

ENG101 FINAL

Lecture 18: Reading: Skimming and Scanning

1. What is the main purpose of skimming?

- A. To read every detail
- B. To get the general idea
- C. To memorize facts
- D. To read for entertainment
- Answer: B

2. What does scanning involve?

- A. Reading slowly
- B. Reading for specific information
- C. Ignoring key points
- D. Reading for enjoyment
- Answer: B

3. Which of the following is a technique used in skimming?

- A. Reading the entire text word-for-word
- B. Reading only the first and last paragraphs
- C. Focusing on text structure
- D. Looking up every unknown word
- Answer: B

4. When scanning, what should you pay attention to?

- A. The title and headings
- B. Every single word
- C. Unrelated details

- D. The conclusion only

- Answer: A

5. How does scanning help in reading comprehension?

- A. By enhancing vocabulary

- B. By finding specific facts quickly

- C. By memorizing the text

- D. By understanding the author's style

- Answer: B

Lecture 19: Reading: Scanning and Language Functions

6. What is one of the primary functions of language in reading?

- A. To confuse the reader

- B. To provide entertainment

- C. To convey information

- D. To improve handwriting

- Answer: C

7. What does scanning allow a reader to do?

- A. Read the entire text slowly

- B. Skip all important information

- C. Find specific information quickly

- D. Read without understanding

- Answer: C

8. Which type of information is best found using scanning?

- A. General themes

- B. Specific dates and numbers

- C. Author's tone and style

- D. Emotional responses

- Answer: B

9. How does language function as a tool in scanning?

- A. By making the text difficult
- B. By highlighting key terms
- C. By adding unnecessary words
- D. By providing synonyms

- Answer: B

10. What should you do if you cannot find the information you need while scanning?

- A. Re-read the entire text
- B. Give up
- C. Focus on headings and subheadings
- D. Look up every unfamiliar word

- Answer: C

Lecture 20: Reading: Classifying, Cause and Effect Relationship

11. What is the purpose of classifying information in reading?

- A. To confuse the reader
- B. To organize information
- C. To write faster
- D. To distract the reader

- Answer: B

12. What does a cause and effect relationship show?

- A. Similarities between two things
- B. The reason something happens and its result
- C. Differences between two things
- D. Unrelated events

- Answer: B

13. How can classifying information help in reading?

- A. By making the text more complex
- B. By simplifying and organizing content

- C. By increasing reading time
- D. By reducing comprehension
- Answer: B

14. What is a signal word for cause and effect relationships?

- A. Moreover
- B. Consequently
- C. Similarly
- D. Therefore
- Answer: B

15. What should you focus on to understand cause and effect in a text?

- A. The main idea only
- B. Key details that link causes and effects
- C. The author's biography
- D. Unrelated anecdotes
- Answer: B

Lecture 21: Reading: Presenting Information Graphically

16. What is the purpose of presenting information graphically?

- A. To make it harder to understand
- B. To visualize data and relationships
- C. To confuse the reader
- D. To avoid using text
- Answer: B

17. Which of the following is a common graphical representation in reading?

- A. Paragraphs
- B. Flowcharts
- C. Dialogues
- D. Poems
- Answer: B

18. How does a flowchart help in understanding a process?

- A. By providing detailed text
- B. By visually showing steps and connections
- C. By simplifying complex ideas into symbols
- D. By summarizing information into visual symbols
- Answer: B

19. Which symbol in a flowchart represents a decision point?

- A. Circle
- B. Rectangle
- C. Diamond
- D. Triangle
- Answer: C

20. Why are graphical representations useful in reading?

- A. They increase reading time
- B. They reduce comprehension
- C. They simplify complex information
- D. They remove details
- Answer: C

Lecture 22: Writing: Sentence Types

21. What is a simple sentence?

- A. A sentence with two independent clauses
- B. A sentence with one independent clause
- C. A sentence with one dependent clause
- D. A sentence with multiple clauses
- Answer: B

22. Which of the following is a compound sentence?

- A. Although it was raining, we went out.

