

ENG515

Quiz for Mid-Term

ABSTRACT

This comprehensive collection of notes is accurately crafted to empower students to excel academically, ensuring they achieve a minimum of 80% marks in their examinations. The content is organized with clarity and precision, focusing on key concepts, critical analyses, and practical applications tailored to the syllabus. These notes serve as a reliable resource for both thorough preparation and last-minute revision. Designed to inspire confidence and mastery, this guide is an essential tool for students striving for academic excellence.

Quiz for Mid-Term

Quiz from Mid-Term Papers

Q. The reading technique which provides support to the less fluent readers in group is called

Slow reading **Paired reading** **Extensive reading** **Fluent reading**

Q. A good reading exercise focuses on .

Direct learner's attention **Items** **All the given option** **Strategies**

Q. Which of the following is not true about comprehensive questions?

Artificial **Thoughtful** **Time taking** **Deep**

Q. According to Stein and Glen (1979) the story grammar categories are in number.

6 **7** **5** **4**

Q. Fast reading is the result of .

Authentic material **Grammatical analysis** **Decoding** **Encoding**

Q. Which of the following is not the part of semantic mapping?

Simple vocabulary items **Pictorial image** **Strategy Diagram**

Q. Which of the following is true about reading skills?

It is conscious and unconscious thinking process. Reader reconstruct of meaning of a text.

All of the given It is done by comparing text with prior knowledge.

Q. Which is not model verb?

a. be **b. Would** **c. Could** **d. Can**

Q. Pronunciation refers to

a. Orthographic model **b. Syntax model**

c. Morphological **d. Non verbal models**

ENG515_Teaching of Reading and Writing Skills
Quiz for Mid-Term

Q. There are Reading components according to Tummer hoover

3 4 1 2

Q. A correct word which is placed on natural English

The fast food. A fast meal A fast shower The quick train

Q. Which strategy is not true about metacognitive

Purpose oriented strategy Affective and social strategy

Q. According to I.S.P national book of teaching of ESL/EFL a good reading speed is around----.

250 400 350 500

Q. which of the following is NOT grammatical feature of language

Gender suffix prefix morpheme

Q. concept of sharing and imparting is associated with

reading passive skills speaking listing

Q. Which is not part of comprehension?

a. Understanding b. Cognition c. Discernment d. Misinterpretation

Q. Spelling create problem in (reading).

Q. Who conduct the oriented strategy? (Janzen and stoller)

Q. Out of class reading (Extensive reading)

Q. Who is founder of CORI concept orient reading....! (Guthrie OR Gerty Cori)

Q. Decoding is process of

- Reading a message
- Meaning of words
- Use of vide range words
- Playing with rhymes

15. A native speaker of Malay who can read Malay already knows the letter ------ needed for reading. (Shapes)
16. Sentences begin with a ------- letter and end with a full stop. (Capital)
17. The Maori language has ------ consonant sounds and five vowel sound. (12)
18. A typical writing fluency development activity is ------ minute writing where learners write as much as they can. (10)
19. Many high frequency words are irregularly spelled and must be stored as ----------items. (Memorized)

Maha Malik's Compilation

ENG515_Teaching of Reading and Writing Skills
Quiz for Mid-Term

20. If spelling is a significant problem for learners, it may be worthwhile giving it some focused, planned special attention. (True)

21. Spelling is particularly important for ----------. (Writing)

22. Spelling is a very limited and clearly defined area, involving only ------- letters. (26)

23. Where there are similarities between languages, second language learning will be -------. (Easier)

24. One of the most important steps in Munby's technique is ---------- between the teacher and learners in order to eliminate the distractors. (Discussion)

25. The vocabulary, grammatical features, cohesive features and information all contribute to the ---------- effect of a text. (Communicative)

26. A good reading exercise provides the teacher and the learners with useful information about the learners' ---------- on the exercise. (Performance)

27. One of the most important steps in Munby's technique is discussion between the teacher and learners in order to eliminate the distractors. (True)

28. In grammar-translation approach, where the teacher works with the learners, using the ---------- language to explain the meaning of a text. (First)

29. Vocabulary teaching during intensive reading needs to share the -------- in the language-focused learning. (Time)

30. Bloom's taxonomy is a set of ------- hierarchical models used for classification of educational learning objectives. (6)

31. Palincsar and Brown (1986) designed a procedure called ---------- teaching. (Reciprocal)

32. After the learners read the passage they write a short composition about ---------- quarter of the length of the passage containing all the main ideas that are in the passage. This is called a précis. (One)

