    - mentioned in bracket at the end of sentence
    - subject of the sentence ✅
    - less focused with no reporting verb

---

9. **Researcher triangulation does not include:**
    - data sources
    - investigation ✅

MAM MEHWISH 03184148783

- participants
- analysis

---

10. **Citations give acknowledgement and recognition to:**

- About research own interest
- other researchers' intellectual property ☑
- own research

1. **Use of tense is subtle and:**
    - O inflexible choice
    - ✓ flexible choice
    - fixed choice
    - O tricky choice

---

2. **Tells how the project sought to investigate gaps and why?**
    - O The body of review
    - ✓ Literature review
    - Introduction
    - O Methodology

---

3. **Methodology chapter_____.**
    - ✓ may be divided into sections
    - must be presented in the beginning
    - must be presented as a single unit
    - O must be presented under various units

---

4. **Which of the following functions as defense against plagiarism?**
    - Parapharasing

MAM MEHWISH 03184148783

- ✓ Citations
- Abstract
- Methodology

---

5. **Of data collection steps.**
    - example
    - ✓ justification
    - direction

---

6. **Most of summary writing involves:**
    - evaluation
    - ✓ paraphrasing
    - critique
    - O findings

---

7. **Which of the following chapters describes and justifies 'data analysis procedures'?**
    - Literature review
    - Introduction
    - ✓ Methodology

---

8. **Methodology is _____ chapter to write.**
    - ✓ relatively straightforward
    - last
    - first

---

9. **Which of the following chapters describes and justifies 'delimitation'?**
    - ✓ Introduction
    - Methodology

MAM MEHWISH 03184148783

- Literature review
- Results

---

10. **Included the material that:**
    - ✓ Relevant to your interest
    - whatever you find related to the topic
    - adds something new to the existing material
    - repeat existing material

In literature review, one needs to discuss:

- from specific to general
- in order of personal preference
- **from general to specific ✓**
- In order of importance of findings

Identification of problem or need in formal chapters, first time appears in:

- Methodology
- **Introduction chapter ✓**
- Literature review
- Analysis

Which of the following is NOT a function of introduction in a research?

- Establish a Niche
- Explaining the methodology
- Occupy the Niche
- **Establish a Research Territory ✓**

Which of the following linguistic features of the thesis/research, is used to maintain anonymity of the subject?

- Active Voice
- Direct speech
- Indirect speech

MAM MEHWISH 03184148783

- **Passive Voice ✓**

Appropriate tense for describing importance of problem is:

- past simple
- past simple and past perfect
- **present and present perfect ✓**
- future tense

Under which of the following structure part of abstract, 'Significance of research' is explained?

- Conclusion
- Purpose
- Research Methods/ Design
- **Product/ Results ✓**

In a thesis, 'Introduction' if written as a separate chapter, may take _____ pages.

- 5-10
- 10-15
- **15-20 ✓**

If writing aim as what has yet to be revealed in thesis, better to use:

- present perfect tense

- **snapshot of thesis ✓**

_____ are the highly important feature for conveying meaning.

- Pronouns
- Tenses

MAM MEHWISH 03184148783

- **Verbs ✓**
- Adjectives

Abstract should be:

- non-evaluative
- diagnostic
- problematic
- ✅ evaluative

In literature review, one needs to discuss:

- in order of personal preference
- from specific to general
- ✅ from general to specific
- In order of importance of findings

Which of the following is NOT a function of introduction in a research?

- Establish a Niche
- Occupy the Niche
- ✅ Explaining the methodology
- Establish a Research Territory

Under which of the following structure part of abstract, 'Key findings' is explained?

- Research Methods/ Design
- ✅ Product/ Results
- Purpose
- Introduction

Structure of literature review is largely determined by:

- methodology
- ✅ themes and topics of the content
- introduction
- author's personal preference

MAM MEHWISH 03184148783

Abstract gives an overview of:

- ✅ every section of the thesis
- methodology
- purpose
- analysis of the thesis

Under which of the following structure part of abstract, 'identify research gap' is explained?

