Topic: 253: Teaching Exemplification

Exemplification and illustration largely deals with expanding on theories/concepts/ ideas and providing reasonable amounts of detail to explain a type, class, or group of objects or events by presenting examples. These assignments largely rely on general-to-specific discourse organization flow. For example,

1. *Give at least two examples of what children can learn from playing peek-a-boo. (Psychology) (Epstein, 1999, p. 258)*
2. *What is a simple idea, according to Locke? Give examples. (Philosophy) (Adapted from Schoedinger, 2000, p. 351)*

- **Give at least two examples of what children can learn from playing**

peek-a-boo.

(Psychology)

(Epstein, 1999, p. 258).

Ans depends on options.
