Short Questions (3 Marks Each) — Solved Answers

---

1. Define transitive verb and underline one in a sentence.
Answer:
A **transitive verb** is a verb that takes a **direct object** to complete its meaning.
Example: She **bought** a car.
✅*Transitive verb:* **bought**

---

2. Define subject question with an example.
Answer:
A **subject question** is a WH-question where the **WH-word functions as the subject** of the sentence.
Example: **Who** wrote this book?

---

3. Name and define two types of grammatical categories.
Answer:

- **Lexical Categories:** Include nouns, verbs, adjectives, etc. (e.g., *run, cat, blue*)
- **Functional Categories:** Include determiners, auxiliaries, prepositions, etc. (e.g., *the, can, on*)

---

4. Define and give examples of two types of prepositional phrases.
Answer:

- **Place PP:** She sat **on the chair**.
- **Time PP:** We will meet **at noon**.

---

5. Define direct object and provide one example.
Answer:
A **direct object** receives the action of a transitive verb.
 Example: He ate **an apple**.

---

6. Break down a verb phrase from a given line.
Answer:
Sentence: She **has been singing beautifully**.
 Verb Phrase (VP): has been singing

- **Auxiliary verbs:** has, been
- **Main verb:** singing

---

7. Define passiveness.
Answer:
Passiveness refers to the transformation of an **active sentence** into **passive voice** where the **object becomes the subject**.
 Example: Active: He wrote a book. → Passive: A book was written by him.

---

8. Define three types of phrases (e.g., DP, PP, CP).
Answer:

- **DP (Determiner Phrase):** *The cat*

- **PP (Prepositional Phrase):** *Under the table*
- **CP (Complementizer Phrase):** *That she left early*

---

9. List three WH-words used to form WH-questions.
Answer:

- Who
- What
- Where

---

10. Define a tag question with two examples.
Answer:
A **tag question** is a short question added to the end of a sentence to confirm information.
 Examples:

- She's a teacher, **isn't she**?
- They won the game, **didn't they**?

---

11. Identify the type of phrase underlined in a sentence.
Answer:
Example: She went **to the market**.
 Underlined Phrase: Prepositional Phrase (PP)

---

13. **What is discontinuous string in syntax?**
    Answer:
    A **discontinuous string** refers to parts of a phrase that are separated by other elements but still function as a unit.
     Example: The book, she quickly **put on the table**, was expensive.

Long Questions (5 Marks Each) — Solved Answers

---

1. Given five sentences, identify and underline tag questions and subject questions.
Answer Example (2 out of 5):

- **Subject Question: Who** broke the window?
- **Tag Question:** He is your friend, **isn't he**?

---

2. Sentences are provided — underline the complementizers in each.
Answer Example:

- She said **that** she was tired.
- I wonder **if** he will come.

✅**Complementizers:** *that*, *if*

---

3. Transform five given sentences into T-to-C movement format.
Answer Example:

- *He can sing.* → **Can he sing?**
  (T moves to C position to form a question.)

---

4. Explain passivization, demotion, and promotion with examples.
Answer:

- **Passivization**: Changing an active sentence into passive.
  - Active: The chef cooked the meal.
  - Passive: The meal was cooked by the chef.
- **Promotion**: Moving the object to subject position (*the meal*).
- **Demotion**: Moving the subject to the end (*by the chef*).

---

5. Define standard sentence structure using examples like CP, DP, PP.
Answer:
A standard sentence follows the **hierarchical structure**:

- **CP (Complementizer Phrase)**
  - [CP [DP The cat] [VP sat [PP on the mat]]]
    Here, CP dominates the whole sentence structure containing DP (subject) and VP (predicate).

---

6. Given five sentences — rewrite them with “Do-insertion”.
Answer Example:

- *You like tea.* → **Do you like tea?**
- *He went home.* → **Did he go home?**

---

7. Explain the concept of superfluous information in grammar and how to avoid it.
Answer:
Superfluous information refers to unnecessary or redundant words in a sentence.

- *Example:* He returned back home.
- *Correction:* He returned home. (Back is unnecessary)
  Avoid it by using clear, concise expressions.

---

8. Given two standard procedures — identify which sentence follows extraposition.
Answer:
Extraposition moves a clause to the end of a sentence, replaced by "it" at the beginning.

- *It is surprising [that he won].* ← **Extraposition used**
- *That he won is surprising.* ← **No extraposition**
