What do you know about Farm Radio Forum?

Answer (Please [click here](#) to Add Answer)

Normal Arial 12 B I U

Farm Radio Forum, 1941-65, was a national rural listening-discussion group created to educate the group of farmers across Canada during the winter months. This project was sponsored by Canadian Association for Adult Education, the Canadian Federation of Agriculture and CBC. This radio discussion group was adopted a a model in a number of developing countries.

Under the sponsorship of UNESCO, the model was introduced in India in 1956 and in Ghana in 1964. The lessons learned from this group in Canada were implemented such as printed material, two way communication, interview, panel discussion etc. This program was very helpful in identifying the problems

and finding out their solutions in agriculture, rural education and development, self government and literacy. Paul Neurth studied the effects of a Farm Radio forum on the villages where it was introduced at Poona, India. The duration of forum was ten weeks with twenty programs and twenty members. The gathered for 30 minutes program and discuss the issue of agriculture, health, and education. When compared with non forum villages it was noticed that the members learned much more on the topics. communication, discussion and knowledge exchange has brought the results beyond expectations.

Question No : 63 of 64 Marks: 5 (Budgeted Time 10 Min)

How computer technology has affected the human life? Discuss it with examples.

Answer (Please [click here](#) to Add Answer)

The invention of computer is one of the most remarkable innovation that happened half a century ago. It was the major cause of second Industrial revolution. Computers are the most versatile machine which usage grew rapidly and widely throughout the word. They are used in communication, education, industries, government and private sectors, health care and medicine, (TEAM HADI) scientific research, law, music and arts. Computer technology affects peoples life because they spend a lot of time on devices runs through computers, like mobile phones and Internet. People depends on computer for almost everything including buying goods, making travel bookings, inquiring about family and friends and paying utility bills, checking weather conditions before planning a trip. Computer has created lot of job opportunities in evry field of life. Because of computer there were many existing jobs that does not exist 10 years before. (TEAM HADI) Computer also has negative affects on peoples life. It affects their eyesight. Availability of the violent and porn images has negative affects of children. (TEAM HADI) Social media applications has made interaction easily because of this are easily exploited. Children and youth spend their times playing games instead of getting education.
