price and quality of a firm's products and services must be competitive on a worldwide basis, not just a local base

(60)Which of the following decisions determine the amount of funds that are retained in a firm compared to the amount paid out to stockholders? Select correct option:

Financing
Investment
Capital
Dividend

بری صحبت سے تنہائی بہتر ہے اور تنہائی سے نیک صحبت بہتر ہے

For More Help Contact What's app 03224021365

Reference: Dividend decisions determine the amount of funds that are retained in a firm compared to the amount paid out to stockholders. Three financial ratios that are helpful in evaluating a firm's dividend decisions are the earnings-per share ratio, the dividends-per-share ratio, and the price-earnings ratio.

(61)Which of the following is a strategy in which companies create a co-owned business that operates for their mutual benefit?
Select correct option:
Retrenchment
Divestiture
Joint venture
Liquidation

Reference: Joint venture is a popular strategy that occurs when two or more companies form a temporary partnership or consortium for the purpose of capitalizing on some opportunity

(62) Which component of a mission statement addresses the firm's distinctive competence or major competitive advantage?
Select correct option:
Technology
Philosophy
Customers
Self-concept

Reference: Self-concept: What is the firm's distinctive competence or major competitive advantage?

(63)Which of the following best describes this statement; "a Systematic and ethical process for gathering and analyzing information about the competition's activities and general business trends to further a business' own goals"?
Select correct option:
External assessment
Industry analysis
Competitive intelligence program
Business ethics

Reference: Competitive intelligence program is **Systematic and ethical process for gathering and analyzing information about the competition's activities and general business trends to further a business' own goals**. It should be ethical and systematic for gathering

(77) Which of the following refers to the belief related to objectives setting that "the true measure of a really good strategist is the ability to solve problems"?

Select correct option:

Managing by objectives

بری صحبت سے تنہائی بہتر ہے اور تنہائی سے نیک صحبت بہتر ہے

For More Help Contact What's app 03224021365

Managing by extrapolation

Managing by crisis

Managing by subjectives

Reference: Managing by Crisis—**based on the belief that the true measure of a really good strategist is the ability to solve problems**. Because there are plenty of crises and problems to go around for every person and every organization.

(78)R & D expertise should be obtained through acquisition of a well-established in the industry in which of the following situation:

Select correct option:

Technological progress is slow and market growth is moderate

Technology is changing rapidly and market is growing slowly

If technology is changing slowly and market is growing quickly

If both, technological progress and market growth rate are fast

Reference: If both technical progress and market growth are fast, R&D expertise should be obtained through acquisition of a well-established firm in the industry.

(79) which of the following is not a key question that can reveal internal strengths and weaknesses of the marketing department?

Select correct option:

Does the firm have an effective sales organization?

Are markets segmented effectively?

Are the firm's products and services priced appropriately?

Does the firm have good liquidity?

Reference : It is financial department strength

(80)Which of the following can be the weakness of an organization?

Select correct option:

Price war

بری صحبت سے تنہائی بہتر ہے اور تنہائی سے نیک صحبت بہتر ہے

For More Help Contact What's app 03224021365

Poor location of business

Increased trade barriers

Innovative substitute product

Reference: For example, AT&T is strong in communications and weak in computers. A weakness could be the lack of a new product and production department is the internal factor so if organization cannot choose better the locations then it can be the. Major weaknesses are locations.

(81)Which one of the following is NOT a key external force?

بری صحبت سے تنہائی بہتر ہے اور تنہائی سے نیک صحبت بہتر ہے

For More Help Contact What's app 03224021365

Select correct option:

Social responsibility

Ozone reduction

Company management

None of the given option

Reference: strategic management integrates the internal department of the organization like management, marketing, research and development and productions and operations management.

(82)Which of the following is the benefit of strategic management?

Select correct option:

Fewer complexes

More complex

Less static

More profitable

Reference: Research indicates that organizations using strategic-management concepts **are more profitable and successful than those that do not.**

(83)Which of the following is NOT a Corporate level objective?

Select correct option:

Achieving return on investment of at least 15%

Aiming to achieve a market share of 10%

Attaining operating profit of over Rs.10 million

Increase earnings per share by at least 10% every year

Reference: These are objectives that concern the business or organization as a whole We aim for a return on investment of at least 15%, We aim to achieve an operating profit of over £10 million on sales of at least £100 million, We aim to increase earnings per share by at least 10% every year for the foreseeable future

(84)Financial benefits of strategic management include all of the following EXCEPT:

بری صحبت سے تنہائی بہتر ہے اور تنہائی سے نیک صحبت بہتر ہے

collect data and prepare a matrix for strategic planning. It is based on identified internal and external crucial success factors, and **Integration of pertinent external and internal factors in the decision making process.**

(89)Which of the following is a way on the basis of which divisional structure can NOT be organized?

