Explain the public administration in the sub-continent? 3 marks

Public Administration in the Sub-Continent

Today's administrative systems and procedures in Pakistan have its roots in particular to the British period. Two hundred years of British rule still have its vestiges and remnants on the structure, rules, procedures and organizational behaviours. But the British changed the structure to the extent of what their goals were in the sub-continent.

Give six examples of departmentalization by Enterprise Function? 3 marks

Example of functions of organization: Production,

Budgeting, Accounts, Sales etc.

Explain the selection or recruitment

Explain Selection and Recruitment? 3 marks

www.ranapk.com

The selection process ideally involves mutual decision. The organization decides whether to make a job offer and how attractive the offer should be made so that right people join the organization. The candidate has to decide whether the organization and the job offer fit his or her needs and goals, whether it is just the income or there are is challenge in the job etc.

Recruitment

The purpose of recruitment is to provide a group of candidates that is large enough to let managers select the qualified employees they need.

Recruitment is defined as the development of a pool of job candidates in accordance with a human resource plan.

Define the allegation benefits ? 5 marks