- B. I like coffee, and she likes tea.
- C. The sun is shining.
- D. Because she was tired, she went to bed early.
- Answer: B

23. What is a complex sentence?

- A. A sentence with multiple independent clauses
- B. A sentence with one independent and one dependent clause
- C. A sentence with only dependent clauses
- D. A sentence with one clause
- Answer: B

24. Which of the following is an example of a compound-complex sentence?

- A. She likes coffee and he likes tea.
- B. Although it was raining, we went out, and we enjoyed it.
- C. The cat is on the mat.
- D. She was tired because she worked hard.
- Answer: B

25. Why is it important to vary sentence types in writing?

- A. To confuse the reader
- B. To make the text monotonous
- C. To enhance readability and interest
- D. To reduce clarity
- Answer: C

Lecture 23: Writing: Effective Sentences: Unity, Coherence, Emphasis

26. What does unity in a sentence mean?

- A. Including multiple unrelated ideas
- B. Keeping the sentence focused on one main idea
- C. Using complex words
- D. Making the sentence as long as possible

- Answer: B

27. How can coherence be achieved in writing?

- A. By jumping between ideas
- B. By logically organizing and connecting ideas
- C. By using random sentences
- D. By ignoring grammar rules

- Answer: B

28. What is the purpose of emphasis in a sentence?

- A. To highlight important information
- B. To distract the reader
- C. To add unnecessary details
- D. To shorten the text

- Answer: A

29. Which of the following helps in creating coherence in a paragraph?

- A. Using transitions and connectors
- B. Using unrelated sentences
- C. Ignoring the main idea
- D. Writing long paragraphs

- Answer: A

30. How can a writer achieve emphasis in a sentence?

- A. By placing important information at the beginning or end
- B. By using complex words
- C. By adding unrelated ideas
- D. By writing in passive voice

- Answer: A

Lecture 24: Writing: Identifying Sentence Errors

31. What is a common sentence error?

- A. Correct punctuation
- B. Proper subject-verb agreement
- C. Fragmented sentence
- D. Complete sentence
- Answer: C

32. How can sentence fragments be corrected?

- A. By adding a subject or predicate
- B. By removing verbs
- C. By writing incomplete thoughts
- D. By ignoring punctuation
- Answer: A

33. What is a run-on sentence?

- A. A sentence with a clear structure
- B. Two or more independent clauses joined incorrectly
- C. A sentence with proper punctuation
- D. A sentence with a single clause
- Answer: B

34. How can run-on sentences be fixed?

- A. By joining clauses with appropriate punctuation or conjunctions
- B. By removing subjects
- C. By adding unnecessary words
- D. By using incomplete sentences
- Answer: A

35. What is a

comma splice?

- A. Correct use of a comma
- B. Incorrectly joining two independent clauses with a comma

- C. A fragment
- D. A compound sentence
- Answer: B

Lecture 25: Writing: Writing Paragraphs

36. What is a topic sentence?

- A. A sentence that ends a paragraph
- B. A sentence that introduces the main idea of a paragraph
- C. A sentence that supports the main idea
- D. A sentence that confuses the reader
- Answer: B

37. What is the role of supporting sentences in a paragraph?

- A. To introduce new topics
- B. To provide details and evidence for the main idea
- C. To end the paragraph
- D. To distract the reader
- Answer: B

38. What is a concluding sentence?

- A. A sentence that introduces new information
- B. A sentence that restates the main idea and summarizes the paragraph
- C. A sentence that supports the main idea
- D. A sentence that confuses the reader
- Answer: B

39. How can unity be maintained in a paragraph?

- A. By including unrelated ideas
- B. By focusing on one main idea throughout
- C. By writing long sentences
- D. By adding random facts
- Answer: B

40. What is the importance of coherence in a paragraph?

- A. To make the paragraph difficult to read
- B. To logically connect ideas and make the paragraph flow smoothly
- C. To introduce multiple topics
- D. To write unrelated sentences
- Answer: B

Lecture 26: Writing: Brainstorming and Planning

41. What is brainstorming in writing?

- A. Writing without thinking
- B. Generating and organizing ideas before writing
- C. Copying others' work
- D. Ignoring planning
- Answer: B

42. What is the purpose of a writing plan?

- A. To confuse the writer
- B. To organize ideas and structure the writing
- C. To write spontaneously
- D. To ignore the main idea
- Answer: B

43. How can brainstorming be conducted effectively?

- A. By writing down every thought that comes to mind
- B. By following a strict structure
- C. By copying from sources
- D. By ignoring ideas
- Answer: A