Select correct option:

By geographic area

By product or service

بری صحبت سے تنہائی بہتر ہے اور تنہائی سے نیک صحبت بہتر ہے

For More Help Contact What's app 03224021365

By customer

By technology

Reference: For example, consumer goods companies tend to emulate the divisional structure-by-product form of organization. **The divisional structure can be organized in one of four ways: by geographic area, by product or service, by customer, or by process,** Small firms tend to be functionally structured (centralized). Medium-size firms tend to be divisionally structured (decentralized). Large firms tend to use an SBU (strategic business unit) or matrix structure

(90)Most likely, what was the cash cow in the past?

Select correct option:

Dog

Failure

Question mark

Star

Reference: The hope is that stars become the next cash cows. Sustaining the business unit's market leadership may require extra cash.

(91) Which one of the following is the characteristic of Question marks?

Select correct option:

Excess cash generation

Low cash generation

Opportunities for growth

No-market-growth industry

Reference : question marks have a low relative market share position, yet compete in a high-growth industry. **Generally these firms' cash needs are high and their cash generation is low.**

(92)Business units that have low market share and are operating in slow-growing industry should choose all of the following EXCEPT:
Select correct option:

بری صحبت سے تنہائی بہتر ہے اور تنہائی سے نیک صحبت بہتر ہے

For More Help Contact What's app 03224021365

Distribution efficiency
Production efficiency
new investments
Product innovation

Reference: Dogs more charitably called pets, units with low market share in a mature, slow-growing industry; they depress a profitable company's return on assets ratio, used by many investors to judge how well a company is being managed. No profit so no new investment Dogs, it is thought, should be sold off.

بری صحبت سے تنہائی بہتر ہے اور تنہائی سے نیک صحبت بہتر ہے

For More Help Contact What's app 03224021365

(93)When a division of an organization has a high relative market share and is in a fast-growing industry, it will be categorized as which type in BCG matrix?

Select correct option:

Star

Cash cow

Question mark

Dog

Reference: Units with a high market share in a fast-growing industry. The hope is that stars become the next cash cows. Sustaining the business unit's market leadership may require extra cash

(94)Which one of the following best describes the Rumelt's criterion "Consonance"?

Select correct option:

Strategy should not present inconsistent goals and policies

It refers to the need for strategies to examine sets of trends

Strategy should neither overtaxes resources nor creates unsolvable sub problems

Strategy should provide the reaction or maintenance of competitive advantage

Reference: The need for strategists to examine sets of trends as well as individual trends in evaluating strategies is referred to as consonance. Consistency refers to the need for strategists to examine sets of trends as well as individual trends in evaluating strategies

(95)Which stage of the strategy-formulation framework focuses on generating feasible alternative strategies?

Select correct option:

Input

Output

Decision

بری صحبت سے تنہائی بہتر ہے اور تنہائی سے نیک صحبت بہتر ہے

For More Help Contact What's app 03224021365

Matching

Reference: Stage 2, called the *Matching Stage,* **focuses upon generating feasible alternative strategies** by aligning key external and internal factors

(96)When a merger or acquisition is not desired by both the parties of merger, then it is known as:

Select correct option:

Divestiture

Takeover

Outsourcing

Integration

Reference:

Vu Topper

بری صحبت سے تنہائی بہتر ہے اور تنہائی سے نیک صحبت بہتر ہے

For More Help Contact What's app 03224021365

Merger and acquisition occurs when both parties are agree on friendly merger or acquisition .however if it is not desired by one party, it is hostile takeover. First union was the result of a merger between Wachovia and XXX. Recently, Comcast made an unwanted bid for Walt Disney. Had the bid been successful, it would have represent a hostile takeover.

(97)Which pay strategy is not a form of incentive compensation?

Select correct option:

Bonus

Hourly wage

بری صحبت سے تنہائی بہتر ہے اور تنہائی سے نیک صحبت بہتر ہے

For More Help Contact What's app 03224021365

Gain sharing

Profit sharing

An incentive means something giving as a reward for compensation of their work. So bonus, gain sharing and profit sharing widely used incentive compensation, but hourly wages is not considered as a incentive for compensation.

(98)Lack of access to key distribution channel indicates which of the following?

Select correct option:

Strength

Lack of access

Opportunity

Threat

Reference: The absence of certain strengths may be viewed as a weakness. For example, each of the following may be considered weaknesses: lack of patent protection a weak, brand name poor reputation among customers high cost structure, lack of access to the best natural resources, **lack of access to key distribution channels**

(99) J I T stands for:

Select correct option:

Just inter time

Just into time

Just in time

Just in technique

Reference: Just In Time (JIT) First off inventory is seen as incurring costs instead of adding value, contrary to traditional thinking.

(100)Which of the following are the five forces that affect the level of competition in an industry?