33. In predicting the passage the learners see about -------- topic-related words taken from a text they are going to read. (Eight)

34. Good multiple-choice questions are not easy to make and often they are more difficult than they should be. (True)

35. Independent reading is an activity in which children,---------- or with friends, read their own self-selected books during a set period of time each day. (Alone)

36. It is very important that learners should have the opportunity to gain meaning focused input through reading plenty of material that does not contain too many unknown or difficult items. (True)

37. Exercises on ellipsis help learners make sense of sentences by giving them practice in recovering the ---------- parts. (Missing)

38. Simplifying noun groups, like the coordination activity, involves looking for the ---------of a sentence. (Essence)

39. The words 'and, or, but, because, for, if, and when' are the examples of ----------. (Conjunctions)

40. A useful introduction to Genre Features is the predicting activity where learners use the topic and first sentence to predict what a text will be about. (True)

ENG515_Teaching of Reading and Writing Skills
Quiz for Mid-Term

41. Takaki (2003) used vocabulary tests at_____ levels of difficulty. (Three)

42. One way for an extensive reading program can contribute to proficiency development is through _____ growth. (Vocabulary)

43. Oral book reports involve a learner presenting a commentary on a book to the class or a reading group. (True)

44. The degree of comprehension was predictable from the density of unknown words and the optimum density was _____ percent. (98)

45. Day and Bamford (1998) characterize extensive reading as involving a large quantity of varied, self-selected, enjoyable reading at a reasonably fluent speed. (True)

46. If an extensive reading programme is to be successful, it must provide books that learners are interested in reading or that will develop their interest in reading. (True)

47. Glosses may contribute to _____ learning and may improve comprehension of the text, although the research on this is not conclusive. (Vocabulary)

48. Extensive reading programme has focused mainly on learning conditions and research and has not given attention to more practical factors. (True)

49. Learners should read at least 15–20 and preferably _____ readers in a year. (30)

50. Un-simplified texts have a very heavy vocabulary load and, for the purposes of extensive reading, do not set up the conditions needed for successful learning from meaning focused input. (True)

51. Students should be exposed to different types of materials so that they become familiar with _____ kinds of genre. (Different)

52. The aim of intensive reading is to help students construct _____meaning from the text, develop reading skills. (Detailed)

53. According to Carrel and Carson (1997, pp. 49-50), “extensive reading… generally involves rapid reading of large quantities of material or longer readings." (True)

54. In first language acquisition, the innate ability enables young children to gain mastery of most of their first language’s rules. (True)

55. Post-reading activities can be used to reinforce what students have learned from their reading. (True)

56. The classic way of increasing reading speed is to follow a speed reading course consisting of timed readings followed by comprehension measures. (True)

57. Paired reading is a form of assisted reading. In this activity, the learner is paired with a more proficient reader. (True)

58. Repeated reading has been used with good results with first language readers to help reach a good degree of oral reading fluency. (True)

59. In a typical speed reading course, the learners each select the text they want to read. (True)

60. Scanning involves searching for a _____ piece of information in a text. (Particular)

61. There are _____ main paths to fluency in language speaking. (2)

62. A skilled reader reading at around ---------- words per minute makes around 90 fixations per 100 words. (250-300)

ENG515_Teaching of Reading and Writing Skills
Quiz for Mid-Term

63. A good oral reading speed is around ----- words per minute. (150)

64. Contributions from the disciplines of cognitive psychology and sociolinguistics are useful in helping researchers to view the process of reading as a dynamic, constructive and contextualized process. (True)

65. Hymes (1971) was the first to point out that what was needed was a characterization of not just how language is structured internally but also an explanation of language behavior for given communicative goals. (True)

66. The rationale behind the 'Reading within an Environmental Approach' teaching practice is that mastery in decoding skills had to precede the development of reading comprehension. (True)

67. The ability to read in a second language (L2) is considered to be an essential skill for academic students. (True)

68. Goodman (1967) posited that reading was a psycholinguistic guessing ------- in which readers guess or predict the text's meaning. (Game)

69. Knowledge of different reading strategies, which have been categorized into metacognitive, cognitive, social and affective, and the ability and disposition to use them effectively has received prime consideration in L2 reading. (True)

70. Pragmatic competence involves an understanding of the illocutionary force of an utterance by being aware of situational and participant variables within which the utterance takes place, as well as politeness issues. (True)