44. What is a common tool used for planning writing?

- A. A mind map or outline

- B. A final draft
- C. A random list
- D. A dictionary
- Answer: A

45. Why is planning important in the writing process?

- A. To make the writing process disorganized
- B. To create a clear roadmap and structure for writing
- C. To lengthen the writing time
- D. To reduce the quality of writing
- Answer: B

Lecture 27: Writing: Drafting, Revising, Proofreading, Publishing

46. What is the purpose of drafting in writing?

- A. To create a final version
- B. To create an initial version to develop ideas
- C. To confuse the reader
- D. To copy others' work
- Answer: B

47. What does revising involve?

- A. Checking for grammar errors only
- B. Reviewing and improving content, structure, and clarity
- C. Ignoring feedback
- D. Writing a final draft
- Answer: B

48. What is the main focus of proofreading?

- A. Checking for spelling, grammar, and punctuation errors
- B. Revising content
- C. Generating ideas
- D. Ignoring errors

- Answer: A

49. What is the final step in the writing process?

- A. Brainstorming
- B. Drafting
- C. Revising
- D. Publishing

- Answer: D

50. Why is it important to proofread a document before publishing?

- A. To increase errors
- B. To ensure the document is error-free and polished
- C. To write more drafts
- D. To confuse the reader

- Answer: B

Lecture 28: Writing: Audience Awareness

51. What does audience awareness mean in writing?

- A. Writing without considering the reader
- B. Understanding and addressing the needs and expectations of the audience
- C. Ignoring the reader's perspective
- D. Writing only for oneself

- Answer: B

52. How can a writer identify the audience for their writing?

- A. By guessing
- B. By considering the purpose and context of the writing
- C. By ignoring the topic
- D. By writing randomly

- Answer: B

53. Why is it important to consider the audience when writing?

- A. To confuse the reader
- B. To ensure the writing is relevant and engaging
- C. To write longer texts
- D. To reduce readability
- Answer: B

54. What should a writer do if the audience is unknown?

- A. Write for a general audience
- B. Write for a specific individual
- C. Ignore audience considerations
- D. Write without planning
- Answer: A

55. How can a writer adapt their style to suit the audience?

- A. By using jargon
- B. By considering the audience's knowledge, interests, and preferences
- C. By ignoring feedback
- D. By writing in a formal tone only
- Answer: B

Lecture 29: Writing: Writing Summaries

56. What is the main purpose of a summary?

- A. To provide a detailed analysis
- B. To condense and present the main points of a text
- C. To confuse the reader
- D. To write a lengthy description
- Answer: B

57. What should be included in a summary?

- A. Minor details
- B. The main ideas and key points
- C. Personal opinions

- D. Unrelated information

- Answer: B

58. How can a writer ensure their summary is concise?

- A. By including every detail

- B. By focusing on essential information only

- C. By writing long sentences

- D. By ignoring the main points

- Answer: B

59. What is an important step in writing a summary?

- A. Reading the text thoroughly

- B. Skipping the main ideas

- C. Writing without planning

- D. Adding personal opinions

- Answer: A

60. Why is it important to avoid personal opinions in a summary?

- A. To maintain objectivity and focus on the original text

- B. To lengthen the summary

- C. To confuse the reader

- D. To add more details

- Answer: A

Lecture 30: Writing: Paraphrasing

61. What is paraphrasing?

- A. Copying text word-for-word

- B. Restating text in your own words while retaining the original meaning

- C. Writing unrelated information

- D. Adding personal opinions

- Answer: B

62. Why is paraphrasing useful in writing?

- A. To plagiarize
- B. To demonstrate understanding and avoid plagiarism
- C. To write longer texts
- D. To confuse the reader
- Answer: B

63. What should be preserved when paraphrasing?

- A. The original wording
- B. The original meaning
- C. The text length
- D. Personal opinions
- Answer: B

64. What is a key strategy for effective paraphrasing?

- A. Using the same words as the original text
- B. Changing the structure and words while keeping the meaning
- C. Ignoring the original text
- D. Writing longer sentences
- Answer: B

65. How can paraphrasing be checked for accuracy?

- A. By comparing it with the original text to ensure the meaning is retained
- B. By ignoring the original text
- C. By writing personal opinions
- D. By copying the text word-for-word
- Answer: A

