

MGT-211

Lecture No 19

- **Types of theory**
- **Difference between theory X and Y**
- **Maslow's hierarchy**
- **Types of needs in Maslow's hierarchy**
- **Self Esteem & Self Actualization**

Lecture No 20

- **Frederik Herzberg's theory**
- **Expectancy theory**
- **Equity theory**
- **Inputs of employees in the organization**
- **Outputs of the employees in the organization**

Lecture No 21

- **Reinforcement/behaviour Modification theory**
- **Positive & Negative Reinforcement**
- **Team work**
- **Job enrichment & Job Redesign program**
- **Types of Styles of leaders**
- **Flextime & Telecommuting**

Lecture No 22

- **Marketing**
- **Value & utility**
- **Types of utility**
- **Types of Goods and Services**

Lecture No 23

- **Deference between Marketing & Selling**
- **Types of Products**
- **Types of Marketing environment**
- **Types of Competition Marketing**
- **Roles or Market Manager**
- **Components of Market Plan**

Lecture No 24

- **Marketing Mix**
- **Four factors of marketers**

Lecture No 25

- **Market Research & Business planning**
- **Market info & Segmentation**
- **Market Trends**
- **Customer Analysis**

Lecture No 26

1. Research Methods

- **Observation**
- **Survey market research**
- **Focus Group**
- **Experimentation**

2. Four key factors of consumer behaviour

- **Psychological**
- **Personal**
- **Social**
- **Cultural**

Lecture No 27

1. Product

- **Anything that can be offered for sale by an organization and in return it can earn profit for them.**

2. Forms of product

- **Tangible**
- **Intangible**

3. Categories of Consumer Products

- Convenience Goods
- Shopping Goods
- Specialty Goods

4. Categories of industrial Products

- Capital items
- Expense items
- Utility items

5. Product Mix

- Combination of all those products offered by an organization for sale.

6. Product Line

- Depth-wise expansion of any company

7. Mass Marketing

- Product is sold on commercial basis
„this concept is also called mass marketing.

Lecture No 28

1. Types of Product Stages

- Introduction Stage
- Growth Stage
- Maturity Stage

- Decline Stage

2. Types of Brand Names

- National Brands
- Private Brands
- Licence Brands

Lecture No 29

1. Types of Cost

- Fixed Cost
- Variable Cost

2. Formula

$$\text{Total Cost} = \text{Fixed Cost} + \text{Variable Cost}$$

3. Pricing of New Product

- Price skimming
- Penetrating Pricing
- Fixed Price
- Dynamic Price

4. Direct Distribution

- Avon
- Fuller Brush
- Tupperware

5. Retail Distribution

- **Combination convenience store**
- **Gas station**

6. Wholesale Distribution

- **Food Brokers**
- **Travel agents**
- **Retailer**

Lecture 30

1. Types of Wholesale Intermediaries

- **Merchant wholesaler**
- **Merchant wholesaling industry employees 6 Million people in the united states.**

2. Distribution Strategies

- **Intensive Distribution**
- **Exclusive Distribution**
- **Selective Distribution**

Lecture No 31

1. Promotion Strategies

- **Push Strategy**
- **Pull Strategy**

2. Four types of promotional tools

- Advertising
- Personal selling
- Sales promotion
- Publicity and public relations

3. Advertising Strategies

- Persuasive Advertising
- Comparative Advertising
- Reminder Advertising

4. Advertising Media

- T.V
- News paper _____ 20%
- Direct Mail _____ 18%
- Radio _____ 8%
- Magazines _____ 5%
- Outdoor Advertising _____ 1%
- Internet _____ Still in its infancy

5. Media Mix

- Combination of Advertising Media

Lecture No 32

1. Personal Selling Situations

- Retail Selling
- Industrial Selling
- Pharmaceutical Products

Lecture No 33

1. Personal Selling Tasks

- Booking of orders
- Processing of orders
- Creative selling

2. Techniques of Prospecting

- Snowball technique
- Cold conversing technique

3. Types of Barriers

- Security Guard
- Receptionist
- Junior officer

Lecture No 34

1. Presentation Stage includes

- Types of furniture
- Wall hanging

- **Types of curtains**
- **Personal taste**

2. AIDA Stands for

- **Attention**
- **Interest**
- **Desire**
- **Action**

Lecture No 35

1. Production

- **Conversing of raw material into finished goods.**

2. Utility

- **Ability of a product to satisfy a needy.**

3. Types of utility

- **Time utility**
- **Place utility**
- **Form utility**

Lecture No 36

1. GANTT CHART

- **GANTT Charts are we are ads that are useful in loading and scheduling.**

2. PERT NETWORK

- **PERT Network stands for “Program Evolution Review Technique”**

3. Components of PERT charts

- **Events**
- **Activities**
- **Slack time**
- **Critical path**

4. Parts of inventory control

- **Quality control**
- **Cost control**
- **In hand stock details**

5. LIFO (LAST IN FIRST OUT)

6. FIFO (FIRST IN FIRST OUT)

7. JIT (JUST IN TIME)

8. JIC (JUST IN CASE)

1. Productivity

- Productivity is a measure of the effective use of the organization's resources.

2. Types of Quality

- Performance quality
- Quality Reliability

3. Inspection

- Inspection is any method or device or statics used to minimize defects in products.

Lecture No 38

1. Types of Costs

- External failure costs
- Internal failure costs
- Appropriate Costs
- Prevention Costs

2. ISO 1400

- ISO 1400 is a system that organization for protected the environment.

Lecture No 39

1. Bench Marketing

- Bench marketing is a process by which a company implements the best practices from its on past performance and those of other companies to improve its own products.

2. Consideration in Bench Marketing

- Sale forecasting
- Pricing
- Distribution
- To maintain financial record
- Technology

Lecture No 40

1. Types of Communication

- Upward Communication
- Downward Communication

2. Hierarchy of Management

- Top Management
- Middle Management

- **Lower Management**

3. Two parties of Communication

- **Sender**
- **Receiver**

4. Non-Verbal Communication

- **Appearance**
- **Silence**
- **Sounds**
- **Colours**
- **Smell**
- **Touch**
- **Body and language**

Lecture No 41

1. Communication Channels can be

- **Letters**
- **Telephone**
- **Fax**
- **A person who carries the message to other person**

2. Noise

- **All those factors which affect the communication process called noise.**

3. Types of Letters

- Inquiry Letters
- Order Letters
- Complaint Letters
- Adjustment Letters

4. Duties of information managers

- Information gathering
- Information organising
- Information distribution

5. New communication devices

- Telephone
- Intercom
- Video Conferencing

Lecture No 42

1. ENTERPRISE RESOURCE PLANNING (ERP)

2. Components of information system

- Hardware
- Software

- People
- Database
- Tele Communication
- Controls

3. Accounting

- A system of recording classifying, summarising and reporting the economic information in terms of money is called accounting.

Lecture No 43

1. Types of Accounting

- Financial accounting
- Managerial accounting

2. Types of Auditors

- Internal
- External

3. GENERALLY ACCEPTED ACCOUNTING PRINCIPLES (GAAP)

Lecture No 44

1. Assets

- Any economic resources accepted to benefits of fame or an individuals who owns it.

2. Types of Assists

- Tangible Assist
- Intangible Assist

3. Types of Liability

- Towards owner
- Towards other parties

4. Every transaction has two effects

- Debit
- Credit

Remember me in Your Prayers
