000 and accumulated depreciation of Rs. 36,000 will yield carrying amount of:

- A. Rs. 240,000
 - B. Rs. 276,000
 - C. Rs. 200,000
 - D. Rs. 204,000**
-

Q.6 Provision for depreciation is an example of which of the following?

- A. Expense account
 - B. Nominal account
 - C. Contra account**
 - D. Debit account
-

Q.7 Which of the following IAS deals with investment property?

- A. IAS 2
 - B. IAS 7
 - C. IAS 40**
 - D. IAS 1
-

Q.8 A machinery whose carrying value is Rs. 310,000 and recoverable amount is Rs. 200,000 on 1st January, 2022 will be having impairment loss of:

- A. Rs. 10,000
 - B. Rs. 510,000
 - C. Rs 110,000
 - D. Rs. 210,000**
-

Q.9 If a machinery having impairment loss of Rs. 20,000 and recoverable amount of Rs. 145,000 on 1st January, 2022 then its carrying value will be:

- A. Rs. 165,000
 - B. Rs. 185,000
 - C. Rs. 125,000**
 - D. Rs. 135,000
-

Q.10 Property employed in the business administrative purposes is an example of:

- A. Owner occupied property
 - B. Investment property**
 - C. Financial assets
 - D. Non-current liabilities
-

Q.1 A machinery whose carrying value is Rs. 310,000 and recoverable amount is Rs. 200,000 on 1st January, 2022 will be having impairment loss of:

- A. Rs 110,000
- B. Rs. 10,000
- C. Rs. 510,000
- D. Rs. 210,000**

Q.2 Non-financial assets under non-current assets are categorized into:

- A. Investment property and other long term assets
- B. Intangible assets
- C. Property, plant and equipment
- D. All of the given options**

Q.3 Under revaluation model, fixed assets such as machinery and building are measured at:

- A. Fair value less accumulated depreciation**
- B. Fair Value less Historical cost
- C. Historical cost less accumulated depreciation
- D. Historical cost

Q.4 Goodwill purchased in an example of

- A. Tangible and fixed asset
- B. Intangible and fixed asset**
- C. Intangible and current asset
- D. Tangible and current asset

Q.5 Capitalized research and development cost for next 5 years is to be recorded as:

- A. An expense in the profit and loss account
- B. A deferred expense in the profit and loss account
- C. An intangible asset in the balance sheet**
- D. A tangible asset in the balance sheet

Q.6 Carrying amount of an intangible asset will decrease over the time due to:

- A. Decrease in demand
- B. Increase in accumulated amortization**
- C. Decrease in amortization
- D. Decrease in impairment loss

Q.7 Accounting entry for impairment loss will be:

- A. Debit accumulated impairment loss and credit impairment loss
- B. Debit impairment loss and credit accumulated impairment loss**

Q.8 If a machinery having impairment loss of Rs. 20,000 and recoverable amount of Rs. 145,000 on 1st January, 2022 then its carrying value will be:

- A. Rs. 165,000**
 - B. Rs. 185,000
 - C. Rs. 135,000
 - D. Rs. 125,000
-

Q.9 Building owned by the reporting entity to earn rental income is an example of:

- A. Owner occupied property
 - B. Investment property**
 - C. Current assets
 - D. Intangible assets
-

Q.10 A machine having cost of Rs. 240,000 and accumulated depreciation of Rs. 36,000 will yield carrying amount of:

- A. Rs. 240,000
 - B. Rs. 204,000**
 - C. Rs. 276,000
 - D. Rs. 200,000
-

Q.1 Goodwill purchased in an example of

- A. Intangible and fixed asset**
 - B. Tangible and current asset
 - C. Intangible and current asset
 - D. Tangible and fixed asset
-

Q.2 If a machinery having impairment loss of Rs. 20,000 and recoverable amount of Rs. 145,000 on 1st January, 2022 then its carrying value will be:

- A. Rs. 125,000
 - B. Rs. 165,000**
 - C. Rs. 135,000
 - D. Rs. 185,000
-

Q.3 Carrying amount of an intangible asset will decrease over the time due to:

- A. Decrease in demand
 - B. Decrease in impairment loss
 - C. Decrease in amortization
 - D. Increase in accumulated amortization**
-