Lecture 31: Writing: Proofreading

66. What is the main purpose of proofreading?

- A. To generate ideas
- B. To check for and correct errors in spelling, grammar, and punctuation

- C. To write a first draft
- D. To revise content
- Answer: B

67. Which of the following is NOT a focus of proofreading?

- A. Spelling
- B. Grammar
- C. Content structure
- D. Punctuation
- Answer: C

68. What is a helpful strategy for effective proofreading?

- A. Reading the text quickly
- B. Reading the text slowly and carefully
- C. Ignoring errors
- D

. Skipping sections

- Answer: B

69. Why is it important to take breaks before proofreading?

- A. To ignore errors
- B. To come back with a fresh perspective
- C. To write more drafts
- D. To reduce accuracy
- Answer: B

70. How can reading aloud help in proofreading?

- A. By speeding up the process
- B. By catching errors that may be missed when reading silently
- C. By ignoring punctuation
- D. By adding more errors

- Answer: B

Lecture 32: Speaking: Interview Skills

71. What is an important aspect of preparing for an interview?

- A. Ignoring the job description
- B. Researching the company and role
- C. Arriving late
- D. Giving brief answers

- Answer: B

72. How can you make a positive impression in an interview?

- A. By speaking negatively about previous employers
- B. By dressing professionally and being punctual
- C. By avoiding eye contact
- D. By giving vague answers

- Answer: B

73. What is a common question asked in interviews?

- A. Why do you want to work here?
- B. What is your favorite color?
- C. How do you spend your weekends?
- D. What is your favorite movie?

- Answer: A

74. How should you respond to a difficult interview question?

- A. By guessing
- B. By staying calm and thinking before answering
- C. By avoiding the question
- D. By providing irrelevant information

- Answer: B

75. Why is it important to ask questions at the end of an interview?

- A. To confuse the interviewer
- B. To show interest and gather information
- C. To prolong the interview
- D. To criticize the company
- Answer: B

Lecture 33: Speaking: Presentation Skills

76. What is a key component of a successful presentation?

- A. Reading from slides
- B. Engaging the audience and making eye contact
- C. Speaking monotonously
- D. Using complex jargon
- Answer: B

77. How can a speaker effectively organize their presentation?

- A. By including unrelated topics
- B. By having a clear structure with an introduction, body, and conclusion
- C. By speaking without notes
- D. By ignoring the audience
- Answer: B

78. What is the role of visual aids in a presentation?

- A. To distract the audience
- B. To support and enhance the spoken content
- C. To replace the speaker
- D. To confuse the audience
- Answer: B

79. How can a presenter manage nervousness?

- A. By avoiding preparation
- B. By practicing thoroughly and staying calm
- C. By ignoring the audience

- D. By speaking quickly

- Answer: B

80. Why is it important to practice a presentation multiple times?

- A. To increase nervousness

- B. To become familiar with the content and improve delivery

- C. To lengthen the presentation

- D. To confuse the audience

- Answer: B

Lecture 34: Speaking: Group Discussions

81. What is a key skill in participating in a group discussion?

- A. Speaking without listening

- B. Actively listening and contributing relevant points

- C. Dominating the conversation

- D. Ignoring others' opinions

- Answer: B

82. How can you show active listening in a group discussion?

- A. By interrupting others

- B. By nodding, making eye contact, and responding appropriately

- C. By looking away

- D. By ignoring the speaker

- Answer: B

83. What is the role of a moderator in a group discussion?

- A. To confuse participants

- B. To guide the discussion and ensure everyone gets a chance to speak

- C. To dominate the conversation

- D. To remain silent

- Answer: B

84. Why is it important to stay on topic in a group discussion?

- A. To extend the discussion unnecessarily
- B. To keep the discussion focused and productive
- C. To confuse participants
- D. To introduce irrelevant topics
- Answer: B

85. How can disagreements be handled effectively in a group discussion?

- A. By ignoring them
- B. By addressing them respectfully and constructively
- C. By arguing aggressively
- D. By avoiding participation
- Answer: B

Lecture 35: Speaking: Persuasive Speaking

86. What is the main goal of persuasive speaking?

- A. To inform the audience
- B. To convince the audience to accept a viewpoint or take action
- C. To entertain the audience
- D. To confuse the audience
- Answer: B

