Question No: 26 (Marks: 1) - Please choose one
All of the following positive effects can be achieved by adopting a proper market education strategy in advertising, EXCEPT:
? It helps to minimize sales resistance
? It helps to reduce the cost of advertising
? It makes advertising more effective
? It restricts sales force to achieve adequate distribution
EFFECTS OF ADOPTING MARKET EDUCATION STRATEGY:
There may be a question in the mind of a person as to why a market education strategy shouldbe adopted at all. By adopting a proper market education strategy following positive effects canbe achieved:
1. It helps to minimize sales resistance.
2. Easier for the sales force to achieve 'adequate distribution' prior to advertising.
3. It helps to reduce the cost of advertising.
4. It makes advertising more effective
Question No: 28 (Marks: 1) - Please choose one
In which of the given strategies the producer promotes the product to wholesalers, the wholesalers promote to retailers and the retailers promote to consumers?
? Pull strategy
? Push strategy
? Operational strategy
? Production strategy
page 141) A promotion strategy that calls for using the sales force and trade promotion to push the product through the channel is called push strategy. The producer promotes the product to wholesalers, the wholesalers promote to retailers and the retailers promote to consumers.

Each culture contains smaller subcultures, which can be defined as:
? Personality characteristics of a consumer
? The motives that people have for their behavior
? Shared value systems based on common life experiences
? Geographic regions and income levels
P#64,,Each culture contains smaller subcultures or groups of people with shared value systems based on common life experiences and situations
Question No: 46 (Marks: 1) - Please choose one
Mr. X is interested in buying a carpet. Although the carpet is costly but there is very little perceived difference between the brands. This is an example of:
? Complex Buying Behavior
? Variety Seeking Buying Behavior
? Dissonance Reducing Buying Behavior
? Habitual Buying Behavior
Complex Buying Behavior
Consumers undertake complex buying behavior when they are highly involved in a purchase and perceive significant differences among brands. Consumers may be highly involved when the product is expensive, risky, purchased infrequently, and highly self-expressive. Typically, the consumer has much to learn about the product category. For example, a personal computer buyer may not know what attributes to consider. Many product features carry no real meaning: a "Pentium Pro chip," "super VGA resolution," or "megs of RAM."
Question No: 47 (Marks: 1) - Please choose one
All of the following are characteristics of business markets EXCEPT:
? Derived demand

Identify the main advantage of telemarketing as a direct-response approach?
? Personal
? Flexibility
? Visualization
? Cost
The great advantage of telemarketing is the rate at which calls can be made. It is quite realistic for even untrained sales personnel to make more than 50 calls telephone calls in a day, compared to 300 face-to-face calls in year. With specialist telesales personnel, the call rate can rise to hundreds per day.