- Product/ Results
- Research Methods/ Design
- ✅ Introduction
- Purpose

Identification of problem or need in formal chapters, first time appears in:

- Literature review
- Methodology
- analysis
- ✅ Introduction chapter

Table of contents take headings in:

- Underlined
- Sentence case
- ✅ All caps

List of abbreviations is arranged:

- ✅ alphabetically
- chronologically
- in the same order as they appear in text
- most important to least important

MAM MEHWISH 03184148783

1. Dedication is a:

- a) Statement of gratitude
- b) Statement of purpose for thesis

- c) Statement of reason
- d) Short statement of tribute
- Correct option: b) Statement of purpose for thesis

2. Product/result part of an abstract:
- a) Present previous literature
- b) Presents key findings
- c) Identifies analysis processes
- Correct option: b) Presents key findings

3. The best time to write an abstract is:
- a) At the beginning of research
- b) During the research process
- c) At the end
- d) In the middle
- Correct option: c) At the end

4. Under which of the following structure part of abstract, 'Identify aims/ intentions' is explained?
- a) Product/ Results
- b) Introduction
- c) Purpose
- d) Research Methods/ Design
- Correct option: b) Introduction

5. Preferred tenses for indicating gap in available research are:
- a) Simple past and past continuous
- b) Present and/or past perfect
- c) Past simple only
- d) Present perfect and/or present simple

MAM MEHWISH 03184148783

- Correct option: d) Present perfect and/or present simple

6. The primary focus of the research project is depicted through:

- a) Occupying gap
- b) Aims of research introduction
- c) Identifying gap
- Correct option: b) Aims of research introduction

7. Aims of study determine:

- a) Methods and scope of the study
- b) Population for the research
- c) Researcher's interests
- d) Purpose of the research
- Correct option: a) Methods and scope of the study

8. Under which of the following structure part of abstract, ‘Background’ is explained?

- a) Research Methods/ Design
- b) Purpose
- c) Product/ Results
- d) Introduction
- Correct option: d) Introduction

9. Abstract conclusion suggests:

- a) Both a and b
- b) Implications for applications
- c) The findings of the research
- d) Significance of the research
- Correct option: b) Implications for applications

MAM MEHWISH 03184148783

10. The overall goal of the thesis for the student is to display knowledge and capability to:

- a) Use holistic views and deal with complex issues
- b) Both a and b show their previous knowledge
- c) Contribute to research and development work
- Correct option: b) Both a and b show their previous knowledge

1. Occupying niche is important for:

- new researchers
- specifying research focus
- scientific inquiries
- required extensive knowledge

Correct Option: specifying research focus

2. Introduction chapter is followed by:

- literature review
- discussion
- analysis
- methodology

Correct Option: literature review

3. Appropriate tense for describing importance of problem is:

- past simple and past perfect
- future tense
- present and present perfect
- past simple

Correct Option: present and present perfect

MAM MEHWISH 03184148783

4. The primary focus of the research project is depicted through:

- occupying gap
- identifying gap
- aims of research
- introduction

Correct Option: aims of research

5. _____ are optional:

- Table of content.
- List of abbreviations
- Dedication, acknowledgement and preface
- List of tables, figures, illustrations

Correct Option: Dedication, acknowledgement and preface

6. Extensive referencing in introduction chapter:

- is not a norm
- gives authority to claims
- is common
- is not important

Correct Option: gives authority to claims

7. While indicating gaps, present and present perfect tense describe:

- what researcher did not investigate
- has not been investigated up to the present in time
- what researcher will not investigate

MAM MEHWISH 03184148783

- is gaining attention in present times and people are investigating that

Correct Option: has not been investigated up to the present in time

8. Under which of the following structure part of abstract, 'Identify research gap' is explained?

- Introduction
- Purpose
- Research Methods/ Design
- Product/ Results

Correct Option: Purpose

9. Which of the aspect is not supposed to be included in an introduction?

- Findings of the research
- An outline of the content and structure of the thesis
- An explanation of your results along with discussion
- An explanation of your results along with discussion

Correct Option: Findings of the research

10. Literature review is:

- what researcher is intended to find out
- collection of previous studies
- just a summary of what previous researchers said
- more than a summary of material

Correct Option: more than a summary of material