87. Which of the following is a key element of persuasive speaking?

- A. Using complex jargon
- B. Presenting clear arguments and supporting evidence
- C. Speaking without confidence
- D. Ignoring the audience's perspective
- Answer: B

88. How can a speaker establish credibility in persuasive speaking?

- A. By making false claims
- B. By providing accurate information and citing reliable sources

- C. By speaking monotonously
- D. By ignoring the topic
- Answer: B

Lecture 35: Writing: Essay Outlines

1. What is the purpose of an essay outline?

- A. To organize ideas logically
- B. To determine the essay topic
- C. To finalize the essay
- D. To write the introduction
- Answer: A

2. What should be included in the introduction of an essay outline?

- A. Main points
- B. Conclusion
- C. Thesis statement
- D. References
- Answer: C

3. How many main points should be included in a typical essay outline?

- A. One
- B. Two
- C. Three
- D. Four
- Answer: C

4. What is the function of the body paragraphs in an essay?

- A. Introduce new topics
- B. Support the thesis with evidence
- C. Restate the thesis
- D. Provide background information

- Answer: B

5. What is a transition in the context of an essay?

- A. A new topic
- B. A conclusion
- C. A connecting phrase between ideas
- D. A thesis statement

- Answer: C

6. Which part of the essay summarizes the main points and restates the thesis?

- A. Introduction
- B. Body paragraphs
- C. Conclusion
- D. References

- Answer: C

7. What is the importance of a thesis statement?

- A. To provide background information
- B. To state the main argument
- C. To introduce the author
- D. To conclude the essay

- Answer: B

8. What should be done before writing an essay outline?

- A. Writing the introduction
- B. Researching the topic
- C. Writing the conclusion
- D. Finalizing the references

- Answer: B

9. In which part of the essay outline are supporting details found?

- A. Introduction

- B. Body paragraphs
- C. Conclusion
- D. Title
- Answer: B

10. What is the final step in writing an essay outline?

- A. Writing the conclusion
- B. Reviewing the outline
- C. Writing the introduction
- D. Conducting research
- Answer: B

Lecture 36: Writing: Selecting and Researching an Essay Topic

1. What is the first step in selecting an essay topic?

- A. Writing the introduction
- B. Conducting preliminary research
- C. Brainstorming ideas
- D. Writing the conclusion
- Answer: C

2. Why is it important to narrow down a broad topic?

- A. To make the essay shorter
- B. To make the research easier
- C. To focus on a specific aspect
- D. To avoid plagiarism
- Answer: C

3. What should you consider when choosing a topic?

- A. Personal interest
- B. Length of the essay
- C. Number of references
- D. Complexity of the topic

- Answer: A

4. Which type of source is considered most reliable for research?

- A. Blogs
- B. Academic journals
- C. Social media
- D. Personal websites

- Answer: B

5. What is the purpose of a research question?

- A. To summarize the essay
- B. To guide the research process
- C. To introduce the topic
- D. To conclude the essay

- Answer: B

6. What is a thesis statement?

- A. A summary of the main points
- B. A question to guide research
- C. A statement of the main argument
- D. A concluding remark

- Answer: C

7. What should you do if you find conflicting information during research?

- A. Ignore it
- B. Present both perspectives
- C. Choose the most popular opinion
- D. Rewrite the thesis statement

- Answer: B

8. Why is it important to evaluate sources?

- A. To ensure the information is credible

- B. To make the essay longer
- C. To find more sources
- D. To write the introduction
- Answer: A

9. What is a primary source?

- A. An interpretation of data
- B. An original document or firsthand account
- C. A secondary analysis
- D. A summary of other works
- Answer: B

10. How can you keep track of your sources?

- A. By creating a bibliography
- B. By writing summaries
- C. By reading abstracts
- D. By memorizing them
- Answer: A

Lecture 37: Writing: Ways of Organizing Texts: Linear

1. What is a linear text structure?

- A. A structure with a clear beginning and end
- B. A circular narrative
- C. A random sequence of ideas
- D. A structure that lacks transitions
- Answer: A

2. Which method is used to organize a linear text?

- A. Chronological order
- B. Random order
- C. Circular order
- D. Reverse order