Select correct option:

بری صحبت سے تنہائی بہتر ہے اور تنہائی سے نیک صحبت بہتر ہے

For More Help Contact What's app 03224021365

Threat of entrants; power of buyers; power of suppliers; threat of substitutes; competitive rivalry

Threat of recession; power of buyers; power of suppliers; threat of management failure; competitive rivalry

Threat of entry; power of buyers; power of suppliers; threat of substitutes; government action

Reference: The threat of new**:** the bargaining power of customers, the bargaining power of suppliers, entrants, and the threat of substitute

بری صحبت سے تنہائی بہتر ہے اور تنہائی سے نیک صحبت بہتر ہے

For More Help Contact What's app 03224021365

products -- combine with other variables to influence a fifth force, the level of competition in an industry

Threat of entry; power of buyers; power of suppliers; threat of substitutes; government action

(101) Which of the following directs at developing new products before competitors do at improving product quality or at improving manufacturing processes to reduce costs?

Select correct option:

Marketing

Opportunity analysis

Research and development

Management

Reference: Research and development expenditures are directed at developing new products before competitors do, improving product quality, or improving processes to reduce costs

(102)Just in Time (JIT) system can be defined as:

Select correct option:

Implementing strategies just before bankruptcy

Delivering materials just as they are needed

A scheduling method for meetings

A process for improving quality of products

Reference: **JIT, parts and materials are delivered to a production site just as they are needed the just-in-time** inventory system is all about having “the right material, at the right time, at the right place, and in the exact amount.”

(103)Which one of the following area can be the weakness of a firm?

Select correct option:

Changing lifestyle

High oil prices

Ineffective Marketing

بری صحبت سے تنہائی بہتر ہے اور تنہائی سے نیک صحبت بہتر ہے

For More Help Contact What’s app 03224021365

Increasing pollution

The absence of certain strengths may be viewed as a weakness. For example, each of the following may be considered weaknesses: lack of patent protection a weak, brand name poor reputation among customers high cost structure, lack of access to the best natural resources**, lack of access to key distribution channels(ineffective marketing).**

(104)The reason to develop QSPM is to evaluate the alternative strategies derived from all of these EXCEPT:

Select correct option:

Grand Strategy Matrix

Vu Topper R

بری صحبت سے تنہائی بہتر ہے اور تنہائی سے نیک صحبت بہتر ہے

For More Help Contact What's app 03224021365

BCG Matrix

Space Matrix

CPM Matrix

Reference :There are three positive features of QSPM: 1) Sets of strategies can be examined sequentially or simultaneously, 2) there is no limit to the number of strategies that can be evaluated or the number of sets of strategies that can be examined at once using the QSPM and 3) the last positive feature is that it requires strategists to integrate pertinent external and internal factors into the decision process

بری صحبت سے تنہائی بہتر ہے اور تنہائی سے نیک صحبت بہتر ہے

For More Help Contact What's app 03224021365

The top row of a QSPM consists of alternative strategies derived from the TOWS Matrix, SPACE Matrix, BCG Matrix, IE Matrix, and Grand Strategy Matrix. These matching tools usually generate similar feasible alternatives.

(105) Which strategic management analytical tool has four quadrants based on two dimensions i.e. competitive position and market growth?

Select correct option:

Internal-External Matrix

SPACE Matrix

Grand Strategy Matrix

QSPM

Reference: Grand Strategy Matrix is famous tool for alternative strategies in addition to Space Matrix, BCG Matrix, IE Matrix and SWOT Matrix. All the firms can fall in one of the GSM's four strategy quadrants. Grand strategy Matrix evaluation is based on two dimensions i.e. market growth and competitive position.

(106)Which of these is not one of the tests used to determine whether a performance-pay plan will benefit an organization?

Select correct option:

Do employees understand the plan?

Is the plan improving communications?

Does the plan pay out when it should?

Does the plan reduce management layers?

(107)What is a central strategy-implementation technique that allows an organization to examine the expected results of various actions and approaches?

Select correct option:

Financial budgeting

TOWS analysis

Projected financial statement

بری صحبت سے تنہائی بہتر ہے اور تنہائی سے نیک صحبت بہتر ہے

Select correct option:
Input stage

Output stage

Matching stage

Decision stage

Reference: The Matching Stage includes the Threats-Opportunities-Weaknesses-Strengths (TOWS) Matrix, the Strategic Position and Action Evaluation (SPACE) Matrix, the Boston Consulting Group (BCG) Matrix, the Internal-External (IE) Matrix, and the Grand Strategy Matrix.

(137)All of the following would represent possible threats to the ABC Company EXCEPT which one of the following?
Select correct option:
Entrance of new competitors
Improved buyer or supplier relationships
New or revised regulations
Slow industry/market growth

Ref: The threat of new entrants is high as it does not take much investment or specialized knowledge to enter the pet store market. However, the high level of cash flow, reputation, and customer loyalty may be used to lower this threat somewhat as it pertains specifically to ABC Pet Stores.
• Economic conditions are currently poor; however, a recovery will happen in the next 18 months. If ABC can weather the economic storm, it should see sales increase slowly over that time period.

New and revised regulation is another threat for a company.

(138)Which cell of the SWOT Matrix involves matching internal strengths with external opportunities?
Select correct option:
The WT cell
The SW cell
The ST cell
The SO cell