Q.4 A machine having cost of Rs. 240,000 and accumulated depreciation of Rs. 36,000 will yield carrying amount of:

- A. Rs. 204,000**
 - B. Rs. 276,000
 - C. Rs. 240,000
 - D. Rs. 200,000
-

Q.5 Property employed in the business administrative purposes is an example of:

- A. Financial assets
 - B. Owner occupied property**
 - C. Investment property
 - D. Non-current liabilities
-

Q.6 Non-financial assets under non-current assets are categorized into:

- A. Investment property and other long term assets
 - B. Intangible assets
 - C. All of the given options**
 - D. Property, plant and equipment
-

Q.7 Which of the following is an example of Contra account?

A. Accumulated depreciation

B. Cash account

C. Bad Debts

D. Sales Account

Q.8 Under revaluation method, the revaluation is carried out _____

A. For each class of asset

B. For all types of assets

C. After three years

D. Each year

Q.9 Which of the following IAS deals with investment property?

A. IAS 7

B. IAS 1

C. IAS 2

D. IAS 40

Q.10 Accounting treatment for intangible fixed assets is discussed in which of the following IAS?

A. IAS 38

B. IAS 16

C. IAS 39

D. IAS 37

Q.1 Accounting entry for impairment loss will be:

- A. Debit accumulated impairment loss and credit impairment loss
- B. Debit impairment loss and credit accumulated impairment loss**

Q.2 If a machinery having impairment loss of Rs. 20,000 and recoverable amount of Rs. 145,000 on 1st January, 2022 then its carrying value will be:

- A. Rs. 125,000
- B. Rs. 185,000
- C. Rs. 135,000
- D. Rs. 165,000**

Q.3 A machine having cost of Rs. 240,000 and accumulated depreciation of Rs. 36,000 will yield carrying amount of:

- A. Rs. 240,000
- B. Rs. 204,000**
- C. Rs. 276,000
- D. Rs. 200,000

Q.4 Building owned by the reporting entity to earn rental income is an example of:

- A. Investment property**
- B. Current assets
- C. Owner occupied property
- D. Intangible assets

Q.5 Accounting treatment for intangible fixed assets is discussed in which of the following IAS?

- A. IAS 16
- B. IAS 37
- C. IAS 39
- D. IAS 38**

Q.6 Which of the following IAS deals with investment property?

- A. IAS 40**
- B. IAS 2
- C. IAS 1
- D. IAS 7

Q.7 Goodwill purchased in an example of

- A. Tangible and fixed asset
- B. Intangible and fixed asset**
- C. Tangible and current asset
- D. Intangible and current asset

Q.8 Carrying amount of an intangible asset will decrease over the time due to:

- A. Increase in accumulated amortization**
 - B. Decrease in amortization
 - C. Decrease in demand
 - D. Decrease in impairment loss
-

Q.9 Which of the following is an example of Contra account?

- A. Bad Debts
 - B. Sales Account
 - C. Cash account
 - D. Accumulated depreciation**
-

Q.10 Non-financial assets under non-current assets are categorized into:

- A. Intangible assets
 - B. All of the given options**
 - C. Property, plant and equipment
 - D. Investment property and other long term assets
-

Q.1 Which of the following IAS deals with investment property?

- A. IAS 7
 - B. IAS 2
 - C. IAS 40**
 - D. IAS 1
-

Q.2 Under revaluation model, fixed assets such as machinery and building are measured at:

- A. Historical cost
 - B. Fair Value less Historical cost
 - C. Fair value less accumulated depreciation**
 - D. Historical cost less accumulated depreciation
-

Q.3 Accounting entry for impairment loss will be:

- A. Debit impairment loss and credit accumulated impairment loss**
 - B. Debit accumulated impairment loss and credit impairment loss
-

Q.4 Which of the following is an example of Contra account?