- Answer: A

3. What is the purpose of using transitions in a linear text?

- A. To confuse the reader
- B. To connect ideas smoothly
- C. To introduce new topics
- D. To summarize the text

- Answer: B

4. Which of the following is an example of a transition word?

- A. However
- B. Apple
- C. Car
- D. Tomorrow

- Answer: A

5. What does a linear process describe?

- A. A cyclic process
- B. A series of steps with a clear sequence
- C. A random series of events
- D. A single event

- Answer: B

6. Which part of a linear text typically presents the main idea?

- A. Introduction
- B. Body paragraphs
- C. Conclusion
- D. References

- Answer: A

7. How does chronological order help in organizing a text?

- A. It arranges events based on time sequence

- B. It groups similar ideas together
- C. It presents information randomly
- D. It focuses on the most important ideas
- Answer: A

8. What is the role of a topic sentence in a paragraph?

- A. To summarize the entire essay
- B. To introduce the main idea of the paragraph
- C. To conclude the paragraph
- D. To provide a counterargument
- Answer: B

9. Which of the following is NOT a characteristic of a linear text?

- A. Clear sequence
- B. Random order
- C. Logical flow
- D. Use of transitions
- Answer: B

10. What is the main benefit of organizing text in a linear way?

- A. It makes the text longer
- B. It improves readability and comprehension
- C. It adds complexity to the text
- D. It reduces the number of paragraphs
- Answer: B

Lecture 38: Writing: Ways of Organizing Texts

1. What is the main focus of **Lecture** 38?

- A. Ways of organizing texts
- B. Essay writing
- C. Grammar rules

- D. Summary writing

- Answer: A

2. What is a cyclic process?

- A. A process with a clear start and end

- B. A process that repeats itself

- C. A one-time event

- D. A random sequence of events

- Answer: B

3. What is the key difference between linear and cyclic processes?

- A. Linear processes have a clear start and end, while cyclic processes do not

- B. Cyclic processes have a clear start and end, while linear processes do not

- C. Both are the same

- D. Neither has a clear start or end

- Answer: A

4. Which diagram is used to illustrate a cyclic process?

- A. A flowchart

- B. A bar graph

- C. A pie chart

- D. A cyclic diagram

- Answer: D

5. In a cyclic process, where can you start the description?

- A. At any point in the cycle

- B. Only at the beginning

- C. Only at the end

- D. In the middle

- Answer: A

6. Which of the following is an example of a cyclic process?

- A. Water cycle
- B. Writing an essay
- C. Taking a test
- D. Baking a cake
- Answer: A

Lecture 39: Ways of Organizing Texts

1. What does "spatial relationships" in writing refer to?

- A. Events in time
- B. Description of space and location
- C. Cause and effect
- D. Linear sequence
- Answer: B

2. Which view describes the location of a place as if seen from the air?

- A. Bird's eye view
- B. Pedestrian's view
- C. Satellite view
- D. Ground view
- Answer: A

3. What does "classification" in writing help with?

- A. Organizing events in time
- B. Describing a cyclic process
- C. Categorizing information into groups
- D. Establishing cause and effect
- Answer: C

4. Which of the following is an example of spatial description?

- A. Chronological order
- B. Cause-effect relationship

- C. Describing the layout of a room
- D. Analyzing a process
- Answer: C

5. What term is used to describe the perspective of walking through a place?

- A. Bird's eye view
- B. Pedestrian's view
- C. Aerial view
- D. Ground view
- Answer: B

6. Which type of relationship is primarily concerned with describing how objects are connected in space?

- A. Temporal relationships
- B. Spatial relationships
- C. Sequential relationships
- D. Logical relationships
- Answer: B

7. What is a key characteristic of spatial writing?

- A. Describing processes step by step
- B. Providing a visual layout of a space
- C. Listing events in chronological order
- D. Explaining cause and effect
- Answer: B

8. In spatial writing, what does "to the North" signify?

- A. Temporal marker
- B. Directional indicator
- C. Process step
- D. Causal relationship
- Answer: B

9. Which of the following is NOT a method of organizing texts discussed in **Lecture** 39?

- A. Chronological order
- B. Spatial relationships
- C. Classification
- D. Hypothetical reasoning
- Answer: D

10. What is the purpose of using spatial relationships in writing?
