Course Selection and Credit Hours

Q: How do I select courses when the course selection is open?

A: Follow these steps:

- Check the credit hours allowed by your university (e.g., 21, 18, or 15 credit hours).
- Each subject typically has 3 credit hours.
- Divide the total allowed credit hours by 3 to determine how many subjects you can select.

Examples:

21 credit hours = 7 subjects

18 credit hours = 6 subjects

15 credit hours = 5 subjects

Remember, the university may allow different credit hours for each student, so check your specific allowance.

By following these steps, you can make informed decisions during course selection and manage your credit hours effectively.