71. Intercultural competence refers to the knowledge of how to interpret written texts appropriately within their sociocultural context. (True)

72. In order to develop the skill of_____, it is desirable to match the language of the text with the language level of the learners. (Automaticity)

73. If proficient readers skim some texts, they do so because the text, as they themselves judge it for their own internally motivated purposes, merits no more careful reading. (True)

74. Skilled readers also contribute significantly to their comprehension of texts through the background knowledge that they bring to the reading task. (True)

75. Probably much of the reasoning for teaching reading through single texts on many different topics is based on the idea that students need to be exposed to many different subject areas. (True)

76. Strategy for handling unknown words is: Using other information in the context to understand an unknown word. (True)

77. Strategic reading is a prime characteristic of expert readers because it is woven into the very fabric of 'reading for meaning. (True)

78. Overview of a text is to decide if it is relevant to their purpose and to identify the portions that might be particularly relevant or helpful. (True)

79. Reading for specific purposes requires students to do something with the information they have gleaned from reading. (True)

80. Numerous studies on reading in both L1 and L2 show that teaching learners to use reading strategies helps students improve their reading comprehension. (True)

ENG515_Teaching of Reading and Writing Skills
Quiz for Mid-Term

81. Sustained content and narrow reading allow students to build their knowledge of a subject gradually and incrementally through multiple texts on a single topic, or through reading multiple chapters that revolve around a single context. (True)

82. In order to design a course curriculum: in a way that does not support real-life reading for a purpose. (False)

83. One of the primary reasons why we read is because we want to do something and we need to obtain the _____ that is in a text in order to accomplish it. (Information)

84. Even those who have achieved a large specialized sight vocabulary in their areas of specialization can have trouble with texts written for native speakers that use a rich choice of English words. (True)

85. Hard work, feats of memory, hours of study, practice, repetition, translation and analysis are necessary for any language learner, no matter how talented, gifted or bright the student may be. (True)

86. Some argue that it is impossible to become fluent in an L2 unless one is living in an environment where that language is spoken. (True)

87. It is good to let learners pick the reading materials that interest them and keep them engaged. (True)

88. The amount of time and effort that an intermediate-to-advanced students need to devote to becoming a fluent readers of English is substantial. (True)

89. You cannot become a fluent reader of English overnight. (True)

90. Despite our individual notions and experiences of fluent reading in native and second languages, we need to establish a basic definition of fluent reading in order to agree on the best ways to teach students to become fluent readers. (True)

91. Most beginning language learners are dependent on _____ as a base for their acquisition of L2. (L1)

92. Proponents of extensive reading are unequivocal in their agreement that automatic recognition of words is critical to fluent reading. (True)

93. Reading widely, as promoted for language input for extensive reading is a powerful tool for improving reading skills. (True)

94. In fact, probably the most helpful materials teacher can provide for their students are samples of the texts they will deal with in the L2 setting – a college syllabus, a theoretical text, a business report, a proposal to be submitted to a boss. (True)

95. Native speakers acquire considerable tacit grammar knowledge even before they begin to learn to read. (True)

96. The most obvious gap between fluent and non-fluent EFL readers is the English vocabulary that they have available for use while _____. (Reading)

97. The motivation for a fluent reading program must be nurtured, modeled, and reinforced by the teacher, but the motivation must come from within the _____-. (Student)

98. Most researchers agree that reading is an/a _____ process that involves both bottom-up and top-down activities. (Interactive)

ENG515_Teaching of Reading and Writing Skills
Quiz for Mid-Term

99. Prominent advocates of the two-component view of reading are: "this view holds that reading consists of only two components, one that allows language to be recognized through graphic representation, and another that allows language to be comprehended." (True)

100. In L2 studies of syntax in reading, there is universal acceptance of the view that adequate competence in L2 syntax is necessary. (True)

101. The interactive model, of course, views reading as a process whereby the reader is engaged in the continuous construction of meaning based on input from the text. (True)

102. Educational surveys confirm the experimental findings that using an L2 in reading tends to produce poor results. (True)

103. In recent decades a great deal of attention in the applied linguistics view of reading has not been devoted to "background knowledge". (False)

104. While adequate language proficiency is not important for "successful" reading, much language pedagogy has focused on reading as an important way of improving language proficiency. (False)

105. Academic work on reading in the English speaking world of today may be divided into two perspectives, the narrow and the _____. (Broad)