- A. Bad Debts
 - B. Accumulated depreciation**
 - C. Cash account
 - D. Sales Account
-

Q.5 A machine having cost of Rs. 240,000 and accumulated depreciation of Rs. 36,000 will yield carrying amount of:

- A. Rs. 200,000
 - B. Rs. 276,000
 - C. Rs. 204,000**
 - D. Rs. 240,000
-

Q.6 Property employed in the business administrative purposes is an example of:

- A. Financial assets
 - B. Investment property
 - C. Owner occupied property**
 - D. Non-current liabilities
-

Q.7 Non-financial assets under non-current assets are categorized into:

- A. Intangible assets
 - B. Property, plant and equipment
 - C. All of the given options**
 - D. Investment property and other long term assets
-

Q.8 Building owned by the reporting entity to earn rental income is an example of:

- A. Investment property**
 - B. Intangible assets
 - C. Current assets
 - D. Owner occupied property
-

Q.9 Capitalized research and development cost for next 5 years is to be recorded as:

- A. A tangible asset in the balance sheet
 - B. An intangible asset in the balance sheet**
 - C. A deferred expense in the profit and loss account
 - D. An expense in the profit and loss account
-

Q.10 In which of the following fixed asset valuation model, the fair value is considered:

- A. Cost model
 - B. Revaluation model**
 - C. Current Cost Model
 - D. Present Value model
-

Q.1 Under revaluation model, fixed assets such as machinery and building are measured at:

- A. Fair value less accumulated depreciation**
 - B. Historical cost less accumulated depreciation
 - C. Historical cost
 - D. Fair Value less Historical cost
-

Q.2 Under revaluation method, the revaluation is carried out _____

- A. After three years
 - B. For all types of assets
 - C. Each year
 - D. For each class of asset**
-

Q.3 If a machinery having impairment loss of Rs. 20,000 and recoverable amount of Rs. 145,000 on 1st January, 2022 then its carrying value will be:

- A. Rs. 165,000**
 - B. Rs. 185,000
 - C. Rs. 125,000
 - D. Rs. 135,000
-

Q.4 In which of the following fixed asset valuation model, the fair value is considered:

- A. Cost model
 - B. Current Cost Model
 - C. Revaluation model**
 - D. Present Value model
-

Q.5 Property employed in the business administrative purposes is an example of:

- A. Investment property
 - B. Owner occupied property**
 - C. Non-current liabilities
 - D. Financial assets
-

Q.6 Accounting entry for impairment loss will be:

- A. Debit accumulated impairment loss and credit impairment loss
 - B. Debit impairment loss and credit accumulated impairment loss**
-

Q.7 Provision for depreciation is an example of which of the following?

- A. Debit account
 - B. Expense account
 - C. Nominal account
 - D. Contra account**
-

Q.8 Non-financial assets under non-current assets are categorized into:

- A. Investment property and other long term assets
 - B. All of the given options**
 - C. Intangible assets
 - D. Property, plant and equipment
-

Q.9 Which of the following is an example of Contra account?

- A. Cash account
 - B. Accumulated depreciation**
 - C. Bad Debts
 - D. Sales Account
-

Q.10 Goodwill purchased in an example of

- A. Intangible and fixed asset**
 - B. Intangible and current asset
 - C. Tangible and fixed asset
 - D. Tangible and current asset
-

Q.1 Building owned by the reporting entity to earn rental income is an example of:

- A. Intangible assets
 - B. Investment property**
 - C. Owner occupied property
 - D. Current assets
-

Q.2 A machine having cost of Rs. 240,000 and accumulated depreciation of Rs. 36,000 will yield carrying amount of:

- A. Rs. 204,000**
 - B. Rs. 200,000
 - C. Rs. 276,000
 - D. Rs. 240,000
-

Q.3 Which of the following IAS deals with investment property?

- A. IAS 40**
 - B. IAS 2
 - C. IAS 7
 - D. IAS 1
-

Q.4 Which of the following is an example of Contra account?

- A. Cash account
 - B. Bad Debts
 - C. Accumulated depreciation**
 - D. Sales Account
-

Q.5 Accounting entry for impairment loss will be:

- A. Debit impairment loss and credit accumulated impairment loss**
 - B. Debit accumulated impairment loss and credit impairment loss
-

Q.6 In which of the following fixed asset valuation model, the fair value is considered:

- A. Cost model
 - B. Revaluation model**
 - C. Current Cost Model
 - D. Present Value model
-

Q.7 Provision for depreciation is an example of which of the following?

- A. Contra account**
